- 3** Northbound and Southbound Anderson St / Tippecanoe Ave from Court St to Lee St
Alternating Lane Closures
- 4** Westbound and Eastbound outside lanes on Redlands Blvd
Alternating Lane Closures

Tippecanoe Avenue Eastbound I-10 Loop On-ramp Opens to Public

The westbound I-10 loop on-ramp at Tippecanoe Avenue is scheduled to open on Thursday, April 7, weather permitting. The new on-ramp will require northbound motorists to turn right and loop around to get onto the westbound I-10, eliminating the left-turn movement under the bridge. This new configuration will significantly improve access to the freeway and reduce traffic congestion on Tippecanoe Avenue.

Motorists and pedestrians should use caution while traveling through work zones near barricades and equipment. Thank you for your patience and support during this improvement project. Please adhere to all posted signage in the construction zone and always remember to... **SLOW FOR THE CONE ZONE.**
