SAN BERNARDINO REGIONAL

ENERGY PARTNERSHIP
CONSERVE • EARN • SAVE

A program of the San Bernardino
Associated Governments

Celebrate the holidays while being energy efficient!

Holiday **LED Light Exchange** and **COMPLIMENTARY** Energy Efficiency Starter Kits

Join the San Bernardino Associated Governments at one of our local community events to exchange your old holiday lights for energy efficient LED holiday lights and receive a COMPLIMENTARY energy efficiency starter kit.

This opportunity is available at NO COST to all Southern California Edison (SCE) residential customers in San Bernardino County.

100 holiday LED light strands and 50 energy efficiency starter kits will be available per event. First come, first served!

Participating is easy, locate an event near you!

To participate, BRING:

1. Up to TWO inefficient, incandescent holiday light strands, in exchange for up to TWO 100-count LED holiday light strands. Old, inefficient, incandescent holiday light strands must be 50-count or higher, still work, and contain all bulb parts.

2. A copy of your monthly SCE bill (electronic bill will be accepted).

3. A license or photo identification matching customer name and address on the SCE bill.

   To participate in the exchange, all three requirements must be met.
