

## EASTBOUND AND WESTBOUND I-10 LANE CLOSURES JUNE 3 – JUNE 8

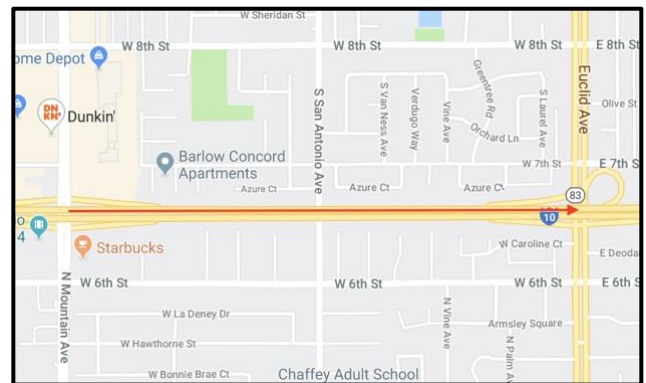

As the San Bernardino County Transportation Authority (SBCTA) begins construction of Express Lanes on I-10 between the Los Angeles/San Bernardino County Line and I-15, crews will continue field work investigation on eastbound and westbound I-10 from June 3 through June 8. Please remember all construction is dynamic and the schedule is weather-permitting and subject to change.

**All closures will begin at 9:00 p.m. and end at 5:00 a.m. (the following morning)**

### June 3: I-10 westbound slow lane and outside shoulder from 4<sup>th</sup> Street to Euclid Avenue

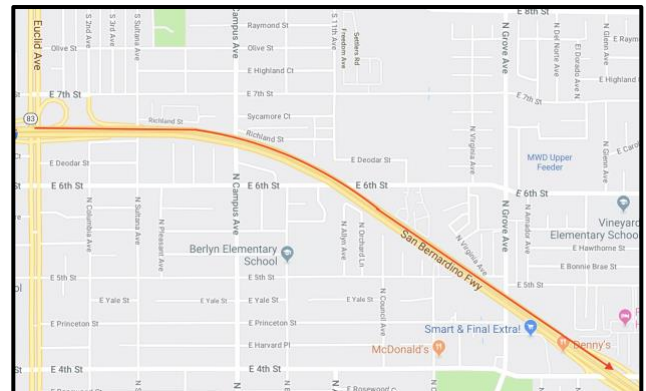

### June 5: I-10 eastbound slow lane and outside shoulder from Mountain Avenue to Euclid Avenue

### June 4: I-10 westbound slow lane and outside shoulder from 4<sup>th</sup> Street to Euclid Avenue AND I-10 eastbound slow lane and outside shoulder from Mountain Avenue to 4<sup>th</sup> Street

### June 6 and June 7: I-10 eastbound slow lane and outside shoulder from Euclid Avenue to 4<sup>th</sup> Street

*About the project: Phase 1 of I-10 Express Lanes is located in the southwestern portion of San Bernardino County east of Los Angeles County. The project will widen the existing I-10 freeway between the Los Angeles/San Bernardino County line and I-15, a distance of approximately 10 miles. The project includes two tolled express lanes in each direction plus lanes to assist drivers getting on and off the freeway in selected locations. West of Haven Avenue, a single new lane will be constructed and combined with the existing HOV lane to provide two express lanes in each direction. The HOV lane will still be available to motorists, but will increase from 2+ to 3+. East of Haven Avenue, two express lanes will be constructed. #gosbcta #sbexpresslanes #beprepared #planbuildmove*
