## WESTBOUND I-10 HAVEN AVENUE ON-RAMP 10-DAY CLOSURE

**WHEN:** Scheduled to close Monday, May 17 at 5:00 a.m. and re-open Thursday, May 27 at 5:00 a.m.

**WHAT'S HAPPENING:** The westbound I-10 Haven Avenue on-ramp will be closed for ten continuous days for crews to realign and pave the on-ramp. Businesses will remain accessible. There will be lane closures to support this activity including:

- Southbound Haven Avenue from Inland Empire Boulevard to the I-10 will be reduced to two lanes.
- One left turn lane from Inland Empire Boulevard on to Haven Avenue will be closed.
- The far right lane of westbound I-10 may be intermittently closed throughout the 10-day closure.

**DETOUR:** To access westbound I-10, continue south on Haven Avenue, right on to Guasti Road, right on to Archibald Avenue, and keep left to access westbound I-10.

**WHAT TO EXPECT:** Motorists should plan ahead, leave early, follow posted detour routes, and allow extra time to reach their destination. Construction is loud and dusty. Large equipment including illuminated light towers, haul trucks, excavators, concrete pulverizers, grinders, and water trucks will be used. Vibration may occur at times. You may hear hammering, rumbling, banging, and engine noises.
