

VINEYARD AVENUE BRIDGE PARTIAL DEMOLITION

WHAT: Vineyard Avenue Bridge Partial Demolition

WHEN: Friday, February 19, 2021 at 9:00 p.m. to Monday, February 22, 2021 at 5:00 a.m.

WHAT'S HAPPENING: To prepare for the Vineyard Avenue bridge partial demolition in early March, Vineyard Avenue will be closed starting at 9:00 p.m. Friday, February 19 through 5:00 a.m. Monday, February 22. This closure is necessary for crews to shift the northbound lanes to where the center median was previously located. Businesses will remain open and accessible.

CLOSURES:

Vineyard Avenue: Northbound and southbound Vineyard Avenue closed between G Street and Inland Empire Boulevard. Detour routes include Inland Empire Boulevard, Archibald Avenue, and E. Convention Center Way/Guasti Road.

I-10 On- and Off-ramps at Vineyard Avenue:

- Open to right-turns only 5:00 a.m. to 9:00 p.m. Detour routes will be posted.
- Intermittently closed 9:00 p.m. to 5:00 a.m. Motorists will be detoured to the Archibald Avenue on- and off-ramps.

WHAT TO EXPECT: Construction is loud and dusty. Large equipment including illuminated light towers, haul trucks, excavators, and water trucks will be used. Vibration may occur at times. You may hear hammering, banging, and engine noises as well as see sparks from saw cutting.

UPCOMING WORK: In early March, the Vineyard Avenue bridge over I-10 will be partially demolished. Closures for this demotion will include I-10 at Vineyard Avenue and Vineyard Avenue between G Street and Inland Empire Boulevard. Detour routes will be posted. Information about these closures will be included in the project's weekly construction alert and the project Google Map. To sign up for weekly construction alerts and to view the project's Google Map visit goSBCTA.com/i10corridor.
