

## Coordinated Transportation Plan

# San Bernardino County Coordinated Plan

Working with community organizations to address the mobility needs of all riders, including seniors, people with disabilities, people of low income, tribal members, and veterans living in San Bernardino County.

## Project Goals

- Explore mobility needs throughout San Bernardino County, including those of seniors, people with disabilities, people of low income, tribal members, and veterans living in San Bernardino County.
- Identify new and ongoing mobility gaps in San Bernardino County.
- Identify and promote partnerships and new service opportunities to address these gaps.

## Authorization

Federal regulation requires the preparation of a locally developed plan that establishes a "unified comprehensive strategy for public transportation service delivery" through a coordinated planning process. This Coordinated Plan must be updated every four years. This plan will guide the period 2026 through 2030.

## Plan Outcomes

- This Coordinated Plan is necessary for funding eligibility in several grant programs:
  - FTA section 5310-Enhanced mobility of seniors and individuals with Disabilities (funding for transportation needs of older adults and persons with disabilities)
  - Devtrans Measure 1 Regional Mobility Partnership (RMP) Program Call for Projects (funding for transportation needs of older adults and persons with disabilities)
- Supports the rationale for requests to other grant programs
- Identifies projects to improve and enhance public transit and specialized transportation.
- Identifies alternative modes and creative opportunities to improve consumer mobility.
- Proposes partnerships to leverage funds and build new mobility solutions.
- Informs San Bernardino County's public transit operators of mobility needs and gaps to consider in their short- and long-range planning.
- Informs SBC TA of regional mobility concerns to help stage funding priorities.
