A. The selection process shall be fair, open, and competitive.

B. The selection of the firm will be based on clearly stated objectives identified in this RFP.

C. Selection of the firm shall be based upon demonstrated competence, professional qualifications, experience and capabilities, and overall best value to perform the required Work identified in the Scope of Work.

D. Upon review of the proposals, a shortlist of firms within the competitive range will be invited to an interview tentatively scheduled for Wednesday, June 10, 2020, at SBCTA’s office located at 1170 W. 3rd Street, San Bernardino, CA 92410. However, at SBCTA’s discretion, the interview may be conducted via a webinar. The contract will be awarded to the firm who offers the overall best value, whose proposal best conforms to the RFP and which is, in the opinion of SBCTA, most advantageous to SBCTA, and with whom a successful negotiation and agreement on cost and price can be concluded. The determination of the competitive range is at the sole discretion of SBCTA’s Evaluation Committee.

E. SBCTA reserves the right to reject any and all proposals and to negotiate with any responsible, responsive firm. SBCTA is under no obligation to award a contract for the Scope of Work. At the conclusion of the evaluation process, the Evaluation Committee will recommend to the body or officer having authority to award the Contract on behalf of SBCTA (“Awarding Authority”) the firm that offers the best overall value to SBCTA. SBCTA may or may not engage in negotiations with firms who submit proposals; therefore, the firm’s proposal should contain the most favorable terms and conditions, including pricing, since the selection and award may be made without any discussion with any firm.

Firms who are invited to the interview will be asked a series of questions which will be scored. The maximum score for the interview is 100 points. Upon completion of the interview, the Evaluation Committee shall compile their interview scores. The interview will be weighted 60% and the technical proposal will be weighted 40%.

V. NEGOTIATIONS AND AWARD

The contract, Scope of Work and price may be negotiated with the selected consultant. However, SBCTA may elect to not negotiate with any of the firms, and/or not award the contract. Therefore, it is imperative that each firm submit their best price as part of their proposal.

ATTACHMENT “A”

“SCOPE OF WORK”
**Task 1. Project Initiation/Kickoff**

The Consultant will work with SBCTA/SBCOG to execute the grant agreement and hold a grant kick off meeting to initiate the project. Other project initiation tasks will include preparation of detailed project schedule, reviewing the executed grant agreement, and establishing communications protocols.

*Deliverables:*

- Detailed project schedule
- Kick-off meeting notes
- List of prioritized action items
- Communications protocols

**Task 2. Developed Workplan for the SBC RCIS**

The Consultant will work with SBCTA/SBCOG, in partnership with the other members of the SBC RCIS coordination team (i.e. the County of San Bernardino and SCAG), to develop a master workplan for preparing the SBC RCIS under the grant agreement.

*Deliverables: Master workplan.*

**Task 3. Prepare Administrative Draft SBC RCIS**

Under this task, the Consultant, as directed by the SBC RCIS coordination team, will update and revise the December 2018 preliminary draft SBC RCIS pursuant to current CDFW RCIS Guidelines (September 2018). The preliminary draft SBS RCIS is anticipated to be necessary to update the SBC RCIS to the current CDFW RCIS Guidelines. The major areas of update are anticipated to be the following areas:

- **RCIS Area:** As previously noted, the December 2018 preliminary draft SBC RCIS covers two subareas of the San Bernardino County: the Valley and West Desert subareas. These subareas were considered highest priority for inclusion because these regions would recognize the greatest benefit from a coordinated regional conservation/mitigation strategy. The Valley and West Desert subareas of the county are geographically separated by the Mountain region. The Mountain region is topographically and ecologically distinct and separate from the Valley and West Desert subareas, and the Mountain region is primarily U.S. Forest Service Lands and managed according to an existing conservation strategy within approved Resource Management Plans.

   The current CDFW RCIS Guidelines state that “an RCIS area should be a complete, unfragmented geographic area”; therefore, the SBC RCIS coordination team will evaluate options to comply with this RCIS Area Requirement. It is anticipated that the preliminary draft RCIS Area will need to be revised in order to address this issue by including the Mountain region into the SBC RCIS document, which would result in revisions to all mapping and analyses used in the preliminary draft. The Consultant shall include time to investigate whether or not the Mountain Region
should be a part of the RCIS, and if so, the Consultant shall provide the appropriate updates to the RCIS analysis.

- **Consistency with HCPs, NCCPs, and Recovery Plans:** to address consistency with HCPs, NCCPs, and Recovery Plans that overlap the SBC RCIS, the latest CDFW RCIS Guidelines call for a consistency comparison evaluating this RCIS conservation strategy with that of existing plans. As identified in the preliminary draft, the SBC RCIS currently overlaps one regional NCCP/HCP, two regional HCPs, 20 smaller HCPs, and recovery plans for 11 focal species. The Consultant shall provide an analysis of how the RCIS would interface, complement or conflict with these HCPs/NCCPs.

- **Focal Species List:** The September 2018 CDFW RCIS Guidelines included a number of revisions as to how focal species lists are selected, and these modified guidelines require revisiting the SBC RCIS species list and selection process. Under the current guidelines, the RCIS shall include listed species, wide-ranging species, climate vulnerable species per the State Wildlife Action Plan (SWAP), and taxonomic group representatives. As a result of this new guidance, the Consultant shall revisit the focal species selection process and likely add a number of new species to the focal species list that was included in the September 2018 draft SBC RCIS.

  Additionally, revisions to the RCIS Area, as noted above, may necessitate focal species list revisions. Revisions to the focal species list will require modifications throughout the preliminary draft, including updated conservation goals and objectives, conservation actions, and prioritization, as well as new focal species accounts.

- **Incorporation of Best Available Scientific Information:** Current CDFW RCIS Guidelines require the use of best available scientific information, including the more recent version of CDFW’s Area of Conservation Emphasis (ACE) data. The preliminary draft SBC RCIS incorporated ACE-II datasets into the conservation strategy; however, CDFW issued new ACE-III dated 2018 that would need to be incorporated in the RCIS. The Consultant shall include this update.

- **Incorporation of Climate Vulnerability Assessment:** The current CDFW RCIS Guidelines call for preparation of climate change vulnerability assessment for focal species and natural communities addressed in the RCIS. Although climate change vulnerability was addressed in the preliminary draft, the SBC RCIS would require revision to the address the latest guidelines pertaining to climate change.

  Additionally, the preliminary draft will be revised to address EEG and public comments received to date on the December 2018 SBC RCIS, including comments received during a formal RCIS public meeting held on March 4, 2019. The Consultant, as directed by the SBC RCIS coordination team, will revise the December 2018 draft document as necessary based
on the above to prepare an administrative Draft SBC RCIS for review by the coordination team.

**Deliverables:**

- RCIS area options evaluation memo
- Revised SBC RCIS boundary and mapping
- Plan consistency memo
- Focal species selection memo
- Revised species list
- New focal species accounts
- Climate change vulnerability assessment memo
- Administrative draft SBC RCIS

**Task 4. Prepare and Submit Draft SBC RCIS for CDFW Completeness Review**

Based on input and comments from the SBC RCIS coordination team, the Consultant will revise the administrative draft document to prepare a Draft SBC RCIS. Assume two (2) rounds of review to the document from the SBC RCIS coordination team and assume Track Changes will be utilized to communicate direct edits and comments.

The Consultant will coordinate with SBCTA staff to acquire the needed application fee and will package up the documents required by the Grant, in order to submit the Draft SBC RCIS to CDFW Staff for their “completeness review”. The Consultant will submit Draft SBC RCIS and required application fee to the CDFW for completeness review. Additionally, the Draft RCIS submittal will include a State Goals Letter from a state agency to CDFW requesting approval of the SBC RCIS. SBCTA will work with the Consultant to acquire the State Goals Letter.

**Deliverables:**

- Draft SBC RCIS (2 drafts)
- State Goals letter

**Task 5. Prepare and Submit Public Draft SBC RCIS for Substantive Review**

The Consultant, as directed by the SBC RCIS coordination team, will revise the Draft SBC RCIS in a manner to address comments from CDFW’s “completeness review” of the Draft SBC RCIS. One round of final review is anticipated for CDFW to verify that their “completeness review” comments have been addressed. The Consultant shall include time for this final round of review from CDFW.

After CDFW deems the Draft SBC RCIS document complete, the Consultant will revise the Draft SBC RCIS to prepare the Public Review Draft SBC RCIS for submittal and review by CDFW and the public. The Consultant shall submit the Public Review Draft SBC RCIS to CDFW to issue for public review.
**Deliverables:**

- Draft Public Review Draft SBC RCIS
- Public Review Draft SBC RCIS

**Task 6. Prepare Administrative Draft Final SBC RCIS**

Following the closure of the public review period, CDFW will provide the list of comments on the Public Review Draft SBC RCIS, and any outside comments received during the public comment period. The Consultant, as directed by the SBC RCIS coordination team, will compile and itemize comments, develop the preferred approach to addressing these itemized comments, and revise the Public Review Draft to prepare an Administrative Draft Final SBC RCIS. This Administrative Draft Final document will be provided to the SBC RCIS coordination team for a final review prior to preparing the Final document.

**Deliverables:** Administrative Draft Final SBC RCIS

**Task 7. Prepare Final RCIS**

Following review of the Administrative Draft Final document, the Consultant, as directed by the SBC RCIS coordination team, will prepare and submit the Final SBC RCIS to CDFW for approval.

The Consultant shall provide the Final RCIS document in not only a searchable PDF version, but also will provide a Story Map E-Plan document that will be web-based and interactive to be located on SBCTA’s website.

**Deliverables:** Final SBC RCIS and published E-Plan

**Task 8. Public and Stakeholder Outreach**

The Consultant and the SBC coordination team will engage in public and stakeholder outreach throughout the RCIS planning process to solicit input from City Staff, County Staff, water districts, industry groups, environmental groups, other stakeholders, and the public about the uses and benefits of the RCIS, and will incorporate their feedback. The Consultant will be responsible for creating and maintaining a stakeholder participants list.

Up to three (3) County of San Bernardino Environment Element Group (EEG) stakeholder meetings are expected to be held during the RCIS planning process. The Consultant must include time for each meeting preparing materials, leading the meeting, and compiling notes, comments, and action items.

Approximately eight (8) targeted interest group outreach webinars/in-person meetings, for which the Consultant will be responsible, will be conducted that will serve (either formally or informally) the function of a technical review team during RCIS development. Meeting agendas, materials and notes are expected to be provided by the Consultant for these meetings.
The Consultant will develop and host data and mapping information through a publicly accessible web-based mapping and sharing portal to provide vehicle for stakeholder collaboration and information dissemination.

Additionally, under this task, the Consultant will head up the coordination with the support of the SBC coordination team to conduct early coordination with relevant state agencies to obtain agency goals letter (support letter) necessary for submittal of the Draft SBC RCIS to CDFW for completeness review.

**Deliverables:**

- Handouts for each meeting (up to 11)
- Presentations for each meeting (up to 11)
- Agendas for each meeting (up to 11)
- Creating and maintaining and participant lists

This contract (“Contract”) is made and entered into by and between the San Bernardino County Transportation Authority (“SBCTA”), whose address is 1170 W. 3rd Street, 2nd Floor, San Bernardino, California 92410-1715, and _________________ (“CONSULTANT”), whose address is _________________. SBCTA and CONSULTANT are each a “Party” and are collectively the “Parties”.

RECITALS:

WHEREAS, SBCTA requires certain work services as described in Exhibit “A” of this Contract; and

WHEREAS, CONSULTANT has confirmed that CONSULTANT has the requisite professional qualifications, personnel and experience and is fully capable and qualified to perform the services identified herein; and

WHEREAS, CONSULTANT desires to perform all Work identified herein and to do so for the compensation and in accordance with the terms and conditions set forth herein.

NOW, THEREFORE, the Parties agree as follows:

ARTICLE 1. PROJECT DESCRIPTION/SCOPE OF WORK

1.1 CONSULTANT agrees to perform the work and services set forth in Exhibit A “Scope of Work” (“Work”) in accordance with all applicable professional standards which are generally accepted in the State of California, in accordance with the terms and conditions expressed herein, and in the sequence, time, and manner defined herein. The word “Work” includes, without limitation, the performance, fulfillment and discharge by CONSULTANT of all obligations, duties, tasks, and services imposed upon or assumed by CONSULTANT hereunder; and the Work performed hereunder shall be completed to the satisfaction of SBCTA, with SBCTA’s satisfaction being based on prevailing applicable professional standards.
1.2 The Project Manager for this Contract is Josh Lee, or such other designee as shall be designated in written notice to CONSULTANT from time to time by the Executive Director of SBCTA or his or her designee. The Project Manager shall have authority to act on behalf of SBCTA in administering this Contract, including giving notices (including, without limitation, notices of default and/or termination), technical directions and approvals; demanding performance and accepting work performed, but is not authorized to receive or issue payments or execute amendments to the Contract itself.

ARTICLE 2. CONTRACT TERM

The Contract term shall commence upon issuance of a written Notice To Proceed (NTP) issued by SBCTA’s Procurement Analyst, and shall continue in full force and effect through October 1, 2023, until otherwise terminated, or unless extended hereinafter provided by written amendment, except that all indemnity and defense obligations hereunder shall survive termination of this Contract. CONSULTANT shall not be compensated for any Work performed or costs incurred prior to issuance of the NTP.

SBCTA at its sole discretion may extend the original term of the Contract for one option term. The maximum term of this Contract, including the Option Term, if exercised, will not exceed October 1, 2024.

ARTICLE 3. COMPENSATION

3.1 Total compensation to CONSULTANT for full and complete performance of the Scope of Work, identified herein and in compliance with all the terms and conditions of this Contract, shall be on a Time & Materials basis for all obligations incurred in Consultant’s performance of Work, and for which CONSULTANT shall furnish all personnel, facilities, equipment, materials, supplies, and Services (except as may be explicitly set forth in this Contract as furnished by SBCTA), shall not exceed the amount set forth in section 3.2 below.

3.2 The total Contract Not-To-Exceed Amount is _______ Dollars ($________). All Work provided under this Contract is to be performed as set forth in Exhibit A “Scope of Work”, and shall be reimbursed pursuant to Exhibit B “Price Form”. The hourly labor rates identified in Exhibit B shall remain fixed for the term of this Contract and include CONSULTANT’s direct labor costs, indirect costs, and profit. All expenses shall be reimbursed for the amounts identified in Exhibit B. Any travel expenses must be pre-approved by SBCTA and shall be reimbursed for per diem expenses at a rate not to exceed the currently authorized rates for state employees under the State Department of Personnel Administration rules. SBCTA will not reimburse CONSULTANT for any expenses not shown in Exhibit B or agreed to and approved by SBCTA as required under this Contract.

3.3 For personnel subject to prevailing wage rates as described in the California Labor Code, all wage increases that are the direct result of changes in the prevailing wage rates, are reimbursable.

3.4 The Cost Principles and Procedures set forth in 48 CFR, Ch. 1, subch. E, Part 31, as constituted on the effective date of this Contract shall be utilized to determine allowability of
costs under this Contract and may be modified from time to time by written amendment of
the Contract.

3.4.1 CONSULTANT agrees to comply with Federal Department of Transportation
procedures in accordance with 2 CFR, Part 200, Uniform Administrative
Requirements, Cost Principles, and Audit Requirements for Federal Awards.

3.4.2 Any costs for which payment has been made to CONSULTANT that are determined
by subsequent audit to be unallowable under 48 CFR, Ch. 1, subch. E, Part 31, or 2
CFR, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit
Requirements for Federal Awards, shall be repaid by CONSULTANT to SBCTA.

3.5 Any Work provided by CONSULTANT not specifically covered by the Scope of Work shall
not be compensated without prior written authorization from SBCTA. It shall be
CONSULTANT’s responsibility to recognize and notify SBCTA in writing when services
not covered by the Scope of Work have been requested or are required. All changes and/or
modifications to the Scope of Work shall be made in accordance with the “CHANGES”
Article in this Contract. Any additional services agreed to in accordance with this Contract
shall become part of the Work.

3.6 All subcontracts in excess of $25,000 shall contain the above provisions.

ARTICLE 4. INVOICING

4.1 Payment to CONSULTANT as provided herein shall be payable in four (4) week billing
period payments, forty-five (45) calendar days after receipt of an acceptable invoice by
SBCTA of an invoice prepared in accordance with instructions below. Payment shall not be
construed to be an acceptance of Work.

4.2 CONSULTANT shall prepare invoices in a form satisfactory to and approved by SBCTA,
which shall be accompanied by documentation supporting each element of measurement
and/or cost. Each invoice will be for a four-week billing period and will be marked with
SBCTA’s contract number, description and task order number, if applicable. Invoices shall
be submitted within fifteen (15) calendar days for the period covered by the invoice except
for the month of June, for which the invoice must be submitted by July 10th. Invoices shall
include request for payment for Work (including additional services authorized by SBCTA)
completed by CONSULTANT during each billing period and shall include back-up
information sufficient to establish the validity of the invoice. Any invoice submitted which
fails to comply with the terms of this Contract, including the requirements of form and
documentation, may be returned to CONSULTANT. Any costs incurred by CONSULTANT
in connection with the resubmission of a proper invoice shall be at CONSULTANT’s sole
expense. The final invoice shall be marked “FINAL” and will be submitted within 60
calendar days after SBCTA has received and approved all Work and deliverables. Invoices
should be e-mailed to SBCTA at the following address:

ap@gosbcta.com

4.3 CONSULTANT shall include a statement and release with each invoice, satisfactory to
SBCTA, that CONSULTANT has fully performed the Work invoiced pursuant to the
Contract for the period covered, that all information included with the invoice is true and
correct, and that all payments to and claims of CONSULTANT and its subconsultants for
Work during the period will be satisfied upon making of such payment. SBCTA shall not be obligated to make payments to CONSULTANT until CONSULTANT furnishes such statement and release.

4.4 Intentionally Omitted

4.5 No payment will be made prior to approval of any Work, nor for any Work performed prior to the NTP, nor for any Work under any amendment to the Contract until SBCTA’s Awarding Authority takes action.

4.6 CONSULTANT agrees to promptly pay each subconsultant for the satisfactory completion of all Work performed under this Contract no later than ten (10) calendar days from the receipt of payment from SBCTA. CONSULTANT also agrees to return any retainage payments to each subconsultant within ten (10) calendar days after the subconsultant’s work is satisfactorily completed. Any delay or postponement of payment from the above-referenced time frame may occur only for good cause following written approval by SBCTA. SBCTA reserves the right to request documentation from CONSULTANT showing payment has been made to its subconsultants. SBCTA also reserves the right, at its own sole discretion, to issue joint checks to CONSULTANT and any subconsultant(s), which shall constitute payment to CONSULTANT in compliance with the terms of this Contract. This clause applies to both DBE and non-DBE subconsultants.

4.7 Any costs for which payment has been made to CONSULTANT that are determined by subsequent audit to be unallowable under 48 CFR, Ch. 1, subch. E, Part 31 are subject to repayment by CONSULTANT to SBCTA.

ARTICLE 5. TAXES, DUTIES AND FEES

Except to the extent expressly provided elsewhere in this Contract, CONSULTANT shall pay when due, and the compensation set forth herein, shall be inclusive of all: a) local, municipal, State, and federal sales and use taxes; b) excise taxes; c) taxes on personal property owned by CONSULTANT; and d) other governmental fees and taxes or charges of whatever nature applicable to CONSULTANT to enable it to conduct business.

ARTICLE 6. AVAILABILITY OF FUNDS

The award and performance of this Contract is contingent on the availability of funds. If funds are not appropriated and/or allocated and available to SBCTA for the continuance of Work performed by CONSULTANT, Work directly or indirectly involved may be suspended or terminated by SBCTA at the end of the period for which funds are available. When SBCTA becomes aware that any portion of Work will or may be affected by a shortage of funds, it will promptly notify CONSULTANT. Nothing herein shall relieve SBCTA from its obligation to compensate CONSULTANT for work already performed pursuant to this Contract. No penalty shall accrue to SBCTA in the event this provision is exercised.

ARTICLE 7. PERMITS AND LICENSES

CONSULTANT shall, without additional compensation, keep current all governmental permits, certificates and licenses (including professional licenses) necessary for CONSULTANT to perform Work identified herein.
ARTICLE 8. DOCUMENTATION AND RIGHT TO AUDIT

8.1 CONSULTANT shall maintain all records related to this Contract in an organized way in the original format, electronic and hard copy, conducive to professional review and audit, for a period of three (3) years from the date of final payment by SBCTA, or until the conclusion of all litigation, appeals or claims related to this Contract, whichever is longer. CONSULTANT shall provide SBCTA, the California State Auditor, or other authorized representatives of SBCTA access to Consultants’ records which are directly related to this Contract for the purpose of inspection, auditing or copying during the entirety of the records maintenance period above. CONSULTANT further agrees to maintain separate records for costs of Work performed by amendment. CONSULTANT shall allow SBCTA and its representatives or agents to reproduce any materials as reasonably necessary.

8.2 The cost proposal and/or invoices for this Contract are subject to audit by SBCTA and/or any state or federal agency funding this Project at any time. After CONSULTANT receives any audit recommendations, the cost or price proposal shall be adjusted by CONSULTANT and approved by SBCTA’s Project Manager to conform to the audit recommendations. CONSULTANT agrees that individual items of cost identified in the audit report may be incorporated into the Contract at SBCTA’s sole discretion. Refusal by CONSULTANT to incorporate the audit or post award recommendations will be considered a breach of the Contract and cause for termination of the Contract. Any dispute concerning the audit findings of this Contract shall be reviewed by SBCTA’s Chief Financial Officer. CONSULTANT may request a review by submitting the request in writing to SBCTA within thirty (30) calendar days after issuance of the audit report.

8.3 Subcontracts in excess of $25,000 shall contain this provision.

ARTICLE 9. RESPONSIBILITY OF CONSULTANT

9.1 CONSULTANT shall be responsible for the professional quality, technical accuracy, and assurance of compliance with all applicable federal, State and local laws and regulations and other Work furnished by CONSULTANT under the Contract. The Contract includes reference to the appropriate standards for Work performance stipulated in the Contract.

9.2 In addition to any other requirements of this Contract or duties and obligations imposed on CONSULTANT by law, CONSULTANT shall, as an integral part of its Work, employ quality control procedures that identify potential risks and uncertainties related to scope, schedule, cost, quality and safety of the Project and the Work performed by CONSULTANT within the areas of CONSULTANT’s expertise. At any time during performance of the Scope of Work, should CONSULTANT observe, encounter, or identify any unusual circumstances or uncertainties which could pose potential risk to SBCTA or the Project, CONSULTANT shall immediately document such matters and notify SBCTA in writing. CONSULTANT shall also similarly notify SBCTA in regard to the possibility of any natural catastrophe, or potential failure, or any situation that exceeds assumptions and could precipitate a failure of any part of the Project. Notifications under this paragraph shall be specific, clear and timely, and in a form which will enable SBCTA to understand and evaluate the magnitude and effect of the risk and/or uncertainties involved.
ARTICLE 10. REPORTING AND DELIVERABLES

All reports and deliverables shall be submitted in accordance with Exhibit A “Scope of Work”. At a minimum, CONSULTANT shall submit monthly progress reports with their monthly invoices. The report shall be sufficiently detailed for SBCTA to determine if CONSULTANT is performing to expectations and is on schedule; to provide communication of interim findings; and to sufficiently address any difficulties or problems encountered, so remedies can be developed.

ARTICLE 11. TECHNICAL DIRECTION

11.1 Performance of Work under this Contract shall be subject to the technical direction of SBCTA’s Project Manager, identified in Section 1.2, upon issuance of the NTP and/or subsequently by written notice during the Contract. The term “Technical Direction” is defined to include, without limitation:

11.1.1 Directions to CONSULTANT which redirect the Contract effort, shift work emphasis between work areas or tasks, require pursuit of certain lines of inquiry, fill in details, or otherwise serve to accomplish the Scope of Work.

11.1.2 Provision of written information to CONSULTANT which assists in the interpretation of reports or technical portions of the Scope of Work described herein.

11.1.3 Review and, where required by the Contract, approval of technical reports and technical information to be delivered by CONSULTANT to SBCTA under the Contract.

11.1.4 SBCTA’s Project Manager may modify this Contract for certain administrative modifications without issuing a written amendment. Administrative modifications are limited to: substitutions of personnel identified in the Contract, including Key Personnel and subconsultants; modifications to classifications, hourly rates and names of personnel in Exhibit B; and modifications of the address of the CONSULTANT. All such modifications will be documented in writing between the Parties.

11.2 Technical Direction must be within the Scope of Work under this Contract. SBCTA’s Project Manager does not have the authority to, and may not, issue any Technical Direction which:

11.2.1 Increases or decreases the Scope of Work;

11.2.2 Directs CONSULTANT to perform Work outside the original intent of the Scope of Work;

11.2.3 Constitutes a change as defined in the “CHANGES” Article of the Contract;

11.2.4 In any manner causes an increase or decrease in the Contract price as identified in the “COMPENSATION” Article or the time required for Contract performance;

11.2.5 Changes any of the express terms, conditions or specifications of the Contract, unless identified herein;
11.2.6 Interferes with CONSULTANT’s right to perform the terms and conditions of the Contract unless identified herein; or

11.2.7 Approves any demand or claims for additional payment.

11.3 Failure of CONSULTANT and SBCTA’s Project Manager to agree that the Technical Direction is within the scope of the Contract, or a failure to agree upon the Contract action to be taken with respect thereto, shall be subject to the provisions of the “DISPUTES” Article herein.

11.4 All Technical Direction shall be issued in writing by SBCTA’s Project Manager.

11.5 CONSULTANT shall proceed promptly with the performance of Technical Direction issued by SBCTA’s Project Manager, in the manner prescribed by this Article and within their authority under the provisions of this Article. If, in the opinion of CONSULTANT, any instruction or direction by SBCTA’s Project Manager falls within one of the categories defined in sections 11.2.1 through 11.2.7 above, CONSULTANT shall not proceed but shall notify SBCTA in writing within five (5) working days after receipt of any such instruction or direction and shall request SBCTA to modify the Contract accordingly. Upon receiving the notification from CONSULTANT, SBCTA shall:

11.5.1 Advise CONSULTANT in writing within thirty (30) calendar days after receipt of CONSULTANT’s letter that the Technical Direction is or is not within the scope of this Contract.

11.5.2 Advise CONSULTANT within a reasonable time whether SBCTA will or will not issue a written amendment.

ARTICLE 12. CHANGES

12.1 The Work shall be subject to changes by additions, deletions, or revisions made by SBCTA. CONSULTANT will be advised of any such changes by written notification from SBCTA describing the change. This notification will not be binding on SBCTA until SBCTA’s Awarding Authority has approved an amendment to this Contract.

12.2 Promptly after such written notification of change is given to CONSULTANT by SBCTA, the Parties will attempt to negotiate a mutually agreeable adjustment to compensation or time of performance, and amend the Contract accordingly.

ARTICLE 13. EQUAL EMPLOYMENT OPPORTUNITY

13.1 During the term of this Contract, CONSULTANT shall not willfully discriminate against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, gender, sex, marital status, gender identity, gender expression, sexual orientation, age, or military and veteran status. CONSULTANT agrees to comply with the provisions of Executive Orders 11246, 11375, 11625, 12138, 12432, 12250, Title VII of the Civil Rights Act of 1964, the California Fair Employment and Housing Act, and other
applicable Federal, State and County laws and regulations and policies relating to equal employment and contracting opportunities, including laws and regulations hereafter enacted.

13.2 The CONSULTANT and all subconsultants shall comply with all provisions of Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination on the basis of race, color, and national origin. In addition, CONSULTANT and all subconsultants will ensure their services are consistent with and comply with obligations and procedures outlined in SBCTA’s current Board-adopted Title VI Program, including the Public Participation Plan and the Language Assistance Plan.

ARTICLE 14. CONFLICT OF INTEREST

CONSULTANT agrees that it presently has no interest, financial or otherwise, and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of Work required under this Contract or be contrary to the interests of SBCTA as to the Project. CONSULTANT further agrees that in the performance of this Contract, no person having any such interest shall be employed. CONSULTANT is obligated to fully disclose to SBCTA, in writing, any conflict of interest issues as soon as they are known to CONSULTANT. CONSULTANT agrees that CONSULTANT’s staff designated by SBCTA’s Executive Director as “Consultants” under the Political Reform Act shall timely file Statements of Economic Interest with the SBCTA Clerk of the Board.

The personnel specified below are considered to be essential to the Work being performed under this Contract. Prior to diverting any of the specified individuals to other projects, or reallocation of any tasks or hours of Work that are the responsibility of key personnel to other personnel, CONSULTANT shall notify SBCTA in writing in advance and shall submit justifications (including proposed substitutions, resumes and payroll information to support any changes to the labor rates) in sufficient detail to permit evaluation of the impact on the Project. Diversion or reallocation of key personnel shall not be made without prior written consent of SBCTA’s PM. CONSULTANT shall not substitute any key personnel without the prior written consent of SBCTA. In the event that the Parties cannot agree as to the substitution of key personnel, SBCTA may terminate this Contract. Key Personnel are:

ARTICLE 17. PROPRIETARY RIGHTS/CONFIDENTIALITY

17.1 If, as a part of this Contract, CONSULTANT is required to produce materials, documents data, or information (“Products”), then CONSULTANT, if requested by SBCTA, shall deliver to SBCTA the original of all such Products, which shall become the sole property of SBCTA.

17.2 All materials, documents, data or information obtained from SBCTA's data files or any SBCTA-owned medium furnished to CONSULTANT in the performance of this Contract will at all times remain the property of SBCTA. Such data or information may not be used or copied for direct or indirect use outside of this Project by CONSULTANT without the express written consent of SBCTA.

17.3 Except as reasonably necessary for the performance of the Work, CONSULTANT agrees that it, its employees, agents and subconsultants will hold in confidence and not divulge to third parties, without prior written consent of SBCTA, any information obtained by CONSULTANT from or through SBCTA unless (a) the information was known to CONSULTANT prior to obtaining same from SBCTA, or (b) the information was at the time of disclosure to CONSULTANT, or thereafter becomes, part of the public domain, but not as a result of the fault or an unauthorized disclosure of CONSULTANT or its employees, agents, or subconsultants, or (c) the information was obtained by CONSULTANT from a third party who did not receive the same, directly or indirectly, from SBCTA and who had, to CONSULTANT's knowledge and belief, the right to disclose the same. Any materials and information referred to in this Article, which are produced by CONSULTANT shall remain confidential until released in writing by SBCTA, except to the extent such materials and information become subject to disclosure by SBCTA under the California Public Records Act, or other law, or otherwise become public information through no fault of CONSULTANT, or its employees or agents.

17.4 CONSULTANT shall not use SBCTA's name or photographs in any professional publication, magazine, trade paper, newspaper, seminar or other medium without first receiving the express written consent of SBCTA.

17.5 All press releases, or press inquiries relating to the Project or this Contract, including graphic display information to be published in newspapers, magazines, and other publications, are to be made only by SBCTA unless otherwise agreed to in writing by both Parties.

ARTICLE 18. TERMINATION

18.1 Termination for Convenience - SBCTA shall have the right at any time, with or without cause, to terminate further performance of Work by giving thirty (30) calendar days written notice to CONSULTANT specifying the date of termination. On the date of such termination stated in said notice, CONSULTANT shall promptly discontinue performance of Work and shall preserve Work in progress and completed Work, pending SBCTA's instruction, and shall turn over such Work in accordance with SBCTA’s instructions.

18.1.1 CONSULTANT shall deliver to SBCTA all deliverables prepared by CONSULTANT or its subconsultants or furnished to CONSULTANT by SBCTA.
Upon delivery, CONSULTANT may then invoice SBCTA for payment in accordance with the terms herein.

18.1.2 If CONSULTANT has fully and completely performed all obligations under this Contract up to the date of termination, CONSULTANT shall be entitled to receive from SBCTA as complete and full settlement for such termination a pro rata share of the Contract cost based upon the percentage of all contracted Work satisfactorily executed to the date of termination.

18.1.3 CONSULTANT shall be entitled to receive the actual costs incurred by CONSULTANT to return CONSULTANT’s tools and equipment, if any, to it or its suppliers’ premises, or to turn over Work in progress in accordance with SBCTA’s instructions plus the actual cost necessarily incurred in effecting the termination.

In the event of such termination by SBCTA, SBCTA may take possession of the deliverables and finished Work by whatever method SBCTA may deem expedient. A waiver by SBCTA of one default of CONSULTANT shall not be considered to be a waiver of any subsequent default of CONSULTANT, of the same or any other provision, nor be deemed to waive, amend, or modify any term of this Contract.

18.2.1 CONSULTANT shall deliver to SBCTA all finished and unfinished deliverables under this Contract prepared by CONSULTANT or its subconsultants or furnished to CONSULTANT by SBCTA within ten (10) working days of said notice.

18.3 All claims for compensation or reimbursement of costs under any of the foregoing provisions shall be supported by documentation submitted to SBCTA, satisfactory in form and content to SBCTA and verified by SBCTA. In no event shall CONSULTANT be entitled to any payment for prospective profits or any damages because of such termination.

ARTICLE 19. STOP WORK ORDER

- Coverage is to be on an “occurrence” form. “Claims made” and “modified occurrence” forms are not acceptable.

- A copy of the declaration page or endorsement page listing all policy endorsements for the CGL policy must be included.

All subconsultants of any tier performing any portion of the Work for CONSULTANT shall also obtain and maintain the CGL insurance coverage with limits not less than:

- Each occurrence limit: $1,000,000
- General aggregate limit: $2,000,000
- Personal injury and advertising limit: $1,000,000
- Products-completed operations aggregate limit: $2,000,000

All subconsultants’ and sub-subconsultants’ deductibles or self-insured retentions must be acceptable to SBCTA’s Risk Manager.

21.1.4 Umbrella/Excess CGL. The policy must include the following:

- If the CONSULTANT elects to include an umbrella or excess policy to cover any of the total limits required beyond the primary commercial general liability policy limits and/or the primary commercial automobile liability policy limits, then the policy must include the following:
  - The umbrella or excess policy shall follow form over the CONSULTANT’s primary general liability coverage and shall provide a separate aggregate limit for products and completed operations coverage.
o The umbrella or excess policy shall not contain any restrictions or exclusions beyond what is contained in the primary policy.

o The umbrella or excess policy shall contain a clause stating that it takes effect (drops down) in the event the primary limits are impaired or exhausted.

o The umbrella or excess policy must also extend coverage over the automobile policy if it is to be used in combination with the primary automobile policy to meet the total insurance requirement limits.

There shall be no statement limiting the coverage provided to the parties listed as additionally insureds or as indemnitees below.

21.1.5 Commercial Auto. The policy must include the following:

- A total limit of liability of not less than $1,000,000 each accident. This total limits of liability may be met by combining the limits of the primary auto policy with an umbrella or excess policy in accordance with subparagraph 4 (Umbrella/Excess CGL) of Section A of this Article.

- Such insurance shall cover liability arising out of any vehicle, including owned, hired, leased, borrowed and non-owned vehicles assigned to or used in performance of the CONSULTANT services.

- Combined Bodily Injury and Property Damage Liability insurance. The commercial automobile liability insurance shall be written on the most recent edition of ISO Form CA 00 01 or equivalent acceptable to SBCTA.

21.1.6 Pollution Liability– Intentionally Omitted

21.1.7 Railroad Protective Liability– Intentionally Omitted

21.2 General Provisions

21.2.1 Qualifications of Insurance Carriers. All policies written by insurance carriers shall be authorized and admitted to do business in the state of California with a current A.M. Best rating of A-VIII or better. Professional Liability and Contractor’s Pollution Liability policies may be from non-admitted carriers provided they are authorized and licensed in the state of California and meet the current A.M. Best rating of A: VIII or better.

21.2.2 Additional Insurance Coverage. All policies, except those for Workers’ Compensation and Professional Liability insurance, shall be endorsed by ISO Form CG 20 10 11 85, or if not available, then ISO Form CG 20 38, to name San Bernardino County Transportation Authority and its officers, directors, members, employees, agents and volunteers, as additional insureds (“Additional Insureds”). With respect to general liability arising out of or connected with work or operations performed by or on behalf of the CONSULTANT under this Contract, coverage for such Additional Insureds shall not extend to liability to the extent prohibited by section 11580.04 of the Insurance Code. The additional insured endorsements shall not limit the scope of coverage for SBCTA to vicarious liability, but shall allow coverage for SBCTA to the full extent provided by the policy.
21.2.3 **Proof of Coverage.** Evidence of insurance in a form acceptable to SBCTA’s Risk Manager, including declarations pages of each policy, certificates of insurance and the required additional insured endorsements, shall be provided to SBCTA’s Procurement Analyst prior to issuance of the NTP or prior to commencing any Work, as SBCTA specifies. Certificate(s) of insurance, as evidence of the required insurance shall: be executed by a duly authorized representative of each insurer; show compliance with the insurance requirements set forth in this Article; set forth deductible amounts applicable to each policy; list all exclusions which are added by endorsement to each policy; and also include the Contract Number and the SBCTA Project Manager’s name on the face of the certificate. If requested in writing by SBCTA, CONSULTANT shall submit complete copies of all required insurance policies within ten (10) business days of a written request by SBCTA.

21.2.4 **Deductibles.** Regardless of the allowance of exclusions or deductibles by SBCTA, CONSULTANT shall be responsible for any deductible amount and shall warrant that the coverage provided to SBCTA is consistent with the requirements of this Article. CONSULTANT will pay, and shall require its sub-consultants to pay, all deductibles, co-pay obligations, premiums and any other sums due under the insurance required in this Article. All deductibles will be in amounts acceptable to SBCTA’s Risk Manager. CONSULTANT will advise SBCTA in writing as to the amounts of any deductible, or as to any increase in any insurance deductible under any insurance required above. There will be no deductibles in excess of $250,000 per occurrence, loss or claim under the insurance. There shall be no self-insured retention. SBCTA will have the right, but not the obligation, to pay any deductible due under any insurance policy. If SBCTA pays any sums due under any insurance required above, SBCTA may withhold said sums from any amounts due CONSULTANT. The policies shall not provide that any deductible or other payment required under the policy can be paid only by the named insured, and not by an additional insured.

21.2.5 **CONSULTANT’s and Subconsultants’ Insurance will be Primary.** All policies required to be maintained by the CONSULTANT or any subconsultant, with the exception of Professional Liability and Worker’s Compensation, shall be endorsed, with a form at least as broad as ISO Form CG 20 01 04 13, to be primary coverage, and any coverage carried by any of the Additional Insureds shall be excess and non-contributory. Further, none of CONSULTANT’s or subconsultants’ pollution, automobile, general liability or other liability policies (primary or excess) will contain any cross-liability exclusion barring coverage for claims by an additional insured against a named insured.

21.2.6 **Waiver of Subrogation Rights.** To the fullest extent permitted by law, CONSULTANT hereby waives all rights of recovery under subrogation against the Additional Insureds named herein, and any other consultant, subconsultant or sub-subconsultant performing work or rendering services on behalf of SBCTA in connection with the planning, development and construction of the Project. To the fullest extent permitted by law, CONSULTANT shall require similar written express waivers and insurance clauses from each of its subconsultants of every tier.
CONSULTANT shall require all of the policies and coverages required in this Article to waive all rights of subrogation against the Additional Insureds (ISO Form CG 24 04 05 09). Such insurance and coverages provided shall not prohibit CONSULTANT from waiving the right of subrogation prior to a loss or claim.

21.2.7 Cancellation. If any insurance company elects to cancel or non-renew coverage for any reason, CONSULTANT will provide SBCTA thirty (30) days prior written notice of such cancellation or nonrenewal. If the policy is cancelled for nonpayment of premium, CONSULTANT will provide SBCTA ten (10) days prior written notice. In any event, CONSULTANT will provide SBCTA with a copy of any notice of termination or notice of any other change to any insurance coverage required herein which CONSULTANT receives within one business day after CONSULTANT receives it by submitting it to SBCTA at procurement@gosbcta.com, to the attention of SBCTA’s Procurement Analyst, and by depositing a copy of the notice in the U.S. Mail in accordance with the notice provisions of this Contract.

21.2.8 Enforcement. SBCTA may take any steps as are necessary to assure CONSULTANT’s compliance with its insurance obligations as identified within this Article. Failure to continuously maintain insurance coverage as provided herein is a material breach of contract. In the event the CONSULTANT fails to obtain or maintain any insurance coverage required, SBCTA may, but is not required to, maintain this coverage and charge the expense to the CONSULTANT or withhold such expense from amounts owed CONSULTANT, or terminate this Contract. The insurance required or provided shall in no way limit or relieve CONSULTANT of its duties and responsibility under the Contract, including but not limited to obligations to indemnify, defend and hold harmless the Indemnitees named below. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONSULTANT for liability in excess of such coverage, nor shall it preclude SBCTA from taking other actions as available to it under any other provision of the Contract or law. Nothing contained herein shall relieve CONSULTANT, or any subconsultant of any tier of their obligations to exercise due care in the performance of their duties in connection with the Work, and to complete the Work in strict compliance with the Contract.

21.2.9 No Waiver. Failure of SBCTA to enforce in a timely manner any of the provisions of this Article shall not act as a waiver to enforcement of any of these provisions at a later date.

21.2.10 Subconsultant Insurance. Insurance required of the CONSULTANT shall be also provided by subconsultants or by CONSULTANT on behalf of all subconsultants to cover their services performed under this Contract. CONSULTANT may reduce types and the amounts of insurance limits provided by subconsultant(s) to be proportionate to the amount of the subconsultant’s contract and the level of liability exposure for the specific type of work performed by the subconsultant. CONSULTANT shall be held responsible for all modifications, deviations, or omissions in these insurance requirements as they apply to subconsultant.

21.2.11 Higher limits. If CONSULTANT maintains higher limits than the minimums shown above, SBCTA shall be entitled to coverage for the higher limits maintained by
CONSULTANT. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to SBCTA.

21.2.12 Special Risks or Circumstances. SBCTA reserves the right to modify any or all of the above insurance requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

ARTICLE 22. INDEMNITY

22.1 To the extent, but only to the extent, that CONSULTANT’s Work falls within the scope of Civil Code Section 2782.8, the following indemnification is applicable:

CONSULTANT shall indemnify and defend (with legal counsel reasonably approved by SBCTA) SBCTA and its authorized officers, employees, agents and volunteers (collectively “Indemnitees”), from any and all losses, damages, liability, actions, and/or costs for claims that arise out of, pertain to, or are related to the negligence, recklessness, or willful misconduct of the professional.

22.2 For all other Work, CONSULTANT agrees to indemnify, defend (with legal counsel reasonably approved by SBCTA) and hold harmless SBCTA and its authorized officers, employees, agents and volunteers (“Indemnitees”), from any and all claims, actions, losses, damages and/or liability (Claims) arising out of this Contract from any cause whatsoever, including acts, errors, or omissions of any person and for any costs or expenses incurred by SBCTA on account of any claim, except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of Indemnitees. CONSULTANT’s indemnification obligation applies to SBCTA’s “active” as well as “passive” negligence, but does not apply to SBCTA’s “sole negligence” or “willful misconduct” within the meaning of Civil Code section 2782.

ARTICLE 23. ERRORS AND OMISSIONS

CONSULTANT shall be responsible for the professional quality, technical accuracy, and coordination of all Work required under this Contract. CONSULTANT shall be liable for SBCTA’s costs resulting from errors or deficiencies in Work furnished under this Contract, including, but not limited to, any fines, penalties, damages, and costs required because of an error or deficiency in the Work provided by CONSULTANT under this Contract.

ARTICLE 24. OWNERSHIP OF DOCUMENTS

All deliverables, including but not limited to, drawings, reports, worksheets, and other data developed by CONSULTANT under this Contract shall become the sole property of SBCTA when prepared, whether delivered to SBCTA or not.

ARTICLE 25. SUBCONTRACTS

25.1 CONSULTANT shall not subcontract performance of all or any portion of Work under this Contract, except to those subconsultants listed in CONSULTANT’s proposal, without first notifying SBCTA in writing of the intended subcontracting and obtaining SBCTA’s written approval of the subcontracting and the subconsultant. The definition of subconsultant and the requirements for subconsultants hereunder shall include all subcontracts at any tier.
25.2 CONSULTANT agrees that any and all subconsultants of CONSULTANT performing Work under this Contract will comply with the terms and conditions of this Contract applicable to the portion of Work performed by them. CONSULTANT shall incorporate all applicable provisions of this Contract into their subcontracts regardless of the tier. If requested by SBCTA, CONSULTANT shall furnish SBCTA a copy of the proposed subcontract for SBCTA’s approval of the terms and conditions thereof and shall not execute such subcontract until SBCTA has approved such terms and conditions. SBCTA’s approval shall not be unreasonably withheld.

25.3 Approval by SBCTA of any Work to be subcontracted and the subconsultant to perform said Work will not relieve CONSULTANT of any responsibility or liability in regard to the acceptable and complete performance of said Work. Any substitution of subconsultants must be approved in writing by SBCTA. CONSULTANT shall have sole responsibility for managing all of their subconsultants, including resolution of any disputes between CONSULTANT and its subconsultants.

ARTICLE 26. RECORD INSPECTION AND AUDITING

SBCTA or any of its designees, representatives, or agents shall at all times have access during normal business hours to CONSULTANT’s operations and products wherever they are in preparation or progress, and CONSULTANT shall provide sufficient, safe, and proper facilities for such access and inspection thereof. Inspection or lack of inspection by SBCTA shall not be deemed to be a waiver of any of their rights to require CONSULTANT to comply with the Contract or to subsequently reject unsatisfactory Work or products.

ARTICLE 27. INDEPENDENT CONTRACTOR

CONSULTANT is and shall be at all times an independent contractor. Accordingly, all Work provided by CONSULTANT shall be done and performed by CONSULTANT under the sole supervision, direction and control of CONSULTANT. SBCTA shall rely on CONSULTANT for results only, and shall have no right at any time to direct or supervise CONSULTANT or CONSULTANT’s employees in the performance of Work or as to the manner, means and methods by which Work is performed. All personnel furnished by CONSULTANT pursuant to this Contract, and all representatives of CONSULTANT, shall be and remain the employees or agents of CONSULTANT or of CONSULTANT’s subconsultant(s) at all times, and shall not at any time or for any purpose whatsoever be considered employees or agents of SBCTA.

ARTICLE 28. ATTORNEY’S FEES

If any legal action is instituted to enforce or declare any Party’s rights under the Contract, each Party, including the prevailing Party, must bear its own costs and attorneys’ fees. This Article shall not apply to those costs and attorneys’ fees directly arising from any third party legal action against a Party hereto and payable under the “Indemnity” provision of the Contract.

ARTICLE 29. GOVERNING LAW AND VENUE

This Contract shall be subject to the law and jurisdiction of the State of California. The Parties acknowledge and agree that this Contract was entered into and intended to be performed in whole or substantial part in San Bernardino County, California. The Parties agree that the venue for any action or claim brought by any Party to this Contract will be the Superior Court of California, San
Bernardino County. Each Party hereby waives any law or rule of court which would allow them to request or demand a change of venue. If any action or claim concerning this Contract is brought by any third party, the Parties hereto agree to use their best efforts to obtain a change of venue to the Superior Court of California, San Bernardino County.

ARTICLE 30. FEDERAL, STATE AND LOCAL LAWS

CONSULTANT warrants that in the performance of this Contract, it shall comply with all applicable federal, State and local laws, ordinances, rules and regulations.

ARTICLE 31. PRECEDENCE

31.1 The Contract consists of these Contract Articles, Exhibit A “Scope of Work”, and Exhibit B “Price Proposal”, SBCTA’s Request for Proposal and CONSULTANT’s proposal, all of which are incorporated into this Contract by this reference.

31.2 The following order of precedence shall apply: first, the Contract Articles; second, Exhibits A and B; third, SBCTA’s Request for Proposal; and last, CONSULTANT’s proposal. In the event of a conflict between the Contract Articles and the Scope of Work, the Contract Articles will prevail.

31.3 In the event of an express conflict between the documents listed in this Article, or between any other documents which are a part of the Contract, CONSULTANT shall notify SBCTA in writing within three (3) business days of its discovery of the conflict and shall comply with SBCTA’s resolution of the conflict.

ARTICLE 32. COMMUNICATIONS AND NOTICES

Notices sent by mail shall be by United States Mail, postage paid, certified mail (return receipt requested). Any and all notices permitted or required to be given hereunder shall be deemed duly given and received: (a) upon actual delivery, if delivery is personally made or if made by fax or email during regular business hours; (b) the first business day following delivery by fax or email when not made during regular business hours; or (c) on the fourth business day after deposit of such notice into the United States Mail. Each such notice shall be sent to the respective Party at the address indicated below or to any other address as the respective Parties may designate from time to time by a notice given in accordance with this Article. CONSULTANT shall notify SBCTA of any contact information changes within ten (10) business days of the change.

33.1 In the event any dispute, other than an audit, arises between the Parties in connection with this Contract (including but not limited to disputes over payments, reimbursements, costs, expenses, Work to be performed, Scope of Work and/or time of performance), the dispute shall be decided by SBCTA’s Procurement Manager within thirty (30) calendar days after notice thereof in writing, which notice shall include a particular statement of the grounds of the dispute. If CONSULTANT does not agree with the decision, then CONSULTANT shall have ten (10) calendar days after receipt of the decision in which to file a written appeal thereto with SBCTA’s Executive Director. If the Executive Director fails to resolve the dispute in a manner acceptable to CONSULTANT, then such dispute may be reviewed by a court of competent jurisdiction.

33.2 During resolution of the dispute, CONSULTANT shall proceed with performance of this Contract with due diligence.

ARTICLE 34. GRATUITIES
CONSULTANT, its employees, agents, or representatives shall not offer or give to any officer, official, agent or employee of SBCTA any gift, entertainment, payment, loan, or other gratuity.

ARTICLE 35. REVIEW AND ACCEPTANCE
All Work performed by CONSULTANT shall be subject to periodic review and approval by SBCTA at any and all places where such performance may be carried on. Failure of SBCTA to make such review or to discover defective work shall not prejudice the rights of SBCTA at the time of final acceptance. All Work performed by CONSULTANT shall be subject to periodic and final review and acceptance by SBCTA upon completion of all Work.

ARTICLE 36. CONFIDENTIALITY
Any SBCTA communications or materials to which CONSULTANT or its subconsultants or agents have access, or materials prepared by CONSULTANT under the terms of this Contract, shall be held in confidence by CONSULTANT, who shall exercise reasonable precautions to prevent the disclosure of confidential information to anyone except as expressly authorized by SBCTA. Any communications with or work product of SBCTA’s legal counsel to which CONSULTANT or its subconsultants or agents have access in performing work under this Contract shall be subject to the attorney-client privilege and attorney work product doctrine and shall be confidential. CONSULTANT shall not release any reports, information or promotional material or allow for the use of any photos related to this Contract for any purpose without prior written approval of SBCTA.

ARTICLE 37. EVALUATION OF CONSULTANT
CONSULTANT’s performance may be evaluated by SBCTA periodically throughout the Contract performance period, such as at the completion of certain milestones as identified in Scope of Work and/or at the completion of the Contract. A copy of the evaluation will be given to CONSULTANT for their information. The evaluation information shall be retained as part of the Contract file and may be used to evaluate CONSULTANT if they submit a proposal on a future RFP issued by SBCTA.
ARTICLE 38. SAFETY

CONSULTANT shall strictly comply with OSHA regulations and local, municipal, state, and federal safety and health laws, orders and regulations applicable to CONSULTANT’s operations in the performance of Work under this Contract. CONSULTANT shall comply with all safety instructions issued by SBCTA or their representatives.

ARTICLE 39. DRUG FREE WORKPLACE

CONSULTANT agrees to comply with the Drug Free Workplace Act of 1990 per Government Code section 8350 et seq.

ARTICLE 40. ASSIGNMENT

CONSULTANT shall not assign this Contract in whole or in part, voluntarily, by operation of law, or otherwise, without first obtaining the written consent of SBCTA. SBCTA’s exercise of consent shall be within its sole discretion. Any purported assignment without SBCTA’s prior written consent shall be void and of no effect, and shall constitute a material breach of this Contract. Subject to the foregoing, the provisions of this Contract shall extend to the benefit of and be binding upon the successors and assigns of the Parties.

ARTICLE 41. AMENDMENTS

The Contract may only be changed by a written amendment duly executed by the Parties. Work authorized under an amendment shall not commence until the amendment has been duly executed.

ARTICLE 42. PREVAILING WAGES

42.1 The State of California’s General Prevailing Wage Rates are not applicable to this Contract.

ARTICLE 43. CONTINGENT FEE

CONSULTANT warrants by execution of this Contract that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by CONSULTANT for the purpose of securing business. For breach or violation of this warranty, SBCTA has the right to terminate this Contract without liability, pay only for the value of the Work actually performed, or, in its discretion, to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

ARTICLE 44. FORCE MAJEURE

CONSULTANT shall not be in default under this Contract in the event that the Work performed by CONSULTANT is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, acts of terrorism, civil disturbances, insurrection, explosion, pandemics, quarantines, acts of God, acts of government or governmental restraint, and natural disasters such as floods, earthquakes, landslides, and fires, or other catastrophic events which are beyond the reasonable control of CONSULTANT and which CONSULTANT could not reasonably be expected to have prevented or controlled. “Other catastrophic events” does not include the financial inability of CONSULTANT to perform or failure of CONSULTANT to obtain either any necessary
permits or licenses from other governmental agencies or the right to use the facilities of any public utility where such failure is due solely to the acts or omissions of CONSULTANT.

ARTICLE 45. WARRANTY

CONSULTANT warrants that all Work performed shall be in accordance with the Contract and all applicable professional standards. In the event of a breach of this provision, CONSULTANT shall take the necessary actions to correct the breach at CONSULTANT’s sole expense. If CONSULTANT does not take the necessary action to correct the breach, SBCTA, without waiving any other rights or remedies it may have, may take the necessary steps to correct the breach, and the CONSULTANT shall promptly reimburse SBCTA for all expenses and costs incurred.

ARTICLE 46. ENTIRE DOCUMENT

46.1 This Contract constitutes the sole and only agreement governing the Work and supersedes any prior understandings, written or oral, between the Parties respecting the Project. All previous proposals, offers, and other communications, written or oral, relative to this Contract, are superseded except to the extent that they have been expressly incorporated into this Contract.

46.2 No agent, official, employee or representative of SBCTA has any authority to bind SBCTA to any affirmation, representation or warranty outside of, or in conflict with, the stated terms of this Contract, and CONSULTANT hereby stipulates that it has not relied, and will not rely, on same.

46.3 Both Parties have been represented or had the full opportunity to be represented by legal counsel of their own choosing in the negotiation and preparation of this Contract. Therefore, the language in all parts of this Contract will be construed, in all cases, according to its fair meaning, and not for or against either Party.

This prohibition does not apply to the awarding of contracts that are competitively bid. In addition, Directors and alternates cannot participate in any such matters if they have received more than $250 in campaign contributions within the last year from anyone financially interested in the Proceeding, such as Bidder and/or Bidder’s agent.

Pursuant to these requirements, Bidder shall disclose any campaign contribution in an amount of more than $250 made by Bidder, and/or Bidder’s agent, to any Director within 12 months from the date of these Bid Documents/Request for Proposals (as applicable). In addition, Bidder and/or Bidder’s agent shall not make a contribution of more than $250 to a Director or alternate during the Proceeding and for 3 months following the conclusion of the Proceeding.

The disclosure by Bidder, as set forth, herein, shall be incorporated into the written record of the Proceeding and shall be made available to the public for inspection and copying.
