The California Labor Code section 1770, et seq., requires that certain consultants on public works projects pay their workers based on the prevailing wage rates which are established and issued by the Department of Industrial Relations, ([http://www.dir.ca.gov](http://www.dir.ca.gov)). Proposers of this RFP agree to adhere to the Prevailing Wage requirement and use the wage schedules applicable at the time the work is performed, which can be obtained from the Department of Industrial Relations Internet site at ([http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm](http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm)).

There is a new public works Contractor Registration Program, which requires all consultants, contractors and subcontractors bidding and performing work on Public Works Projects based on the prevailing wage rates, to register on an annual basis (each July 1 through June 30 state fiscal year) with the California Department of Industrial Relations (DIR). Per this program, Proposers shall not be qualified to bid on, be listed in a bid proposal subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered Proposer to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the Proposer is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.

Effective March 1, 2015, any consultant or subconsultant who submits a proposal or performs work that requires the payment of prevailing wages under state law must be registered with Department of Industrial Relations. This includes not only work performed by the building and construction trades, but also other types of work, including trucking, surveying, and testing, if that work is subject to prevailing wage requirements.

If the contract is awarded, the firm awarded the contract will be required to comply with all applicable laws and regulations including but not limited to, equal opportunity laws and regulations. Firms using subconsultants are encouraged to subcontract with small and disadvantaged businesses to the maximum extent possible.

The award of this contract is subject to the availability, appropriation and receipt of federal, State and/or local funds sufficient to carry out the work identified in this RFP.
The award of this contract may be subject to Pre-Award Audit required by applicable funding agencies, including the California Department of Transportation (Caltrans), and/or SBCTA itself. A description of the Project is given below.

Project General Description:

The San Bernardino County Transportation Authority (SBCTA), in cooperation with the California Department of Transportation (Caltrans), County of San Bernardino and the Federal Highway Administration (FHWA), proposes to improve the Interstate 10 (I-10)/Cedar Avenue interchange from PM 17.8 to 19.3 in the unincorporated community of Bloomington.

The project objectives are to implement improvements that will enhance traffic operations and reduce existing traffic congestion on Cedar Avenue, especially at the ramp intersections. The proposed project improvements will include widening the existing Cedar Avenue overcrossing (OC) from 6 to 9 lanes, replacing the Union Pacific Railroad overhead (OH), widening Cedar Avenue from 4 to 6 through lanes, and realigning and/or widening the interchange entrance and exit ramps. On Cedar Avenue, the project limits extend from Bloomington Avenue on the north to Slover Avenue on the south. The project limits on I-10 begin at 0.7 miles (PM 17.8) west of the Cedar Avenue centerline and end at 0.8 miles (PM 19.3) east of the Cedar Avenue centerline, including eastbound auxiliary lanes for the entrance and exit ramps. In addition, Slover Avenue will be improved approximately 656 feet east and west of the centerline of Cedar Avenue.

Specific construction elements of the project improvements include the following features:

A. Widen Cedar Avenue between Bloomington Avenue and Orange Street from 4 to 6 through lanes; adding right turn lanes and vehicle storage for left turn lanes into the interchange entrance ramps; and adding bike lanes or shoulders on Cedar Avenue.

B. All the interchange ramps will be realigned towards the gore areas to allow spaces for future widening of the I-10 Express lanes project. The eastbound exit ramp will be widened from 2 to 3 lanes; and the westbound exit ramp will be widened from 2 to 4 lanes at the ramp termini respectively.

In the event of such termination by SBCTA, SBCTA may take possession of the products and finished Work by whatever method SBCTA may deem expedient. A waiver by SBCTA of one default of CONSULTANT shall not be considered to be a waiver of any subsequent default of CONSULTANT of the same or any other provision, nor be deemed to waive, amend, or modify this Contract.

6.2.2 CONSULTANT shall deliver to SBCTA all finished and unfinished deliverables under this Contract prepared by CONSULTANT or its subconsultants or furnished to CONSULTANT by SBCTA within ten (10) working days of said notice.

To the fullest extent permitted by law, CONSULTANT hereby waives all rights of recovery under subrogation against the Additional Insureds named herein, and any other consultant, subconsultant or sub-subconsultant performing work or rendering services on behalf of SBCTA, in connection with the planning, development and construction of the Project. To the fullest extent permitted by law, CONSULTANT shall require similar written express waivers and insurance clauses from each of its subconsultants of every tier. CONSULTANT shall require all of the policies and coverages required in this Article to waive all rights of subrogation against the Additional Insureds (ISO Form CG 24 04 05 09). Such insurance and coverages provided shall not prohibit CONSULTANT from waiving the right of subrogation prior to a loss or claim.

any reason, CONSULTANT will provide SBCTA thirty (30) days prior written notice of such cancellation or nonrenewal. If the policy is cancelled for nonpayment of premium, CONSULTANT will provide SBCTA ten (10) days prior written notice. 19.2.8 Enforcement. SBCTA may take any steps as are necessary to assure CONSULTANT’s compliance with its insurance obligations as identified within this Article. Failure to continuously maintain insurance coverage as provided herein is a material breach of contract. In the event the CONSULTANT fails to obtain or maintain any insurance coverage required, SBCTA may, but is not required to, maintain this coverage and charge the expense to the CONSULTANT or withhold such expense from amounts owed CONSULTANT, or terminate this Contract. The insurance required or provided shall in no way limit or relieve CONSULTANT of its duties and responsibility under the Contract, including but not limited to obligation to indemnify, defend and hold harmless the Indemnites named below. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONSULTANT for liability in excess of such coverage, nor shall it preclude SBCTA from taking other actions as available to it under any other provision of the Contract or law. Nothing contained herein shall relieve CONSULTANT, or any subconsultant of any tier of their obligations to exercise due care in the performance of their duties in connection with the Work, and to complete the Work in strict compliance with the Contract.

19.2.9 No Waiver. Failure of SBCTA to enforce in a timely manner any of the provisions of this Article shall not act as a waiver to enforcement of any of these provisions at a later date.

19.2.10 Subconsultant Insurance. Insurance required of the CONSULTANT shall be also provided by subconsultants or by CONSULTANT on behalf of all subconsultants to cover their services performed under this Contract. CONSULTANT may reduce types and the amounts of insurance limits provided by subconsultants to be proportionate to the amount of the subconsultant’s contract and the level of liability exposure for the specific type of work performed by the subconsultant. CONSULTANT shall be held responsible for all modifications, deviations, or omissions in these insurance requirements as they apply to subconsultant.

19.2.11 Higher limits. If CONSULTANT maintains higher limits than the minimums shown above, SBCTA shall be entitled to coverage for the higher limits maintained by CONSULTANT. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to SBCTA.

19.2.12 Special Risks or Circumstances. SBCTA reserves the right to modify any or all of the above insurance requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

CONSULTANT shall indemnify and defend (with legal counsel reasonably approved by SBCTA) SBCTA and its officers, employees, agents and volunteers from any and all losses, damages, liability, actions, and/or costs for claims that arise out of, pertain to, or are related to the negligence, recklessness, or willful misconduct of the design professional to the maximum extent permitted by Civil Code Section 2782.8.

20.2 For all other Work and obligations under this Contract, CONSULTANT agrees to indemnify, defend (with legal counsel reasonably approved by SBCTA) and hold harmless SBCTA, City of Bloomington, and its officers, employees, agents and volunteers (“Indemnitees”) from any and all claims, actions, losses, damages and/or liability (Claims) arising out of or related to any act or omission of CONSULTANT or any of its officers, employees, agents, subconsultants or volunteers, and for any costs or expenses incurred by SBCTA on account of any such Claims except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of indemnitees. CONSULTANT’s indemnification obligation applies to SBCTA’s “active” as well as “passive” negligence, but does not apply to SBCTA’s “sole negligence” or “willful misconduct” within the meaning of Civil Code Section 2782.

ARTICLE 21. OWNERSHIP OF DATA

21.1 Upon completion of all Work under this Contract, ownership and title to all reports, documents, plans, specifications, and estimates produced as part of this Contract will automatically be vested in SBCTA, and no further agreement will be necessary to transfer ownership to SBCTA. CONSULTANT shall furnish SBCTA all necessary copies as needed to complete the review and approval process.

21.2 It is understood and agreed that all calculations, drawings and specifications, whether in hard copy or machine-readable form, are intended for one-time use in the construction of the project for which this Contract has been entered into.

21.3 CONSULTANT is not liable for claims, liabilities, or losses arising out of or connected with the modification or misuse by SBCTA of the machine-readable information and date provided by CONSULTANT under this Contract; further, CONSULTANT is not liable for claims, liabilities, or losses arising out of or connected with any use by SBCTA of the project documentation for other projects or additions to this project, or for the completion of this project by others, except only such use as may be authorized in writing by CONSULTANT.

21.4 Applicable patent rights provisions regarding rights to inventions shall be included in the Contract as appropriate (48 CFR 27, subpart 27.3).

21.5 SBCTA may permit copyrighting reports or other agreement products. If copyrights are permitted, the Contract shall provide that the FHWA shall have the royalty-free nonexclusive and irrevocable right to reproduce, publish, or otherwise use, and to authorize others to use, the work for government purposes.
21.6 Any subcontract in excess of $25,000 entered into as a result of this Contract, shall contain all of the provisions of this Article.

**ARTICLE 22. CLAIMS FILED BY SBCTA’s CONSTRUCTION CONTRACTOR**

22.1 If claims are filed by SBCTA’s construction contractor relating to Work performed by CONSULTANT’s personnel, and additional information or assistance from CONSULTANT’s personnel is required in order to evaluate or defend against such claims, CONSULTANT agrees to make its personnel available for consultation with SBCTA and legal staff, and for testimony, if necessary, at depositions, administrative proceedings, trial or arbitration proceedings.

22.2 CONSULTANT’s personnel that SBCTA considers essential to assist in defending against construction contractor claims will be made available on reasonable notice from SBCTA. Consultation or testimony will be reimbursed at the same rates, including travel costs, that are being paid for the CONSULTANT’s personnel services under this Contract.

22.3 Services of the CONSULTANT’s personnel in connection with SBCTA’s construction contractor claims will be performed pursuant to a written contract amendment, if necessary, extending the termination date of this Contract in order to resolve the construction claims.

22.4 Any subcontract in excess of $25,000 entered into as a result of this Contract, shall contain all of the provisions of this Article.

**ARTICLE 23. CONFIDENTIALITY OF DATA**

23.1 All financial, statistical, personal, technical, or other data and information relative to SBCTA’s operations which are designated confidential by SBCTA and made available to CONSULTANT in order to carry out this Contract, shall be protected by CONSULTANT from unauthorized use and disclosure. CONSULTANT agrees to inform itself and makes its employees, agents, and subconsultants aware of the requirements of SBCTA’s privacy and confidentiality policies and to abide by the same. CONSULTANT further agrees to require all employees, agents, and subconsultants to sign an SBCTA Confidentiality Agreement as directed by SBCTA personnel.

23.2 Neither permission to disclose information on one occasion, nor public hearing held by SBCTA relating to the Contract shall authorize CONSULTANT to further disclose such information or disseminate the same on any other occasion.

23.3 CONSULTANT shall not comment publicly to the press or any other media, including social media, regarding the Contract or SBCTA’s actions on the same, except to SBCTA’s staff, CONSULTANT’s own personnel involved in the performance of this Contract, at public hearings, or in response to questions from a SBCTA Board Committee or other public meeting approved by SBCTA.

23.4 CONSULTANT shall not issue any news release or public relations item of any nature whatsoever regarding Work performed or to be performed under this Contract without first obtaining SBCTA’s review and written permission.

23.5 Any SBCTA communications or materials to which CONSULTANT or its subconsultants or agents have access and materials prepared by CONSULTANT under the terms of this contract...
Contract shall be held in confidence by CONSULTANT, who shall exercise reasonable precautions to prevent the disclosure of confidential information to anyone except as expressly authorized by SBCTA. Any communications with or work product of SBCTA’s legal counsel to which CONSULTANT or its subconsultants or agents have access in performing work under this Contract shall be subject to the attorney-client privilege and attorney work product doctrine, and shall be confidential. CONSULTANT shall not release any reports, information or promotional material or allow for the use of any photos related to this Contract for any purpose without prior written approval of SBCTA.

23.6 Any subcontract entered into as a result of this Contract shall contain all of the provisions of this Article.

ARTICLE 24. NATIONAL LABOR RELATIONS BOARD CERTIFICATION

In accordance with Public Contract Code Section 10296, CONSULTANT hereby states under penalty of perjury that no more than one final unappealable finding of contempt of court by a federal court has been issued against CONSULTANT within the immediately preceding two-year period, because of CONSULTANT’s failure to comply with an order of a federal court that orders CONSULTANT to comply with an order of the National Labor Relations Board.

ARTICLE 25. EVALUATION OF CONSULTANT

CONSULTANT’s performance may be evaluated by SBCTA. A copy of the evaluation will be sent to CONSULTANT for comments. The evaluation and any comments submitted shall be retained as part of the Contract file. This information may be used when evaluating the firm on future proposal submittals.

ARTICLE 26. RETENTION OF FUNDS

26.1 Any subcontract entered into as a result of this Contract shall contain all of the provisions of this Article.

26.2 SBCTA shall hold retainage from CONSULTANT and shall make prompt and regular incremental acceptances of portions, as determined by SBCTA, of the Work, and pay retainage to CONSULTANT based on these acceptances. CONSULTANT, or subconsultant, shall return all monies withheld in retention from a subconsultant within thirty (30) days after receiving payment for Work satisfactorily completed and accepted, including incremental acceptances of portions of the Work by SBCTA. Federal law (49 CFR 26.20) requires that any delay or postponement of payment over thirty (30) days may take place only for good cause and with SBCTA’s prior written approval. These requirements shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the CONSULTANT or subconsultant in the event of a dispute involving late payment or non-payment by the CONSULTANT, deficient subconsultant performance, or noncompliance by a subconsultant. This provision applies to both DBE and non-DBE consultants and subconsultants.

ARTICLE 27. RESPONSIBILITY OF CONSULTANT

27.1 CONSULTANT shall be responsible for the professional quality, technical accuracy, and the assurance of compliance with all applicable federal, State, and local laws and regulations,
and other Work furnished by the CONSULTANT under the Contract. The Contract includes reference to the appropriate standards for design or other standards for Work performance stipulated in the Contract.

27.2 In addition to any other requirements of this Contract or duties and obligations imposed on CONSULTANT by law, CONSULTANT shall, as an integral part of its Work, employ quality control procedures that identify potential risks and uncertainties related to scope, schedule, cost, quality and safety of the Project and the Work performed by CONSULTANT within the areas of CONSULTANT’s expertise. Risks that may be encountered include, but are not limited to, soil conditions, constructability, factors of safety, impact on adjacent properties, public safety, and environmental considerations. At any time during performance of the Scope of Work, should CONSULTANT observe, encounter, or identify any unusual circumstances or uncertainties, which could pose potential risk to SBCTA or the Project. CONSULTANT shall immediately document such matters and notify SBCTA in writing. CONSULTANT shall also similarly notify SBCTA as to the possibility of any natural catastrophe, potential failure, or any situation that exceeds environmental, design, and/or construction assumptions and could precipitate a failure of any structure or other part of the Project. Notifications under this paragraph shall be specific, clear and timely, and in a form which enables SBCTA to understand and evaluate the magnitude and effect of the risk and/or uncertainties involved.

27.3 When a modification to a construction contract is required because of an error or deficiency in the design Work provided under this Contract, CONSULTANT shall be responsible for any and all additional costs associated with the construction contract or the construction of the Project.

27.4 SBCTA shall advise CONSULTANT of their responsibility and collect the amount due, including but not limited to, withholding of payments, if the recoverable cost will exceed the administrative cost involved or is otherwise in SBCTA’s best interest. SBCTA shall include in the Contract Audit File a written statement of the reasons for the decision to recover or not recover the costs from CONSULTANT.

27.5 CONSULTANT shall document the results of the Work to the satisfaction of SBCTA, and if applicable, Caltrans and FHWA. This may include preparation of progress and final reports, plans, specifications and estimates, or similar evidence of attainment of SBCTA’s objectives.

27.6 As applicable, the responsible consultant/engineer shall sign all plans, specifications, estimates (PS&E) and engineering data furnished by him/her, certify as-built drawings, and where appropriate, indicate his/her California registration or license number.

ARTICLE 28. TECHNICAL DIRECTION

28.1 Performance of Work under this Contract shall be subject to the technical direction of SBCTA’s Project Manager, who will be identified in writing to CONSULTANT upon issuance of the NTP and/or subsequently by written notice during the Contract. The term "Technical Direction" is defined to include, without limitation:

28.1.1 Directions to CONSULTANT which redirect the Contract effort, shift work emphasis between work areas or tasks, require pursuit of certain lines of inquiry, fill
in details or otherwise serve to accomplish the contractual Scope of Work.

28.1.2 Provision of written information to CONSULTANT which assists in the interpretation of drawings, reports, or technical portions of the Scope of Work described herein.

28.1.3 Review and, where required by the Contract, approval of technical reports, drawings, specifications and technical information to be delivered by CONSULTANT to SBCTA under the Contract.

28.1.4 SBCTA may modify this Contract for certain administrative modifications without issuing a written amendment. Administrative modifications as defined herein are limited to: substitutions of personnel identified in this Contract, including Key Personnel and project personnel and subconsultants; modifications to hourly rates, classifications, and names of personnel in Exhibit B; and modifications of the address of the CONSULTANT. All administrative modifications shall be documented in writing between the Parties.

28.2 Technical Direction must be within the Scope of Work under this Contract. SBCTA’s Project Manager does not have the authority to, and may not, issue any Technical Direction which:

28.2.1 Increases or decreases the Scope of Work;

28.2.2 Directs CONSULTANT to perform Work outside the original intent of the Scope of Work;

28.2.3 In any manner causes an increase or decrease in the Contract price as identified in this Contract, or the time required for Contract performance unless expressly authorized by SBCTA policy;

28.2.4 Changes any of the expressed terms, conditions or specifications of the Contract, unless identified herein;

28.2.5 Interferes with the CONSULTANT's right to perform the terms and conditions of the Contract; or

28.2.6 Approves any demand or claim for additional payment.

28.3 Failure of CONSULTANT and SBCTA’s Project Manager to agree that the Technical Direction is within the scope of the Contract, or a failure to agree upon the Contract action to be taken, shall be subject to the provisions of the “DISPUTES” Article herein.

28.4 All Technical Direction shall be issued in writing by SBCTA’s Project Manager.

28.5 CONSULTANT shall proceed promptly with the performance of Technical Direction issued by SBCTA’s Project Manager, in the manner prescribed by this Article and within their authority under the provisions of this Article. If, in the opinion of CONSULTANT, any instruction or direction by SBCTA’s Project Manager falls within one of the categories defined in 27.2.1 through 27.2.6, CONSULTANT shall not proceed but shall notify SBCTA in writing within five (5) working days after receipt of any such instruction or direction and
shall request SBCTA to modify the Contract accordingly. Upon receiving the notification from the CONSULTANT, SBCTA shall:

28.5.1 Advise CONSULTANT in writing within thirty (30) calendar days after receipt of the CONSULTANT's letter that the Technical Direction is or is not within the scope of this Contract.

28.5.2 Advise CONSULTANT within a reasonable time whether SBCTA will or will not issue a written amendment.

ARTICLE 29. KEY PERSONNEL

The personnel specified below are considered to be essential to the Work being performed under this Contract. Prior to diverting any of the specified individuals to other projects or reallocating any tasks or hours of Work that are the responsibility of key personnel to other personnel, CONSULTANT shall notify SBCTA in writing in advance and shall submit justifications (including proposed substitutions, resumes and payroll information to support any changes to the labor rate) in sufficient detail to permit evaluation of the impact on the Project. Diversion or reallocation of key personnel shall not be made without prior written consent of SBCTA. CONSULTANT shall not substitute any key personnel without the prior written consent of SBCTA. In the event that the Parties cannot agree as to the substitution of key personnel, SBCTA may terminate the Contract. Key Personnel are:

ARTICLE 32. PERMITS AND LICENSES

CONSULTANT shall, without additional compensation, keep current all governmental permits, certificates and licenses (including professional licenses) and required registrations necessary for CONSULTANT to perform Work identified herein.

In addition, the contractor and all subcontractors will ensure their services are consistent with and comply with obligations and procedures outlined in SBCTA’s current Board-adopted Title VI Program, including the Public Participation Plan and the Language Assistance Plan.

ARTICLE 34. STATE PREVAILING WAGE RATES

34.2 Any subcontract entered into as a result of this Contract if for more than $25,000 for public works construction or more than $15,000 for the alteration, demolition, repair, or maintenance of public works, shall contain all of the provisions of this Article.

34.3 When prevailing wages apply to services described in the Scope of Work, transportation and subsistence costs shall be reimbursed at the minimum rates set by the Department of Industrial Relations (DIR) as outlined in the applicable Prevailing Wage Determination. See http://www.dir.ca.gov.
ARTICLE 35. CONFLICT OF INTEREST

35.1 CONSULTANT shall disclose any financial, business, or other relationship with SBCTA that may have an impact upon the outcome of this Contract, or any ensuing SBCTA construction project. CONSULTANT shall also list current clients who may have a financial interest in the outcome of this Contract, or any ensuing SBCTA construction project, which will follow.

35.2 CONSULTANT hereby certifies that it does not now have, nor shall it acquire, any financial or business interest that would conflict with the performance of services under this Contract. CONSULTANT agrees that it presently has no interest, financial or otherwise, and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of Work required under this Contract or be contrary to the interests of SBCTA as to the Project. CONSULTANT further agrees that in the performance of this Contract no person having any such interest shall be employed. CONSULTANT is obligated to fully disclose to SBCTA, in writing, any conflict of interest issues as soon as they are known to CONSULTANT. CONSULTANT agrees that CONSULTANT’s staff designated by SBCTA’s Executive Director as “Consultants” under the Political Reform Act shall timely file Statements of Economic Interest with the SBCTA Clerk of the Board.

35.3 Any subcontract in excess of $25,000 entered into as a result of this Contract shall contain all of the provisions of this Article.

35.4 CONSULTANT hereby certifies that neither CONSULTANT, its employees, nor any firm affiliated with CONSULTANT providing services on this project prepared the Plans, Specifications, and Estimate for any construction project included within this Contract. An affiliated firm is one subject to the control of the same persons through joint ownership or otherwise.

35.5 CONSULTANT further certifies that neither CONSULTANT nor any firm affiliated with CONSULTANT will bid on any construction subcontracts included within the construction contract. Additionally, CONSULTANT certifies that no person working under this Contract is also employed by the construction contractor for any project included within this Contract.

The Parties agree that the venue for any action or claim brought by any Party to this Contract will be the Superior Court of California, San Bernardino County. Each Party hereby waives any law or rule of court, which would allow them to request or demand a change of venue. If any action or claim concerning this Contract is brought by any third party, the Parties hereto agree to use their best efforts to obtain a change of venue to the Superior Court of California, San Bernardino County.

ARTICLE 45. FEDERAL, STATE AND LOCAL LAWS

SAN BERNARDINO COUNTY TRANSPORTATION AUTHORITY
DISCLOSURE OF CAMPAIGN CONTRIBUTIONS TO BOARD OF DIRECTORS

Government Code Section 84308, 2 California Code of Regulations 18438.1, et seq.

No Member of the Board of Directors or alternates of the San Bernardino County Transportation Authority shall receive or solicit a campaign contribution of more than $250 from Bidder or Bidder’s agent during the time of: 1) Bid solicitation; 2) Consideration of Bids received; and 3) Awarding of a contract or execution of a purchase and sale agreement based on a Bid (collectively referred to as the “Proceeding”), and for 3 months following the conclusion of the Proceeding. This prohibition does not apply to the awarding of contracts that are competitively bid. In addition, Directors and alternates cannot participate in any such matters if they have received more than $250 in campaign contributions within the last year from anyone financially interested in the Proceeding, such as Bidder and/or Bidder’s agent.

Pursuant to these requirements, Bidder shall disclose any campaign contribution in an amount of more than $250 made by Bidder, and/or Bidder’s agent, to any Director within 12 months from the date of these Bid Documents/Request for Proposals (as applicable). For the purpose of this disclosure obligation, contributions made by Bidder within the preceding 12 months shall be aggregated with those made by Bidder’s agent within the preceding 12 months or the period of the agency relationship between the Bidder and Bidder’s agent, whichever is shorter. In addition, Bidder and/or Bidder’s agent shall not make a contribution of more than $250 to a Director or alternate during the Proceeding and for 3 months following the conclusion of the Proceeding.

The disclosure by Bidder, as set forth, herein, shall be incorporated into the written record of the Proceeding and shall be made available to the public for inspection and copying.

1. Have you or your company, or any agent on behalf of you or your company, made any political contributions of more than $250 to any SBCTA Director or alternate in the 12 months preceding the date of issuance of this Request for Bids/Requests for Proposals?

_____ YES _____ NO

Board Member Name: ___________________________________________ Date: ________________

2. Do you or your company, or any agency on behalf of you or your company, anticipate or plan to make any political contributions of more than $250 to any Board member or alternate?

_____ YES _____ NO

Board Member Name: ___________________________________________ Date: ________________

Answering yes to either of the two questions above does not preclude SBCTA from awarding a bid to your firm. It does, however, preclude the identified Board member or alternate from participating in the Bid/contract award process for this Bid/contract.

A current list of the Board of Directors and alternates of the San Bernardino County Transportation Authority is attached as Attachment A.
