A bidder or authorized agent of a bidder may withdraw its bid at any time before the bid opening date and time by submitting a written request to SBCTA, Attn: Procurement Manager, at the address identified in this IFB. BID FORM 21-1002620

The undersigned hereby acknowledges the following:

1. The Project Plans dated **June 21, 2021**, Invitation for Bid, and Special Provisions dated **June 21, 2021**, for the work to be done are entitled:

CONSTRUCTION OF I-10 & ALABAMA STREET INTERCHANGE IMPROVEMENTS PROJECT

This bid is submitted with respect to the changes to the IFB documents included in the Addenda issued. Bidder further acknowledges the receipt of the following Addenda Number(s): insert number(s) _____.

2. The bidder has thoroughly examined and is familiar with the work required by and the documents contained within this IFB. By investigation at the site of the work and otherwise, the bidder is satisfied as to the nature and location of the work and is fully informed as to all conditions and matters which can affect the work performed and the cost thereof.
3. Bidder fully understands the scope of the work and specifications identified in this IFB, has carefully checked all words and figures inserted in this IFB, and further understands that SBCTA will not be liable for any errors or omissions in the preparation of this bid.
4. Bids are required for the entire work. The amount of the bid for comparison purposes will be the total of all items. The total of unit basis items will be determined by extension of the item price bid on the basis of the estimated quantity set for the item.
5. The bidder shall set forth for each unit basis item of work a unit price and a total for the item, and for each lump sum item a total for the item, all in clearly legible figures in the respective spaces provided for that purpose. In the case of unit basis items, the amount set forth under the "Item Total" column shall be the product of the unit price bid and the estimated quantity for the item.
6. In case of discrepancy between the unit price and the total set forth for a unit basis item, the unit price shall prevail, except as provided in (a) or (b) as follows:
 - (a) If the amount set forth as a unit price is unreadable or otherwise unclear, or is omitted, or is the same as the amount of the entry in the item total column, then the amount set forth in the item total column for the item shall prevail and shall be divided by the estimated quantity for the item and the price thus obtained shall be the unit price;
 - (b) (Decimal errors) If the product of the entered unit price and the estimated quantity is exactly off by a factor of ten, one hundred, etc., or one-tenth, one-hundredth, etc., from the entered total, the discrepancy will be resolved using the entered unit price or item total, whichever most closely approximates percentage-wise the unit price or item total in SBCTA's final estimate of cost.

If both the unit price and the item total are unreadable or otherwise unclear, or are omitted, the bid may be deemed irregular. Likewise, if the item total for a lump sum item is unreadable or otherwise unclear, or is omitted, the bid may be deemed irregular unless the project being bid has only a single item and a clear, readable total bid is provided. Symbols such as commas and dollar signs will be ignored and have no mathematical significance in establishing any unit

price or item total or lump sums. Written unit prices, item totals, and lump sums will be interpreted according to the number or digits and, if applicable, decimal placement. Cents symbols also have no significance in establishing any unit price or item total, since all figures are assumed to be expressed in dollars and/or decimal fractions of a dollar. Bids on lump sum items shall be item totals only; if any unit price for a lump sum item is included in a bid and it differs from the item total, the item's total shall prevail.

The foregoing provisions for the resolution of specific irregularities cannot be so comprehensive as to cover every omission, inconsistency, error, or other irregularity which may occur in a bid. Any situation not specifically provided for will be determined in the discretion of SBCTA, and that discretion will be exercised in the manner deemed by SBCTA to best protect the public interest in the prompt and economical completion of the work. The decision of SBCTA respecting the amount of a bid or the existence or treatment of an irregularity in a bid shall be final.

7. If this Bid is accepted and the undersigned fails to execute the Contract and furnish the Performance and Payment bonds, insurance certificates, and the Required Documents within ten (10) working days, not including legal holidays, after the date of SBCTA's delivery to Bidder of the Notice of Award, SBCTA may, at its option, determine that the Bidder has abandoned the Contract, and thereupon this Bid and the acceptance thereof shall be null and void and the forfeiture of the bid security accompanying this Bid shall operate and the same shall become the property of SBCTA.
8. The undersigned, as Bidder, declares that the only persons or parties interested in this Bid as principals are those named herein; that this bid is made without collusion with any other person, firm or corporation; that the Bidder has carefully examined the location of the proposed work, the Contract, any addenda issued, and the plans referred to herein, having become thoroughly familiar with the terms and conditions of the Contract Documents and with the local conditions affecting the performance and cost of the work at the place where the Work is to be done; and the bidder hereby proposes, and agrees if this bid is accepted, that the Bidder will contract with SBCTA, in the form of the copy of the Contract annexed hereto, to provide all necessary labor, machinery, tools, apparatus, and other means of construction, and to do all the work and furnish all the materials specified in the Contract, in the manner and time therein prescribed, and in accordance with the requirements of SBCTA as herein set forth, and that he/she will accept as full payment therefore the following prices, to wit:

ATTACHMENT “A” CONTRACT

CONTRACT 21-1002620

BY AND BETWEEN

SAN BERNARDINO COUNTY TRANSPORTATION AUTHORITY

AND

FOR

**CONSTRUCTION OF I-10 & ALABAMA STREET
INTERCHANGE IMPROVEMENTS PROJECT**

This contract (“Contract”) is effective on the Effective Date as defined herein, by and between San Bernardino County Transportation Authority (“SBCTA”), whose address is 1170 W. 3rd Street, 2nd Floor, San Bernardino, California 92410-1715, and _____ (“CONTRACTOR”) whose address is _____. SBCTA and CONTRACTOR are each a “Party” and collectively the “Parties” herein.

RECITALS:

WHEREAS, SBCTA has determined that it requires construction of I-10 Alabama Street Interchange Improvements Project; and

WHEREAS, the work described herein cannot be performed by the employees of SBCTA; and

WHEREAS, CONTRACTOR has certified that they have the requisite personnel, experience, materials, and equipment and is fully capable and qualified to perform all work described herein identified herein; and

WHEREAS, CONTRACTOR desires to perform all work identified herein and to do so for the compensation and in accordance with the terms and conditions set forth in this contract.

NOW, THEREFORE, the Parties hereto agree as follows:

ARTICLE 1. CONTRACT DOCUMENTS

The complete Contract includes all of the following Contract Documents: the Contract Articles; Invitation for Bids 21-1002620 (IFB) dated **June 23, 2021** bid dated **August 5, 2021**; the Labor Surcharge and Equipment Rental Rates in effect on the date the work is accomplished; Project Plans and Specifications dated **June 21, 2021**; Addenda Nos. ____; Special Provisions dated **June 21, 2021**; and Performance and Payment Bonds.

ARTICLE 2. BONDS

CONTRACTOR will furnish a Payment bond, in the form provided by SBCTA in the IFB, in an amount equal to one hundred percent (100%) of the contract price, and a faithful Performance bond in the form provided by SBCTA in the IFB, in an amount equal to one hundred percent (100%) of the contract price; said bonds to be secured from a surety company satisfactory to SBCTA within ten (10) working days of the date of SBCTA's delivery to CONTRACTOR of the Notice of Award this Contract and prior to the commencement of work under this Contract. Bonds shall remain in full force and effect for a period of one (1) year following the date of filing of the Notice of Completion. Notwithstanding any other provision set forth in this Contract, performance by a Surety or Guarantor of any obligation of CONTRACTOR shall not relieve CONTRACTOR of any of its obligations there under.

ARTICLE 3. PROMPT PAYMENT/RETENTION

CONTRACTOR is required to pay all subcontractors for satisfactory performance of their work no later than 7 days from the date CONTRACTOR receives payment from SBCTA. SBCTA shall hold retainage from CONTRACTOR of five percent (5%) from each invoice and shall make prompt and regular incremental acceptances of portions, as determined by SBCTA, of the contract work and pay retainage to the CONTRACTOR based on these acceptances. The CONTRACTOR or subcontractor(s) shall return all monies withheld in retention from all subcontractors within 30 days after receiving payment for work satisfactorily completed and accepted including incremental acceptances of portions of the contract work. Any delay or postponement of payment may take place only for good cause and with SBCTA's prior written approval. Any violation of these provisions shall subject CONTRACTOR to the penalties, sanctions, and other remedies specified in section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies otherwise available to the CONTRACTOR or subcontractor in the event of: a dispute involving late payment or nonpayment by the CONTRACTOR; deficient subcontractor performance; and/or non-compliance by a subcontractor. This Article applies to DBE and non-DBE sub-contractors.

ARTICLE 4. COMPENSATION

4.1 SBCTA agrees to pay, and CONTRACTOR agrees to accept as full payment for the work outlined in the Contract documents, the sum of **(Write out Dollar Amount) \$(Enter Numeric Amount)**, including without limitation any compensation due for unit price work which shall be calculated as the actual number of such units performed multiplied by the unit price, subject to additions and deductions, if any, in accordance with said documents. Progress payments shall not be made more often than once each thirty (30) days, nor shall the amount paid be in excess of ninety-five percent (95%) of either the pro-rata amount due for completed work as the progress payment date, or of the full payment amount of the Contract at time of completion. Payment requests shall not be deemed properly completed unless certified payrolls and any other mandatory submittals have been properly completed and submitted for each week worked during the time period covered by said payment request. Final payment to be made after acceptance of the Project. The Bid Schedule presented on the next page is

incorporated into this Contract by this reference.

- 4.2 Pursuant to California Public Contract Code section 22300, CONTRACTOR has the option to deposit securities with an Escrow Agent acceptable to SBCTA as a substitute for retention earnings required to be withheld. Alternatively, CONTRACTOR may submit a written request to SBCTA, who shall make payments of the retention amount directly to the Escrow Agent. The market value of the securities deposited at the time of substitution shall be at least equal to the cash amount required to be withheld as retention under this Contract. CONTRACTOR shall be responsible for paying all fees incurred by the Escrow Agent in administering the Escrow Account. Securities eligible for investment under this section shall include those listed in section 16430 of the Government Code.
- 4.3 In addition, on any partial payment made after 95 percent of the work has been completed, SBCTA may reduce the amount withheld from payment pursuant to the requirements of this Article to such lesser amount as SBCTA determines is adequate security for the fulfillment of the balance of the work and other requirements of the contract, but in no event will that amount be reduced to less than 125 percent of the estimated value of the work yet to be completed as determined by the Engineer. A reduction in retention will only be made upon the written request of the Contractor and shall be approved in writing by the surety on the Performance Bond and by the surety on the Payment Bond. The approval of the surety shall be submitted to SBCTA and the signature of the person executing the approval for the surety shall be properly acknowledged and the power of attorney authorizing the person to give that consent must either accompany the document or be on file with SBCTA.

ARTICLE 5. TAXES, DUTIES AND FEES

Except to the extent expressly provided elsewhere in this Contract, CONTRACTOR shall pay when due, and the compensation set forth in this Contract shall be inclusive of, all: a) local, municipal, State, and federal sales and use taxes; b) excise taxes; c) taxes on personal property owned by CONTRACTOR; and d) all other governmental fees and taxes or charges of whatever nature applicable to CONTRACTOR to enable it to conduct business.

ARTICLE 6. AVAILABILITY OF FUNDS

The award and performance of this Contract is contingent on the availability of funds. If funds are not appropriated and/or allocated and available to SBCTA for the continuance of work performed by the CONTRACTOR, work directly or indirectly involved may be suspended or terminated by SBCTA at the end of the period for which funds are available. When SBCTA becomes aware that any portion of work will or may be affected by a shortage of funds, it will promptly notify CONTRACTOR. Nothing herein shall relieve SBCTA from its obligation to compensate CONTRACTOR for work already performed pursuant to this Contract. No penalty shall accrue to SBCTA in the event this provision is exercised.

ARTICLE 7. PERMITS AND LICENSES

CONTRACTOR agrees that he/she is currently the holder of a valid license as a CONTRACTOR in the State of California and that the license is the correct class of license for the work described in the project plans and specifications. CONTRACTOR further agrees to maintain license through the entire duration of Contract without additional compensation from SBCTA. CONTRACTOR also agrees to keep current, as required by the "Notice to Bidders and Special Provisions", all permits required throughout the duration of the Project.

ARTICLE 8. DOCUMENTATION AND RIGHT TO AUDIT

CONTRACTOR shall provide SBCTA and its authorized representatives or agents access to CONTRACTOR's records which are directly related to this Contract for the purpose of inspection, auditing or copying. CONTRACTOR shall maintain all records related to this Contract in an organized way in the original format, electronic and hard copy, conducive to professional review and audit, for a period of three (3) years from the date of final payment by SBCTA, except in the event of litigation or settlement of claims arising out of this Contract in which case CONTRACTOR agrees to maintain records through the conclusion of all such litigation, appeals or claims related to this Contract. CONTRACTOR further agrees to maintain separate records for costs of work performed by change order. CONTRACTOR shall allow SBCTA, its representatives and agents to reproduce any materials as reasonably necessary.

ARTICLE 9. SCHEDULE

CONTRACTOR agrees to complete the work within the time period as stipulated in the Special Provisions attached herein. CONTRACTOR shall incur no costs (excluding insurance and bonds) and shall not perform or furnish any work, services or equipment under this Contract, unless and until SBCTA has issued a written Notice to Proceed (NTP).

ARTICLE 10. NONDISCRIMINATION/ EQUAL EMPLOYMENT OPPORTUNITY

10.1 CONTRACTOR agrees to comply with the Equal Employment Opportunity (EEO) provisions of this Article.

10.1.1 CONTRACTOR will work with SBCTA in carrying out EEO obligations and in SBCTA's review of his/her activities under the Contract.

10.2 CONTRACTOR will accept as its operating policy the following statement: "It is the policy of this company to assure that applicants are employed, and that employees are treated during employment, without regard to their race, religion, sex, color, national origin, age or disability. Such action shall include: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship, pre-apprenticeship, and/or on-the-job training."

10.2.1 EEO Officer: CONTRACTOR will designate and submit to SBCTA in writing the EEO Officer who will have the responsibility for and must be capable of effectively administering and promoting an active CONTRACTOR program of EEO and who must be assigned adequate SBCTA and responsibility to do so.

10.3 Dissemination of Policy: All employees of the CONTRACTOR who are authorized to hire, supervise, promote, and discharge employees, or who recommend such action, or who are substantially involved in such action, will be made fully cognizant of, and will implement, the CONTRACTOR's EEO policy and contractual responsibilities to provide EEO in each grade and classification of employment. To ensure that the above agreement will be met, the following actions will be taken as a minimum:

10.3.1 Periodic meetings of supervisory and personnel office employees will be conducted before the start of work and then not less often than once every six months, at which time the CONTRACTOR's EEO policy and its implementation will be reviewed and explained. The meetings will be conducted by the EEO Officer.

10.3.2 All new supervisory or personnel office employees will be given a thorough indoctrination by the EEO Officer, covering all major aspects of the CONTRACTOR's EEO obligations within thirty days following their reporting for duty with the CONTRACTOR.

10.3.3 All personnel who are engaged in direct recruitment for the project will be instructed by the EEO Officer in the CONTRACTOR's procedures for locating and hiring minority group employees.

10.3.4 Notices and posters setting forth the CONTRACTOR's EEO policy will be placed in areas readily accessible to employees, applicants for employment and potential employees.

10.3.5 CONTRACTOR's EEO policy and the procedures to implement such policy will be brought to the attention of employees by means of meetings, employee handbooks, or other appropriate means.

10.4 Recruitment: When advertising for employees, CONTRACTOR will include in all

advertisements for employees the notation: "An Equal Opportunity Employer." All such advertisements will be placed in publications having a large circulation among minority groups in the area from which the project work force would normally be derived.

10.4.1 CONTRACTOR will, unless precluded by a valid bargaining agreement, conduct systematic and direct recruitment through public and private employee referral sources likely to yield qualified minority group applicants. To meet this requirement, CONTRACTOR will identify sources of potential minority group employees, and establish with such identified sources procedures whereby minority group applicants may be referred to CONTRACTOR for employment consideration.

10.4.2 In the event CONTRACTOR has a valid bargaining agreement providing for exclusive hiring hall referrals, it is expected to observe the provisions of that agreement to the extent that the system permits CONTRACTOR's compliance with EEO contract provisions. (The DOL has held that where implementation of such agreements has the effect of discriminating against minorities or women, or obligates the CONTRACTOR to do the same, such implementation violates Executive Order 11246, as amended.)

10.4.3 CONTRACTOR will encourage his present employees to refer minority group applicants for employment. Information and procedures with regard to referring minority group applicants will be discussed with employees.

10.5 Personnel Actions: Wages, working conditions, and employee benefits shall be established and administered, and personnel actions of every type, including hiring, upgrading, promotion, transfer, demotion, layoff, and termination, shall be taken without regard to race, color, religion, sex, national origin, age or disability. The following procedures shall be followed:

10.5.1 CONTRACTOR will conduct periodic inspections of project sites to insure that working conditions and employee facilities do not indicate discriminatory treatment of project site personnel.

10.5.2 CONTRACTOR will periodically evaluate the spread of wages paid within each classification to determine any evidence of discriminatory wage practices.

10.5.3 CONTRACTOR will periodically review selected personnel actions in depth to determine whether there is evidence of discrimination. Where evidence is found, the CONTRACTOR will promptly take corrective action. If the review indicates that the discrimination may extend beyond the actions reviewed, such corrective action shall include all affected persons.

10.5.4 CONTRACTOR will promptly investigate all complaints of alleged discrimination made to the CONTRACTOR in connection with his obligations under this Contract, will attempt to resolve such complaints, and will take appropriate corrective action within a reasonable time. If the investigation indicates that the discrimination may affect persons other than the complainant, such corrective action shall include such other persons. Upon completion of each investigation, the CONTRACTOR will inform every complainant of all of his avenues of appeal.

10.6 Training and Promotion: CONTRACTOR will assist in locating, qualifying, and increasing the skills of minority group and women employees, and applicants for employment.

10.6.1 Consistent with CONTRACTOR's work force requirements and as permissible under Federal and State regulations, the CONTRACTOR shall make full use of training programs, i.e., apprenticeship and on-the-job training programs for the geographical area of contract performance. Where feasible, 25 percent of apprentices or trainees in each occupation shall be in their first year of apprenticeship or training. In the event a special provision for training is provided under this contract, this subparagraph will be superseded as indicated in the special provision.

10.6.2 CONTRACTOR will advise employees and applicants for employment of available training programs and entrance requirements for each.

10.6.3 CONTRACTOR will periodically review the training and promotion potential of minority group and women employees and will encourage eligible employees to apply for such training and promotion.

10.7 Unions: If CONTRACTOR relies in whole or in part upon unions as a source of employees, CONTRACTOR will use his/her best efforts to obtain the cooperation of such unions to increase opportunities for minority groups and women within the unions, and to effect referrals by such unions of minority and female employees. Actions by CONTRACTOR either directly or through a CONTRACTOR's association acting, as agent will include the procedures set forth below:

10.7.1 CONTRACTOR will use best efforts to develop, in cooperation with the unions, joint training programs aimed toward qualifying more minority group members and women for membership in the unions and increasing the skills of minority group employees and women so that they may qualify for higher paying employment.

10.7.2 CONTRACTOR will use best efforts to incorporate an EEO clause into each union agreement to the end that such union will be contractually bound to refer applicants without regard to their race, color, religion, sex, national origin, age or disability.

10.7.3 CONTRACTOR is to obtain information as to the referral practices and policies of the labor union, except that to the extent such information is within the exclusive possession of the labor union and such labor union refuses to furnish such information to CONTRACTOR, CONTRACTOR shall so certify to SBCTA and shall set forth what efforts have been made to obtain such information.

10.7.4 In the event the union is unable to provide CONTRACTOR with a reasonable flow of minority and women referrals within the time limit set forth in the collective bargaining agreement, CONTRACTOR will, through independent recruitment efforts, fill the employment vacancies without regard to race, color, religion, sex, national origin, age or disability; making full efforts to obtain qualified and/or qualifiable minority group persons and women. (The DOL has held that it shall be no excuse that the union with which CONTRACTOR has a collective bargaining agreement providing for exclusive referral failed to refer minority employees.) In the event the union referral practice prevents CONTRACTOR from meeting these

obligations, such CONTRACTOR shall immediately notify SBCTA.

10.8 CONTRACTOR shall not discriminate on the grounds of race, color, religion, sex, national origin, age or disability in the selection and retention of subcontractors, including procurement of materials and leases of equipment. CONTRACTOR shall notify all potential subcontractors and suppliers of his/her EEO obligations under this Contract. Disadvantaged Business Enterprises (DBE), as defined in 49 CFR Part 26, shall have equal opportunity to compete for and perform subcontracts the CONTRACTOR enters into pursuant to this contract. CONTRACTOR will use his best efforts to solicit bids from and to utilize DBE subcontractors or subcontractors with meaningful minority group and female representation among their employees. CONTRACTOR shall obtain lists of DBE construction firms from SBCTA. CONTRACTOR will use his best efforts to ensure subcontractor compliance with their EEO obligations.

10.9 Records and Reports: CONTRACTOR shall keep such records as necessary to document compliance with the EEO requirements. Such records shall be retained for a period of three (3) years following completion of the contract work and shall be available at reasonable times and places for inspection by authorized representatives of SBCTA. The records kept by the CONTRACTOR shall document the following: The number of minority and non-minority group members and women employed in each work classification on the project; the progress and efforts being made in cooperation with unions, when applicable, to increase employment opportunities for minorities and women; the progress and efforts being made in locating, hiring, training, qualifying, and upgrading minority and female employees; and the progress and efforts being made in securing the services of DBE subcontractors or subcontractors with meaningful minority and female representation among their employees.

10.9.1 CONTRACTOR will submit an annual report to SBCTA each July for the duration of the project, indicating the number of minority, women, and non-minority group employees currently engaged in each work classification required by the contract work. This information is to be reported on Form FHWA-1391. If on-the-job training is being required by special provision, CONTRACTOR will be required to collect and report training data.

ARTICLE 11. CONFLICT OF INTEREST

CONTRACTOR agrees that it presently has no interest financial or otherwise and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of Work required under this Contract or to be contrary to the interests of SBCTA as to the Project. CONTRACTOR further agrees that in the performance of this Contract, no person having any such interest shall be employed. CONTRACTOR is obligated to fully disclose to SBCTA, in writing, conflict of interest issues as soon as they are known to CONTRACTOR.

ARTICLE 12. REPRESENTATIONS

All work supplied by CONTRACTOR under this Contract shall be supplied by personnel who are qualified, careful, skilled, experienced and competent in their respective trades or professions. CONTRACTOR agrees that the Work performed shall conform to all drawings, plans and specifications herein.

ARTICLE 13. PROPRIETARY RIGHTS/CONFIDENTIALITY

- 13.1 If, as part of this Contract, CONTRACTOR is required to produce materials, documents data, or information (“Products”), then CONTRACTOR, if requested by SBCTA, shall deliver to SBCTA the original of all such products, which shall become the property of SBCTA.
- 13.2 All materials, documents, data or information obtained from SBCTA's data files or any SBCTA-owned medium furnished to CONTRACTOR in the performance of this Contract will at all times remain the property of SBCTA. Such data or information may not be used or copied for direct or indirect use outside of this Project by CONTRACTOR without the express written consent of SBCTA.
- 13.3 Except as reasonably necessary for the performance of Work, CONTRACTOR agrees that it, its employees, agents, and subcontractors will hold in confidence and not divulge to third parties, without prior written consent of SBCTA, any information obtained by CONTRACTOR from or through SBCTA in connection with CONTRACTOR's performance of this Contract, unless (a) the information was known to CONTRACTOR prior to obtaining same from SBCTA pursuant to a prior contract, or (b) the information was obtained at the time of disclosure to CONTRACTOR, or thereafter becomes part of the public domain, but not as a result of the fault or an unauthorized disclosure of CONTRACTOR or its employees, agents, or subcontractors, or (c) the information was obtained by CONTRACTOR from a third party who did not receive the same, directly or indirectly, from SBCTA and who had, to CONTRACTOR's knowledge and belief, the right to disclose the same. Any materials and information referred to in this Article which are produced by CONTRACTOR for SBCTA in the performance and completion of CONTRACTOR's Work under this Contract shall be kept confidential until released in writing by SBCTA, except to the extent such materials and information become a part of public domain information through no fault of CONTRACTOR, or its employees or agents.
- 13.4 CONTRACTOR shall not use SBCTA's name or photographs of the Project in any professional publication, magazine, trade paper, newspaper, seminar or other medium without first receiving the express written consent of SBCTA.
- 13.5 All press releases relating to the Project or this Contract, including graphic display information to be published in newspapers, magazines, and other publications, are to be made only by SBCTA unless otherwise agreed to in writing by the Parties.
- 13.6 CONSULTANT, its employees, agents and sub-consultants shall be required to comply with SBCTA's Confidentiality Policy; anyone who may have access to Personally Identifiable Information (“PII”) and/or Sensitive Security Information (“SSI”) will be required to execute a Confidentiality Agreement.

ARTICLE 14. TERMINATION

The subcontractor requesting that the claim be presented to the public entity shall furnish reasonable documentation to support the claim. Within 45 days of receipt of this written request, the contractor shall notify the subcontractor in writing as to whether the contractor presented the claim to the public entity and, if the original contractor did not present the claim, provide the subcontractor with a statement of the reasons for not having done so.

At the option of SBCTA, if the deductible or SIR is greater than \$50,000 or five (5) percent of the amount of coverage required under this Contract, whichever is less, the CONTRACTOR shall guarantee that either: (1) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects to SBCTA, its directors, officials, officers, employees and agents; or, (2) the CONTRACTOR shall procure a bond guaranteeing the amount of the deductible or self-insured retention. SBCTA will have the right, but not the obligation, to pay any deductible or SIR due under any insurance policy. If SBCTA pays any sums due under any insurance required above, SBCTA may withhold said sums from any amounts due to CONTRACTOR. The Contractor's policies will neither obligate nor prohibit SBCTA or any other Additional Insured, from paying any portion of any Contractor's deductible or SIR.

17.9.8 Enforcement – SBCTA may take any steps as are necessary to assure CONTRACTOR's compliance with its insurance obligations as identified within this Article. Failure to continuously maintain insurance coverage as provided herein is a material breach of contract. In the event the CONTRACTOR fails to obtain or maintain any insurance coverage required, SBCTA may, but is not required to, maintain this coverage and charge the expense to the CONTRACTOR or withhold such expense from

amounts owed CONTRACTOR, or terminate this Contract. The insurance required or provided shall in no way limit or relieve CONTRACTOR of its duties and responsibility under the Contract, including but not limited to obligation to indemnify, defend and hold harmless the Indemnitees named below. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONTRACTOR for liability in excess of such coverage, nor shall it preclude SBCTA from taking other actions as available to it under any other provision of the Contract or law. Nothing contained herein shall relieve CONTRACTOR, or any subcontractor of any tier of their obligations to exercise due care in the performance of their duties in connection with the Work, and to complete the Work in strict compliance with the Contract.

17.9.9 No Waiver - Failure of SBCTA to enforce in a timely manner any of the provisions of this Article shall not act as a waiver to enforcement of any of these provisions at a later date.

17.9.10 Subcontractors' Insurance - Insurance required of the CONTRACTOR shall be also provided by subcontractors or by CONTRACTOR on behalf of all subcontractors to cover their services performed under this Contract. CONTRACTOR may reduce types and the amounts of insurance limits provided by subcontractors to be proportionate to the amount of the subcontractor's contract and the level of liability exposure for the specific type of work performed by the subcontractor. CONTRACTOR shall be held responsible for all modifications, deviations, or omissions in these insurance requirements as they apply to subcontractor.

17.9.11 Higher limits. The Insurance obligations under this agreement shall be the greater of 1- all the Insurance coverage and limits carried by or available to the Vendor; or 2- the minimum Insurance requirements shown in this agreement. Any insurance proceeds in excess of the specified limits and coverage required, which are applicable to a given loss, shall be available to SBCTA. No representation is made that the minimum Insurance requirements of this agreement are sufficient to cover the indemnity or other obligations of the Vendor under this agreement.

17.9.12 Special Risks or Circumstances. SBCTA reserves the right to modify any or all of the above insurance requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Therefore, in lieu of actual damages, CONTRACTOR shall pay SBCTA the sum of **\$10,000.00 per each** calendar day of delay as identified in the weekly statement of working days issued by SBCTA. SBCTA shall not withhold liquidated damages if the delay is determined by SBCTA to be excusable in accordance with the Force Majeure article of this Contract. SBCTA may extend the period of performance of this Contract when in its sole judgment, sufficient justification to do so.

Specialty items may be performed by subcontract and the amount of any such specialty items performed may be deducted from the total original contract price before computing the amount of work required to be performed by CONTRACTOR's own organization.

29.1.1 "Its own organization" shall be construed to include only workers employed and paid

directly by the prime CONTRACTOR and equipment owned or rented by the prime CONTRACTOR, with or without operators. Such term does not include employees or equipment of a subcontractor, assignee, or agent of the prime CONTRACTOR.

29.3 No portion of the Contract shall be sublet, assigned or otherwise disposed of except with the prior written consent of SBCTA or authorized representative, and such consent when given shall not be construed to relieve CONTRACTOR of any responsibility for the fulfillment of the contract. Written consent will be given only after SBCTA has assured that each subcontract is evidenced in writing and that it contains all pertinent provisions and requirements of the prime contract. CONTRACTOR does not have the right to make any substitutions of any subcontractor listed in its Bid, except in accordance with the State of California Public Contract Code, section 4100 et. seq. SBCTA's consent to substitution shall not be deemed to relieve CONTRACTOR of its obligation to fully comply with the requirements of this Contract. CONTRACTOR shall be responsible for all acts and omissions of its employees, subcontractors and their employees. CONTRACTOR is responsible for coordinating all work performed by the subcontractors. SBCTA reserves the right, but not the obligation, to review the subcontractor agreements for this project and to require any modifications so as to conform to the requirements set forth in this Contract.

ARTICLE 30. COORDINATION WITH OTHER CONTRACTS

SBCTA may undertake or award other contracts for work, and CONTRACTOR shall cooperate fully with the other CONTRACTOR's and SBCTA's employees or agents and carefully fit its own work to such additional work as may be directed by SBCTA. It is a condition of this Contract, and shall be made a condition of each subcontract which the CONTRACTOR enters into pursuant to this Contract, that CONTRACTOR and any subcontractor shall not permit any employee, in performance of this Contract, to work in surroundings or under conditions which are unsanitary, hazardous or dangerous to his/her health or safety, as determined under California Occupational Safety and Health Act of 1973.

32.2 It is a condition of this Contract that the Director of Industrial Relations or authorized representative thereof shall have right of entry to any site of Contract performance to inspect or investigate the matter of compliance with the construction safety and health standards and to carry out the duties of the Secretary under California Occupational Safety and Health Act of 1973.

CONTRACTOR agrees that a breach of this certification is a violation of the EEO provisions of this Contract. The firm further certifies that no employee will be denied access to adequate facilities on the basis of sex or disability.

The only exception will be for the disabled when the demands for accessibility override (e.g., disabled parking).

34.3 CONTRACTOR agrees that it has obtained or will obtain identical certification from proposed subcontractors or material suppliers prior to award of subcontracts or consummation of material supply agreements of \$10,000 or more and that it will retain such certifications in its files.

ARTICLE 35. GRATUITIES

CONTRACTOR, its employees, agents or representatives shall not offer or give to an officer, official or employee of SBCTA, gifts, entertainment, payments, loans or other gratuities to influence the award of a contract or obtain favorable treatment under a contract.

CONTRACTOR fully acknowledges that it has satisfied itself as to the character, quality and quantity of surface and subsurface materials or obstacles to be encountered insofar as this information is reasonably ascertainable from an inspection of the site, including all exploratory work done by SBCTA, as well as from information presented by the drawings and specifications made a part of this Contract. Any failure by CONTRACTOR to acquaint itself with the available information from SBCTA will not relieve the CONTRACTOR from responsibility.

ARTICLE 39. CLEAN WATER REQUIREMENTS

CONTRACTOR shall comply with all applicable standards, orders, or regulations issued pursuant to the Porter-Cologne Water Quality Control Act (California Water Code §§13000 et seq.) and the Federal Water Pollution Control Act, as amended, 33 U.S.C. §§ 1251 et. seq.
