CAMPUS AVENUE BRIDGE CLOSURE, DEMOLITION, AND RECONSTRUCTION

WHAT: Campus Avenue Bridge Closure, Demolition, and Reconstruction

WHEN: As early as August 9, 2021

TIME: Work will occur during daytime (7:00 a.m. to 4:00 p.m.) and nighttime (9:00 p.m. to 5:00 a.m.) hours. Weekend work may occur, dates and times will be provided in the weekly construction alert and on the project Google Map (goSBCTA.com/i10corridor).

WHAT'S HAPPENING: Campus Avenue over I-10 will be closed as early as August 9, 2021 to prepare the bridge for demolition. For approximately nine months, there will be no vehicular, pedestrian, or bicyclist access. The bridge will be rebuilt to accommodate the new I-10 Express Lanes.

WHAT TO EXPECT: Construction and bridge demolition is loud and dusty at times. Large equipment including illuminated light towers, haul trucks, excavators, and water trucks will be used. Vibration may occur at times. You may hear hammering, banging, and engine noises as well as see sparks from saw cutting.

LOCAL DETOURS DURING CLOSURE AND RECONSTRUCTION OF CAMPUS AVENUE BRIDGE:

- **Northbound Campus Avenue:** West on 6th Street, right (north) on to Sultana Avenue, and right (east) on to 7th Street to Campus Avenue
- **Southbound Campus Avenue:** West on 7th Street, left (south) on to Sultana Avenue, and left (east) on to 6th Street to Campus Avenue

UPCOMING WORK: Bridge demolition is tentatively scheduled for mid-October 2021. During this time, I-10 will be closed in both directions between Euclid Avenue and Vineyard Avenue. More information about demolition and I-10 closures will be provided in the weekly construction alert and on the project Google Map (goSBCTA.com/i10corridor).

Our team is here to help you navigate through construction. We encourage you to sign up for weekly construction alerts at goSBCTA.com/i10corridor and to download the project Google Map to learn about closures and detours in real-time.
