

AGENDA
City/County Manager's Technical Advisory Committee

Thursday, September 1, 2022

10:00 AM

LOCATION:

San Bernardino County Transportation Authority
First Floor Lobby Board Room
1170 W. 3rd Street, San Bernardino, CA 92410

TELECONFERENCE LOCATION:

Needles City Administration & Utility Office
817 3rd Street, Needles, CA 92363

Call to Order

Attendance

Council of Governments

1. Equity Focus Group – Monique Reza-Arellano, SBCOG, and Monica Guerra, National Core

San Bernardino County Transportation Authority/San Bernardino Council of Governments have been working on an SB 1000 Toolkit, a Regional Equity Study, and an Equity Data Dashboard. As a part of these programs, outreach to Community-Based Organizations, Non-Governmental Organizations, and Non-Profits was conducted in an effort to listen to our regional stakeholders. This information item is a report out on their feedback and recommendations.

Attachment No. 1: Pg. 5

2. Reentry Collaborative – Monique Amis, County of San Bernardino Department of Public Health

Receive a presentation on the San Bernardino County Reentry Collaborative.

Attachment No. 1: Pg. 14

3. Building Resilient Infrastructure and Communities Program –Madison Elliot, Cal OES

The Building Resilient Infrastructure and Communities (BRIC) Program is one of Federal Emergency Management Agency (FEMA) competitive mitigation grant programs that provide states, local communities, tribes and territories funding to address high-level future risks to natural disasters such as wildfires, drought, hurricanes, earthquakes, extreme heat,

and increased flooding to foster greater community resilience and reduce disaster suffering. The BRIC program aims to categorically shift the federal focus away from reactive disaster spending and toward research-supported, proactive investment in community resilience.

Attachment No. 1: Pg. 17

Public Comment

Brief Comments from the General Public

ADJOURNMENT

The next meeting of the City/County Manager's Technical Advisory Committee is scheduled for **October 6, 2022.**

Meeting Procedures and Rules of Conduct

Meeting Procedures - The Ralph M. Brown Act is the state law which guarantees the public's right to attend and participate in meetings of local legislative bodies. These rules have been adopted by the Board of Directors in accordance with the Brown Act, Government Code 54950 et seq., and shall apply at all meetings of the Board of Directors and Policy Committees.

Accessibility - The meeting facility is accessible to persons with disabilities. If assistive listening devices or other auxiliary aids or services are needed in order to participate in the public meeting, requests should be made through the Clerk of the Board at least three (3) business days prior to the Board meeting. The Clerk can be reached by phone at (909) 884-8276 or via email at clerkoftheboard@gosbcta.com and office is located at 1170 W. 3rd Street, 2nd Floor, San Bernardino, CA.

Agendas – All agendas are posted at www.gosbcta.com/board/meetings-agendas/ at least 72 hours in advance of the meeting. Staff reports related to agenda items may be reviewed online at that web address. Agendas are also posted at 1170 W. 3rd Street, 1st Floor, San Bernardino at least 72 hours in advance of the meeting.

Agenda Actions – Items listed on both the “Consent Calendar” and “Discussion” contain recommended actions. The Board of Directors will generally consider items in the order listed on the agenda. However, items may be considered in any order. New agenda items can be added and action taken by two-thirds vote of the Board of Directors or unanimous vote of members present as provided in the Ralph M. Brown Act Government Code Sec. 54954.2(b).

Closed Session Agenda Items – Consideration of closed session items excludes members of the public. These items include issues related to personnel, pending litigation, labor negotiations and real estate negotiations. Prior to each closed session, the Chair will announce the subject matter of the closed session. If action is taken in closed session, the Chair may report the action to the public at the conclusion of the closed session.

Public Testimony on an Item – Members of the public are afforded an opportunity to speak on any listed item. Individuals wishing to address the Board of Directors or Policy Committee Members should complete a “Request to Speak” form, provided at the rear of the meeting room, and present it to the Clerk prior to the Board's consideration of the item. A "Request to Speak" form must be completed for each item an individual wishes to speak on. When recognized by the Chair, speakers should be prepared to step forward and announce their name and address for the record. In the interest of facilitating the business of the Board, speakers are limited to three (3) minutes on each item. Additionally, a twelve (12) minute limitation is established for the total amount of time any one individual may address the Board at any one meeting. The Chair or a majority of the Board may establish a different time limit as appropriate, and parties to agenda items shall not be subject to the time limitations. Members of the public requesting information be distributed to the Board of Directors must provide 40 copies of such information in advance of the meeting, except for noticed public hearings. Information provided as public testimony is not read into the record by the Clerk.

The Consent Calendar is considered a single item, thus the three (3) minute rule applies. Consent Calendar items can be pulled at Board member request and will be brought up individually at the specified time in the agenda allowing further public comment on those items.

Agenda Times – The Board is concerned that discussion take place in a timely and efficient manner. Agendas may be prepared with estimated times for categorical areas and certain topics to be discussed. These times may vary according to the length of presentation and amount of resulting discussion on agenda items.

Public Comment – At the end of the agenda, an opportunity is also provided for members of the public to speak on any subject within the Board's authority. Matters raised under "Public Comment" may not be acted upon at that meeting. "Public Testimony on any Item" still applies.

Disruptive or Prohibited Conduct – If any meeting of the Board is willfully disrupted by a person or by a group of persons so as to render the orderly conduct of the meeting impossible, the Chair may recess the meeting or order the person, group or groups of person willfully disrupting the meeting to leave the meeting or to be removed from the meeting. Disruptive or prohibited conduct includes without limitation addressing the Board without first being recognized, not addressing the subject before the Board, repetitiously addressing the same subject, failing to relinquish the podium when requested to do so, bringing into the meeting any type of object that could be used as a weapon, including without limitation sticks affixed to signs, or otherwise preventing the Board from conducting its meeting in an orderly manner. Your cooperation is appreciated!

Focus Group Outreach for Equity Program

San Bernardino
Council of Governments

Focus Group Feedback

- Funded through REAP
 - SB 1000
 - Regional Equity Study
- Community Input
 - Existing condition
 - Vision for improvement

Equity Focus Groups

- Engage Key Partners in Various Sectors:
 - Health
 - Equity
 - Environmental Justice
- Goal: to inform
 - Regional Equity Study
 - Equity Data Dashboard
 - SB 1000 Toolkit
 - Overall Equity Effort

Purpose

Timeline and Outreach

Equity Focus Groups

Focus Group participants were selected through a collaborative process with SBCTA/SBCOG staff, members, and consultants.

Together we:

- Co-developed a list of over 70 Community-Based and Institutional Partners,
- Sought feedback on draft list from members of the Planning and Development Technical Forum (PDTF), and
- Invited participants via email to participate in separate focus groups based on service/focus areas (countywide service area, high desert region, tribal partners)

Stakeholders

- Cal State University San Bernardino, Re-Entry Operations
- Loma Linda University Health System
- Common Spirit Health (St. Bernardine's Medical Center)
- Making Hope Happen Foundation
- SoCal Black Chamber of Commerce
- Community Health Action Network
- People's Collective for Environmental Justice
- Arts Connection Network
- Inland Empire Health Partnership
- IE United
- High Roads Training Partnership
- NALEO Educational Fund
- Young Visionaries Youth Leadership Academy Inland Empire
- Reach Out 29
- El Sol Neighborhood Educational Center
- Step Up
- Riverside San Bernardino County Indian Health
- San Bernardino County Sheriff's Department
- San Bernardino County Department of Public Health
- PDTF Members:
 - City of Big Bear Lake
 - City of Chino
 - City of Highland
 - City of Rancho Cucamonga
 - City of San Bernardino
 - City of Twentynine Palms
 - City of Victorville
 - County of San Bernardino

Equity Focus Groups

Participants

What We Heard

Equity Focus Groups

Built Environment and Public Health

- Across all focus groups, participants expressed concern with environmental justice issues in the built environment and public health impacts in San Bernardino County. These concerns centered around:
 - Exposure to high levels of air pollution from the expansion of the logistics industry (warehousing and distribution)
 - High concentration of unhealthy food options in low-income communities
 - Inadequate transportation infrastructure
 - Lack of healthcare providers

Equity Focus Groups

Area of Concern #1

Local Community Capacity Building

- A second area of concern centered around the public decision-making process and the need for community capacity building and civic engagement resources. Participants noted the following issues related to this area:
 - Language barriers
 - Complex systems that are difficult to navigate, leading to a lack of transparency around public decisions
 - Lack of trust in policymakers and decisionmakers – don't feel like they are a part of the process

Equity Focus Groups

Area of Concern #2

Wealth Building Opportunities

- A third area of concern identified by participants focused on limited jobs and access to high growth and high pay industries, posing barriers to economic mobility for many San Bernardino County residents. Relevant to this category, participants cited the following as barriers to wealth building:
 - “Brain Drain”: Limited, local opportunities for young and educated residents, leading them to move to other areas
 - Poor job quality in the rapidly expanding logistics (warehousing and distribution) industry
 - Lack of homeownership and business ownership opportunities in the County

Equity Focus Groups

Area of Concern #3

Opportunities

Equity Focus Groups

Need for Regional Collaboration

- A major theme across all focus groups was the regional, interconnected nature of equity and environmental justice issues. These are not issues that can be solved by one entity or jurisdiction.
- Participants emphasized the need for increased collaboration throughout the region around these issues.

Equity Focus Groups

Opportunity

Opportunities Moving Forward

1. Develop a Regional Equity Forum
2. Increase Community-Based Contracting Opportunities
3. Create User Friendly Data Equity Dashboard

Equity Focus Groups

Opportunities

Wrap Up, Discussion, and Next Steps

Equity Focus Groups

Current Equity Work

1. Transportation and Transit
 - Metrolink to launch Low-Income Fare is Easy (LIFE) - Reduced cost for low-income riders
 - Clean Truck Program
 - Toll Lane Equity Program in Development
 - Carpool/Vanpool Services
2. Workforce Development through SB County Programming
 - Business Capacity Enhancement
 - Job Training/Apprenticeships
3. Regional Equity Study Dashboard

Equity Focus Groups

What's Happening Now

Moving Forward

1. Updated SBCOG Work Plan to include recommendations addressing these concerns, potentially including:
 - Regional CBO/NGO/Non-Profit Forum to inform SBCOG work
2. Next Steps in Equity Work to include
 - Completing the Equity Dashboard
 - Equity Policy/Procedure Framework
 - Planning and project prioritization based on the Regional Equity Study

San Bernardino Reentry Collaborative County

Multi-agency Partnership | Community Advisory Group

● ● ●

Monique Amis
 Chief, Community and Family Health Division

San Bernardino County Reentry Collaborative

1

Mission

The San Bernardino County Reentry Collaborative (Reentry Collaborative) is a multi-agency partnership that includes public, private, and non-profit representatives with experience and expertise in reentry programming that work together to develop strategies for providing supportive services to justice-involved individuals following their incarceration. These strategies and their implementation are intended to foster the acquisition or provision of sustainable employment, housing, and other related supports.

● ● ●

Goals

1. Soliciting feedback from agencies, community-based organizations, and individual community members to ensure alignment on strategy for reentry services and the related expenditures;
2. Exploring/identifying areas in which County departments can provide funding opportunities to agencies and community-based organizations for the provision of reentry services; and
3. Supporting cross-sector communication and collaboration through peer-to-peer engagement to achieve a greater level of understanding of County processes including grant applications, procurement, subcontractor technical assistance, etc.

Prop. 47 Funding

The Reentry Collaborative functions as the Local Advisory Committee (LAC) for the Proposition 47 grant. In this role, it provides oversight of the grant development, progress, and implementation. The Reentry Collaborative did not begin to function as the LAC until 2017, after receipt of the Proposition 47, Cohort I, funding from the BSCC.

FY 2021 Lessons Learned and Updates for FY 2022

Countywide City Managers Technical Advisory
 Committee

September 1, 2022

www.caloes.gov

Hazard Mitigation Assistance (HMA) Grants

BRIC funding:

FLOOD MITIGATION ASSISTANCE (FMA)

Purpose: FEMA funded, State administered program and not directly tied to a disaster declaration; reduce NFIP claims

Cycle: Annual

Local Match: 0%, 10%, or 25%

FY 2022 Funding*: \$800M - nationally competitive program

BUILDING RESILIENT INFRASTRUCTURE AND COMMUNITIES (BRIC)

Purpose: FEMA funded, State administered program and **not** directly tied to a disaster declaration; high-impact, neighborhood scale projects

Cycle: Annual

Local Match: At least 25% or 10% for economically disadvantaged rural communities (EDRC)

FY 2022 Funding*: ~\$2.3B - nationally competitive program

HAZARD MITIGATION GRANT PROGRAM (HMGP)

Purpose: FEMA funded, State administered program and directly tied to a disaster declaration; break cycle of repetitive losses

Cycle: Post-Disaster

Local Match: 25%

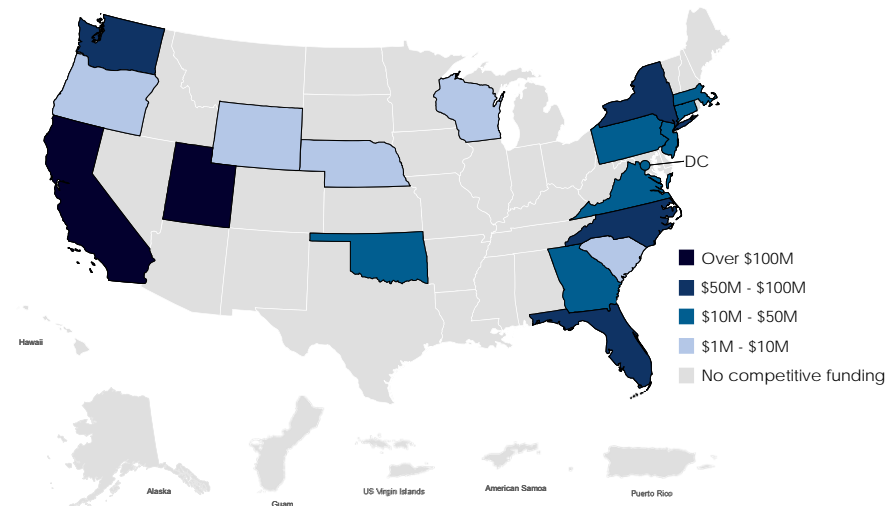

FY 2022 Funding*: Varies year to year - competitive within each state

* Federal Share

Building Resilient Infrastructure and Communities 2022 | 2

BRIC 2021 – National Competitive Mitigation Projects

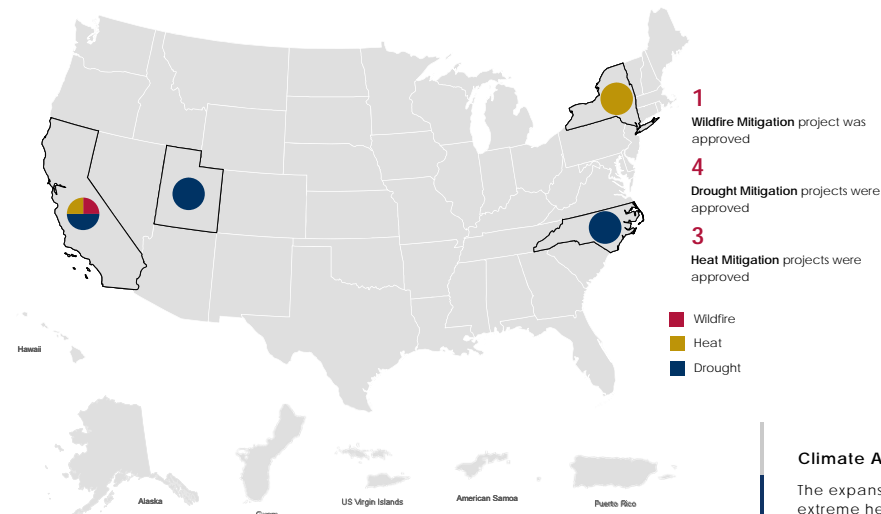

Building Resilient Infrastructure and Communities 2022 | 3

National BRIC 2021 Numbers:

- 53 competitive projects selected
- 19 selected applicants, all FEMA Regions received at least one competitive mitigation project this year
- The average project dollar amount is **\$15M** (smallest is \$189K and the largest is the program max at \$50M)
- 49% of selected projects meet one or more of the Justice40 interim criteria
- Success rate of **14%** in 2021 – compared to 4% in 2020

BRIC 2021 – Wildfire, Drought, Heat Mitigation

Building Resilient Infrastructure and Communities 2022 | 4

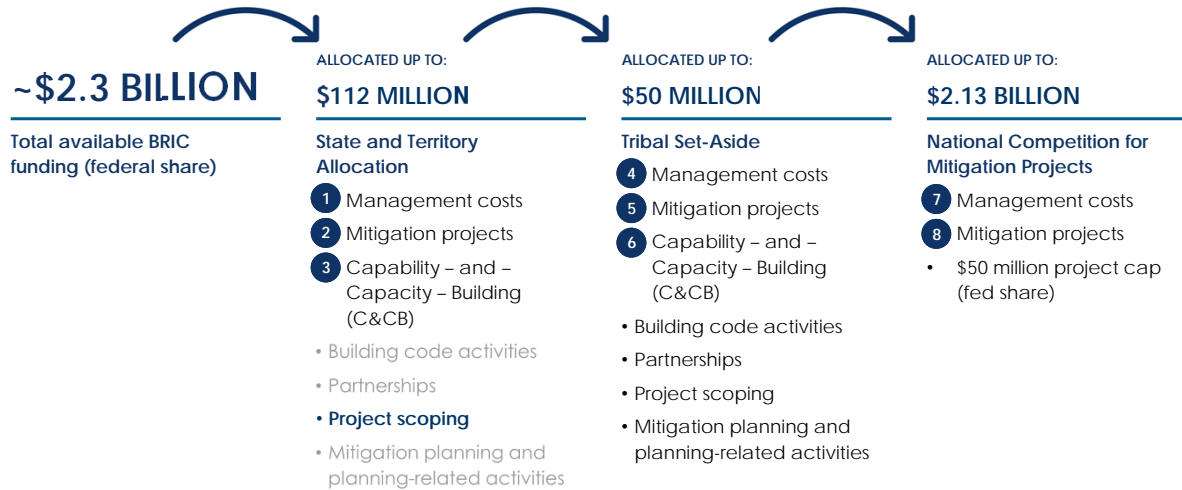

2020 vs 2021:

- The first year of BRIC included **one** competitive wildfire project funded and there were **no** heat or drought projects selected
- This year, **one** wildfire, **three** heat, and **four** drought competitive projects were selected
- **California**
 - 1 Wildfire
 - 1 Heat
 - 2 Drought
- **New York**
 - 2 Heat
- **North Carolina**
 - 1 Drought
- **Utah**
 - 1 Drought

Climate Adaptation

The expansion of funding to drought and extreme heat hazards in BRIC is a deliberate decision to make communities more resilient to climate change and extreme weather events.

YR 2022 BRIC NOFO Overview

Building Resilient Infrastructure and Communities 2022 | 5

Building Blocks of BRIC

- 1 Eligible subapplicant
- 2 FEMA approved mitigation plan
- 3 No construction or groundbreaking before grant award
- 4 Approved Notice of Interest (NOI)
- 5 Scope of Work with a clear level of protection increase
- 6 Benefit Costs Analysis (BCA)
- 7 Local Match and/or overmatch
- 8 Period of Performance (POP) of 36 months (or longer with reasonable justification)
- 9 Not dependent on other projects or funding sources (standalone mitigation solution)
- 10 Must comply with 2 CRF 200 and National Environmental Policy Act (NEPA)
- 11 Reimbursement based grant with eligible grant management costs and pre-award costs

Eligible:

Local governments, State agencies, cities and townships, counties, special districts, and tribal governments

Not Eligible:

Businesses, individuals, and Private Non-Profits (PNPs)

Building Resilient Infrastructure and Communities 2022 | 6

BRIC Project Overview

- **Large-scale** community (neighborhood) impact and benefit
- Include a **nature-based solution** (NBS)
- **Phase projects** in preliminary design and/or with no EHP completed
- Look for a **public private partnership** (PPP) opportunity
- Address all aspects of the **technical and qualitative** evaluation criteria
- Address **future conditions and climate impacts** (climate impacts include sea level rise, drought, more precipitation, more frequent storms)
- Target project areas that have a **BCEGS rating** of 5/5 or lower (1/1)
- **Overmatch** for the local match (non-federal share)
- Include a **well-defined implementation plan** (manage the project)
- Target **disadvantaged communities** ([Justice40](#))
- Must have a **Hazard mitigation plan** approved / adopted at time of subapplication submission (December 2022) and grant award

Building Resilient Infrastructure and Communities 2022 | 7

BRIC Project Attributes

NATURE-BASED SOLUTIONS

- 55% of the selected California competitive projects included NBS
- One or more NBS should be included as a functional component of the project's scope

CLIMATE CHANGE

- Sea level rise, more precipitation, more frequent storms, and drought
- Climate adaptive projects that address climate change impacts
- The project should make the community resilient against climate change

FUTURE CONDITIONS

- 100% of selected projects included future conditions
- Climate, demographic, population, and land use changes
- Anticipate and respond to future conditions
- Address in planning, design, and operational phases
- Help communities respond to these conditions
