

# EXPRESS LANES

## Upland

As construction continues on the I-10 Express Lanes project, work in the City of Upland will generally occur Monday through Friday during daytime (6:00 a.m. to 4:00 p.m.) and nighttime (9:00 p.m. to 5:00 a.m.) hours, except as noted below. Please remember, all construction is dynamic and the schedule is subject to change.

### Alerts!

**Freeway Lane and Ramp Closures:** Friday, May 20 at 10:00 p.m. through Monday, May 23 at 5:00 a.m. The three right lanes of westbound (WB) I-10 from Vineyard Avenue to 4th Street will be closed while crews remove and repave lanes. The WB I-10 Vineyard Avenue on-ramps and the 4th Street off-ramp will also be closed and detour routes will be posted.

**WB I-10 Euclid Avenue On-Ramp Closure:** Scheduled for May 20 at 9:00 p.m., the WB I-10 on-ramp from southbound (SB) Euclid Avenue is scheduled to temporarily close for construction for approximately seven months.

- Motorists traveling SB on Euclid Avenue will be able to access the WB I-10 Euclid Avenue loop on-ramp with a new left-turn only lane.
- Motorists traveling on 7th Street will also be able to access the WB loop on-ramp.
- Temporary traffic lights will be in place to assist motorists entering the WB I-10 loop on-ramp.
- Parking on SB Euclid Avenue from 8th Street to 7th Street will be prohibited. (Please look for signage regarding specific times and locations.)

**For the most up-to-date closures and detours, please visit the project's [Google Map by clicking HERE](#).**

### Bridge Demolition and Construction

Eighteen bridges throughout the corridor will either be replaced, widened, or improved to accommodate the widening of the freeway. During times of demolition, shoring, and backfilling, work will be loud and vibration will occur. You will see bright lights and hear equipment including excavators, backhoes, loaders, and dump trucks. Upcoming bridge activities in Upland include:

- **Benson Avenue:** A portion of the eastbound (EB) and WB I-10 shoulder over Benson Avenue was removed and is being rebuilt into a wider configuration. Benson Avenue is reduced to one lane in each direction during daytime hours and may be intermittently closed during nighttime hours. Daytime and nighttime activities include earthwork and building portions of bridge footing.
- **Mountain Avenue:** The outer portions of the EB and WB I-10 over Mountain Avenue was demolished and will be rebuilt into a wider configuration. Daytime and nighttime activities include building portions of the bridge footing and demolishing portions of the bridge walls next to the WB I-10.
- **San Antonio Avenue:** San Antonio Avenue over I-10 is scheduled to be demolished in 2022.
- **Euclid Avenue:** Crews demolished and rebuilt the east side of the bridge. The west side of the bridge was demolished in April 2022. SB and northbound (NB) Euclid Avenue approaching I-10 will be intermittently closed from 9:00 p.m. to 5:00 a.m. Daytime and nighttime activities include installing steel plates into the ground (shoring) and building portions of the bridge.

**ABOUT THE PROJECT:** Phase 1 of SB Express Lanes is located in the southwestern portion of San Bernardino County east of Los Angeles County between the Los Angeles/San Bernardino County line and I-15. The project includes two express lanes in each direction to offer trip reliability and ease congestion. In addition, lanes to assist drivers getting on and off the freeway (auxiliary lanes) will be constructed in selected locations. West of Haven Avenue, a single new lane will be constructed and combined with the existing HOV lane to provide two express lanes in each direction. The HOV lane will still be available to motorists, but will increase from 2+ to 3+. East of Haven Avenue, two express lanes will be constructed.

# EXPRESS LANES

## Upland

- **Sultana Avenue:** The Sultana Avenue bridge over I-10 is now open.
- **Campus Avenue:** Campus Avenue over I-10 was demolished in October 2021. Daytime activities include installing steel plates into the ground (shoring), excavating the bridge walls and building footings.

### Retaining and Sound Wall Work:

Crews are demolishing and rebuilding retaining walls and sound walls near the WB lanes of I-10. This work will be loud and vibration will occur. Equipment used includes excavators, backhoes, loaders, dump trucks, and concrete mixing trucks.

Retaining walls and sound walls are located on State property next to the freeway. K-rail is placed on the freeway shoulders and crews work between the k-rail and wall locations. Once walls are demolished, materials are removed so crews can prepare the land for the replacement wall.

Daytime and Nighttime Retaining and Sound Wall Activity: Work will occur Monday through Friday from 6:30 a.m. to 4:00 p.m. and 9:00 p.m. to 6:00 a.m. Streets adjacent to this work include:

- Benson Avenue
- Mountain Avenue
- W. 7<sup>th</sup> Street
- S. Campus Avenue
- Richland Street
- S. San Antonio Avenue
- Azure Court

### Local Street Closures:

Crews are removing sound walls and retaining walls, relocating utilities, and removing trees on several local streets adjacent to the I-10; at times this work may be loud and you may feel vibration. One side of the sidewalk will always remain open.

- Daytime and/or nighttime lane closures, streets will remain open:
  - Benson Avenue, Mountain Avenue, San Antonio Avenue, Euclid Avenue
- Daytime and nighttime street closures, detour routes will be posted:
  - Richland Street/Campus Avenue intersection closed
- Nighttime street closures, detour routes will be posted:
  - Benson Avenue: NB/SB street intermittently closed under I-10
  - Euclid Avenue: SB street intermittently closed over I-10

### Ramp Closures:

- In mid May, the WB I-10 on-ramp from SB Euclid Avenue is scheduled to temporarily close for construction for approximately seven months. Motorists traveling SB on Euclid Avenue and both directions on 7<sup>th</sup> Street will be able to access the WB I-10 Euclid Avenue loop on-ramp. Temporary traffic lights will be in place to assist motorists entering the WB I-10 loop on-ramp.

Intermittent nighttime WB on- and off-ramp closures, detour routes will be posted:

- Mountain Avenue
- Euclid Avenue
