IEHP: A Vibrant Inland Empire

The Inland Empire is primed to take a bold step toward enhancing equitable health and well-being to create A Vibrant Inland Empire. The time is now to move beyond the status quo, marked by impressive yet largely disconnected efforts in different sectors, and instead join forces as interdependent stewards of an equitable, vibrant future.

This panel will discuss the urgent and exciting opportunity to build the capacity necessary to transform outdated and unjust systems, and to alter the future trajectory for health, wealth and well-being across the IE for decades to come.

Join us in the conversation centered around opportunities within the IE to leverage investments and efforts across our cities, counties, and health sectors to transform the health and well-being of our region.

**Moderator:** Dora Barilla, DrPH, *President and Co-Founder, HC2 Strategies*
