I. PURPOSE

The purpose of this policy is to provide guidelines for the investment of funds based upon prudent cash management practices and in conformity with all applicable statutes.

II. POLICY

The Board of Directors of the San Bernardino County Transportation Agency (SBCTA) and of the San Bernardino Council of Governments (SBCOG) recognize their responsibility to direct the investment of funds under their care. This policy is designed to meet the specific needs of SBCTA and SBCOG while ensuring the safety of funds. This revised policy is effective July 1, 2019.

III. INVESTMENT GOALS

The investment of funds by SBCTA and SBCOG shall be guided by the goals of safety, liquidity, diversification, and a reasonable market rate of return.

Safety: Safety of principal is the foremost objective of the investment program. Investments of SBCTA and SBCOG will be undertaken in a manner that seeks to ensure the preservation of capital in the portfolio.

Liquidity: SBCTA's and SBCOG's investment portfolio will remain sufficiently liquid to enable SBCTA and SBCOG to meet all operating requirements and budgeted expenditures, including an additional amount to cover reasonably estimated contingencies.

Diversification: The investment portfolio will be diversified to avoid risk regarding specific security types or individual financial institutions.

Reasonable Market Rate of Return: The investment portfolio will be designed to attain a market average rate of return through economic cycles which is consistent with SBCTA's and SBCOG's primary goals of safety, liquidity and diversification.

IV. PRUDENT INVESTOR STANDARD

SBCTA and SBCOG investments are governed by the prudent investor standard, set forth as follows:

When investing, reinvesting, purchasing, acquiring, exchanging, selling, and managing public funds, a trustee shall act with care, skill, prudence and diligence under the circumstances then prevailing, including, but not limited to, the general economic conditions and the anticipated needs of the agency that a prudent person acting in a like capacity and familiarity with those matters would use in the investment of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the agency. Within the limitations of this section and considering individual investments as part of an overall investment strategy, investments may be acquired as authorized by law.

V. SCOPE

The investment policy applies to all financial assets held by SBCTA and SBCOG, including bond proceeds. Funds specifically exempt from this policy include employee deferred compensation plans, employee pension plans, or assets held in trust by SBCTA and SBCOG with specific investment instructions.

VI. DELEGATION OF AUTHORITY

SBCTA's Board Administrative Code and SBCOG's Bylaws designate the SBCTA Chief Financial Officer (CFO) as Treasurer for each Agency.

Under the direction and oversight of the Chief Financial Officer, and in consultation with SBCTA's and SBCOG's investment adviser, the Chief Financial Officer or designee shall direct the investment of SBCTA and SBCOG combined operating funds, which are not invested in the County Pool or in LAIF ("DIRECT INVESTMENTS") in accordance with this Policy. All officials, staff members and consultants are directly accountable to the SBCTA and SBCOG Boards for investment functions.

VII. CONFLICTS OF INTEREST

All officials, staff members and consultants involved in the investment functions will refrain from personal business activity that could conflict with the execution of the investment function or which could impair their ability to make impartial investment decisions. Officials, staff members, and consultants will disclose to the Executive Director any financial interest with a financial institution or broker that conducts business with SBCTA and SBCOG. Officials, staff members and consultants will further disclose any personal financial positions that could be related to the performance of SBCTA's and SBCOG's portfolio.

VIII. PORTFOLIO MATURITY LIMITS

Investment maturities shall be based on a review of cash flow forecasts. Maturities will be scheduled so as to permit SBCTA and SBCOG to meet all projected obligations.

The maximum maturity of any other investment of operating funds ("direct investments") may not exceed five years unless otherwise noted in Paragraph IX.

Investment of bond proceeds shall be made in consideration of the liquidity needs of the bond fund, and may not exceed five years, except for securities to be held in a defeasance escrow for refunded bonds and bond debt service reserve funds.

Investments in the San Bernardino County Pool and in LAIF are subject to maturity limits and other investment restrictions as imposed by the governing bodies of those agencies.
