

**San Bernardino Council of Governments  
Grant Opportunities and Forecast  
September 27, 2023**

*(**NEW!** is noted for grants added in the past 14 days)*

Grant opportunities that may be of interest to SBCOG begin on the next page.

**Table 1** includes a list of new grant opportunities since the last grant table.

**Table 2** includes open grant opportunities. The “Success Rate” for each opportunity (if known) is indicated in **blue** in the “Notes” column. This is based on the number of applications awarded in relation to the number of applications submitted. The table also includes a link to past grant awards, if available. Additionally, we have included the anticipated level of difficulty to develop each grant proposal. A key is provided below for reference:

Key: Level of Difficulty (LOD)	
<b>Simple</b>	A simple level of difficulty indicates an application that may take 8 hours or less to develop and can likely be accomplished “in-house” with minimal effort/allocation of internal resources.
<b>Medium</b>	A medium level of difficulty indicates an application process that will take a more substantial allocation of internal resources to accomplish and might possibly require outside assistance (20-70 hours to develop application).
<b>Complex</b>	A complex level of difficulty indicates a VERY competitive opportunity, with a small success rate and intensive grant-development and positioning.

**Table 3** includes a list of grants that are on the horizon, but NOFAs have not been released. Success rates, links to past awards, and anticipated level of difficulty are not listed in Table 3.

TABLE 1 Grant Opportunities			
Deadline	Name of Grant	Grant Number*	Page Number
10/16/23	Older Adults Home Modification Grant Program	18	18
Opens 10/19/23	EV Public Charging Program	21	20
Rolling until 10/27/23	Action, Implementation, and Mitigation (AIM)	23	21
11/03/23	Children and Youth Behavioral Health Initiative (CYBHI) Round 5: Early Intervention Programs and Practices	32	32
11/03/23	Boating Access	33	33
11/06/23	REAP Regional Utilities Supporting Housing Pilot Program (RUSH)	36	35
11/07/23	Healthy Homes Production Grant	37	36
11/13/23	Brownfield Cleanup Grant	39	37
11/13/23	Brownfield Multipurpose Grants	40	38
11/13/23	Brownfield Community-wide Assessment	41	39
11/13/23	Brownfield Assessment: Coalition	42	39
11/13/23	Electric Vehicle Charger Reliability and Accessibility Accelerator	43	40
11/15/23	Thriving Communities Technical Assistance	44	40
11/15/23	Non-Competitive, SB 1383 Local Assistance Grant Program	45	41
11/18/23	Thriving National Program Capacity Builder and Regional Program	51	44
11/13/23	Small Storage Grant	53	45
12/15/23	Nonpoint Source (NPS) Grant Program: CWA 319(h)	60	49
02/01/24: Letter of Intent 04/01/24: Full Application	Climate Pollution Reduction Grants Program (CPRG): Implementation Grants General Competition	68	55
First come, first served	Emergency Solutions Grant	69	56
Ongoing	EPA Water Infrastructure Finance and Innovation Act (WIFIA) Program (LOANS)	70	56
Ongoing	Lead Service Line (LSL) Replacement Funding Program (LOAN)	72	58

1	OPENS 08/14/23 First-come First-served until 09/28/23  Transportation	<b>Rural and Tribal Assistance Pilot Program.</b> The Program will award grants for either the hiring of staff or the procurement of expert firms to provide financial, technical, and legal assistance; assistance with development phase activities; and information regarding innovative financing best practices and case studies. Eligible project sponsors may receive grant funds to assist with pre-development- phase activities, including: <ul style="list-style-type: none"> <li>• feasibility studies</li> <li>• project planning</li> <li>• revenue forecasting and funding and financing options analyses</li> <li>• preliminary engineering and design work</li> <li>• environmental review</li> <li>• economic assessments and cost-benefit analyses</li> <li>• public benefits studies</li> </ul>	U.S. Department of Transportation	Federal	FY 2022 maximum amount: \$320,000  FY 2023 maximum amount: \$360,000	Not required	<a href="#">Website</a>  Link to Prior Awards: Not available  <b>Success Rate:</b> Not Available  <b>LOD: Medium</b>
2	09/28/23  Transportation	<b>Reconnecting Communities and Neighborhoods Program Grant.</b> The program combines Reconnecting Communities Pilot (RCP) and Neighborhood Access and Equity (NAE). There are three grant types: <ul style="list-style-type: none"> <li>• Capital Construction: To carry out a project to remove, retrofit, mitigate, or replace an existing eligible dividing transportation facility with a new facility that reconnects communities; mitigates a burdening transportation facility that is a source of air pollution, noise, stormwater, heat, or other burdens; or implements a</li> </ul>	U.S. Department of Transportation	Federal	RCP Planning: \$2 million  RCP Construction: \$5 million  NAE Planning: No minimum/ maximum award  NAE Construction: No minimum/ maximum award	RCP Planning: 20%  RCP Construction: 50% grant cost share and 20% federal maximum  NAE Planning and Construction: 20% except DAC	<a href="#">Website</a>  Link to Prior Awards: <a href="#">Link</a>  <b>Success Rate:</b> Not Available  <b>LOD: Complex</b>

**TABLE 2**

4	09/29/23  Broadband	<p><b>Last Mile Federal Funding Account.</b> For last-mile broadband infrastructure projects to connect unserved Californians. The focus of last mile projects is to be in unserved areas that lack access to a wireline connection capable of reliably delivering at least minimum speeds of 25 Mbps download and 3 Mbps upload. Check the map at:  <a href="https://www.cpuc.ca.gov/industries-and-topics/internet-and-phone/broadband-implementation-for-california/last-mile-federal-funding-account/ffa-public-map">https://www.cpuc.ca.gov/industries-and-topics/internet-and-phone/broadband-implementation-for-california/last-mile-federal-funding-account/ffa-public-map</a></p> <p>Provide a schedule for project construction following receipt of permits to complete the project within 24 months, or within 18 months if the project's categorically exempt from CEQA.</p>	California Public Utilities Commission	Federal via State	Not stated  Available Funding: \$2 billion	Not stated	<p><a href="#">Website</a></p> <p>Link to Prior Awards: Not Available</p> <p><b>Success Rate:</b> Not Available</p> <p><b>LOD: Medium</b></p>
5	09/29/23  Resiliency Planning	<p><b>The California Resilience Challenge.</b> To develop a pipeline of climate adaptation projects across the state to strengthen local and regional resilience to heat, drought, floods, and wildfire. Funding is targeted at improving local or regional resilience to drought, flooding, extreme heat, and wildfire. Projects could include hazard mitigation updates, infrastructure adaptation, projects addressing water/air quality, and climate vulnerability assessments.</p>	Bay Area Council Foundation Resilient California	Private	Grants expected to be between \$100,000 - \$200,000	Not required	<p><a href="#">Website</a></p> <p>Link to Prior Awards: <a href="#">Link</a></p> <p><b>Success Rate:</b> Not Available</p> <p><b>LOD: Medium</b></p>

6	09/30/23  Energy	<p><b>Energy Future Grant.</b> To provide financial and technical assistance to design innovative, multijurisdictional deployment plans that maximize scalable energy affordability. Financial assistance will be provided in two phases to advance:</p> <p><u>Partnerships</u>: Create multijurisdictional partnerships between local, tribal, and/or state governments, with a goal of at least 3-4 partners per team.</p> <p><u>Communities</u>: Develop deployment-focused clean energy plans in the transportation, building, and/or power sectors to meet community needs.</p> <p><u>Innovation</u>: Prioritize innovative (novel or early action) approaches that maximize access to affordable clean energy across sectors, markets, and geographies. Three Topic Areas</p> <ol style="list-style-type: none"> <li>1. Topic Area 1 – Transportation: Proposals in this area should include planning approaches for reducing the energy intensity or greenhouse gas emissions from the transportation sector, with a focus on efforts to advance projects that benefit infrastructure, mobility, and net zero fuels. Innovative actions may include efforts to support on-and-off-road technology adoption and fuel use, including freight and aviation fleets.</li> </ol>	U.S. Department of Energy	Federal	Phase 1: \$500,000 Phase 2: \$1 million	Not required	<p><a href="#">Website</a></p> <p>Link to Prior Awards: Not Available</p> <p><b>Success Rate:</b> Not Available</p> <p><b>LOD: Medium to Complex</b></p>

**TABLE 2**  
**For Information Purposes Only**

No.	Deadline	Name of Grant	Name of Agency/Type	Source of Funds	Maximum Funding	Match Requirement	Website/Notes
		<p>2. Topic Area 2 – Power Sector: Scalable innovations in the power sector including distributed energy delivery models that emphasize affordability and demand flexibility (e.g., pricing, rates, or tariffs). Other ideas include fuel switching to net zero carbon fuels, electrification, microgrids, supply chain and/or procurement strategies that support economic, health, and job benefits in disadvantaged communities.</p> <p>3. Topic Area 3 – Buildings: Innovative strategies for creating net-zero commercial and residential buildings, including opportunities in the multi-family sector or at community facilities. Approaches include the adoption of building engineering, construction, and retrofit programs that account for occupant behavior, technology integration, and procurement of energy efficient material or the wider use of performance standards to drive outcomes (electrification, decarbonization, resilience). Teams should consider experts in affordable housing or building performance as partners.</p>
