V. NEGOTIATIONS AND AWARD

The contract, Scope of Work and price may be negotiated with the selected consultant. However, SBCTA may elect to not negotiate with any of the firms, and/or not award the contract. Therefore, it is imperative that each firm submit their best price as part of their proposal.

“SCOPE OF WORK”

RFP26-1003416 – Scope of Work

1. Introduction

San Bernardino County Transportation Authority is seeking qualified vendors to migrate our existing on premise Mitel Phone system to Microsoft Teams Phone System, with Microsoft Calling Plans. The current system, serves approximately 110 extensions using physical phones, with a main line that rings to designated staff to route calls during normal business hours, and an automated attendant with a dial-by-name directory for off-hours and holidays. As the organization already possesses Microsoft 365 G5 licenses, the project's focus is on the acquisition of Microsoft Calling Plans, number porting, and the seamless configuration of the Teams Phone System to replicate existing call flows. The goal is to leverage Microsoft's cloud-based telephony platform while preserving business continuity.

2. Project Goals & Objectives

- Successfully migrate all extensions from the Mitel system to Microsoft Teams Phone System.
- Procure and assign the necessary Microsoft Teams Calling Plan licenses.
- Ensure all existing phone numbers are ported from the current carrier to Microsoft without interruption.
- Replicate the existing main phone number routing: The main number must route to a specific group of designated live people, enabling them to answer and transfer calls.
- Configure Teams Phone System features to meet business requirements, including call queues and number assignments.
- Provide training to end-users and administrators on the new Teams Phone System functionality.
- Decommission the old Mitel system after a successful cutover and stabilization period.

3. Scope of Work

Phase 1: Discovery & Planning

- **Requirements Gathering:** The vendor will audit usage of existing system to verify needed number and type of call plans. The vendor will perform any needed workshops or interviews with SBCTA staff to understand current telephony usage, with a specific focus on the main number's call flow and any unique call routing needs identified during the system audit.
- **System Audit:**
 - Inventory all **Mitel extensions**, including associated users, numbers, and call flows.
 - Document the exact call flow for the main phone number, identifying the three designated users and their roles in answering and routing calls.
 - Assess network readiness for Teams Phone System, including bandwidth, QoS, and firewall configurations.
- **Licensing & Carrier Strategy:**
 - Identify the number of Calling Plan licenses required for all users.
- **Design & Architecture:**
 - Develop a high-level and detailed design for the Teams Phone System architecture.
 - Specifically design the main number's call routing within Teams, using a Call Queue to replicate the current "live people" group.

- Create a porting plan for all phone numbers, coordinating with Microsoft's number porting team.
- Develop a user-to-Teams extension mapping plan.
- Create a project timeline and communication plan.

Phase 2: Implementation & Configuration

- **PSTN Connectivity:**
 - Procure the necessary Microsoft Teams Calling Plan licenses as add-ons to the existing Microsoft 365 G5 subscription.
 - Assign the Calling Plan licenses to each of the 110 users.
- **Number Porting:**
 - Initiate and manage the number porting process with Microsoft. This includes submitting a Letter of Authorization (LOA) and any other required documentation.
 - Coordinate the porting date and time to minimize service interruption.
- **Teams Phone System Configuration:**
 - Set up a Call Queue specifically for the main phone number, ensuring the three designated users are the only agents in this queue.
 - Configure other auto-attendants and call queues as required.
 - Create and assign the newly ported phone numbers to individual user accounts.
 - Set up a **simple call queue** for the main phone number, ensuring the designated users are in the queue to answer calls.
 - No **IVR (Interactive Voice Response)** or **phone tree** functionality will be required
 - The call flow is basic, routing calls directly to the designated group of users who will in turn route calls to appropriate end-users.

Phase 3: Testing & Training

- **User Acceptance Testing (UAT):**
 - Conduct UAT with a pilot group of users to test core functionalities.
 - Perform specific, rigorous testing of the main phone number's call routing to the three designated users to ensure it functions as expected.
 - Address any issues or bugs identified during UAT.
 - All migrated extensions must pass core functionality tests including dialing, call transfer, voicemail access, and call queue performance.
- **End-User Training:**
 - Develop training materials, including quick-start guides for basic calling features voicemail setup and call routing rule creation.
 - Provide specialized training to the main receptionists on how to effectively use the Teams Call Queue features, including answering, transferring, and parking calls.
 - Conduct virtual or in-person training sessions for all other users on how to use Teams for calling. We would prefer the users at SBCTA be broken up into three training sessions to facilitate schedules and minimize class sizes. The vendor should also provide a recorded training session for use with new hires.
- **Administrator Training:**
 - Provide dedicated training for IT administrators on managing the Teams Phone System via the Teams Admin Center.

Phase 4: Cutover & Post-Migration Support

- **Go-Live & Cutover:**
 - Execute the final cutover from the Mitel system to Teams based on the porting schedule.
 - Provide on-site or remote support during the cutover to assist users.
- **Post-Migration Support:**
 - Provide a defined period of intense support to address any immediate post-migration issues.
 - Resolve any outstanding issues or support tickets.
- **Decommissioning:**
 - After the intense support period, assist with the orderly decommissioning of the Mitel on-premise hardware.

4. Out of Scope

- Physical cabling or network infrastructure upgrades (beyond what is required for QoS).
- Migration of non-standard or highly customized Mitel features unless explicitly documented and approved.
- Procurement of new end-user devices (laptops, desktops, etc.).
- Any work not specifically detailed in this SOW.
- Procurement for softphone headsets – these will be provided by SBCTA.

5. Assumptions

- Existing Microsoft 365 G5 licenses are active and assigned to all users.
- Users are already familiar with and using Microsoft Teams, but have not used PSTN calling through Teams.
- No complex Phone Tree or IVR is needed
- A budget has been approved for the purchase of Microsoft Teams Calling Plans.
- A dedicated project manager and key business stakeholders will be available for meetings and decision-making.
- Existing network infrastructure is capable of supporting Microsoft Teams traffic with appropriate QoS.
- Physical access to the Mitel phone system will be provided to the migration team.
- The current telephone numbers are eligible for porting.

6. Deliverables

- Project Plan and Timeline.
- System Audit Report.
- Teams Phone System Design Document.
- User-to-Extension Mapping Sheet.
- End-User and Admin Training Materials.
- Detailed documentation of the main number's Call Queue configuration.
- Post-Migration Support Plan.

7. Roles & Responsibilities

- **SBCTA Project Manager:**
 - Provide access to systems and personnel.
 - Review and approve all project deliverables.
 - Procure the necessary Microsoft Calling Plan licenses.
 - Participate in testing and training, with special attention to the three main receptionists.
- **Service Provider:**
 - Lead the discovery, design, and implementation phases.
 - Manage the number porting process with Microsoft.
 - Provide training and post-migration support.

8. Acceptance Criteria

- All extensions are successfully migrated and functional within Microsoft Teams.
- All existing phone numbers are successfully ported to the new system.
- The main phone number's call routing to the group of designated users functions exactly as documented.
- Core calling features (e.g., inbound/outbound calls, call transfer, voicemail) are working as designed.
- All project deliverables are completed and approved by the client.

21.2.1 Qualifications of Insurance Carriers. If policies are written by insurance carriers authorized and admitted to do business in the state of California, then the insurance carriers must have a current A.M. Best rating of A-VIII or better and if policies are written by insurance carriers that are non- admitted but authorized to conduct business in the state of California, then they must meet the current A.M. Best rating of A-X or better, unless otherwise approved in writing by SBCTA.

21.2.2 Additional Insured Coverage. All policies, except those for Workers' Compensation and Professional Liability insurance, shall be endorsed by ISO Form CG 20 10 11 85, or if not available, then ISO Form CG 20 38, to name San Bernardino County Transportation Authority and its officers, directors, members, employees, and agents, as additional insureds ("Additional Insureds"). With respect to general liability arising out of or connected with work or operations performed by or on behalf of the CONSULTANT under this Contract, coverage for such Additional Insureds shall not extend to liability to the extent prohibited by section 11580.04 of the Insurance Code. The additional insured endorsements shall not limit the scope of coverage for SBCTA to vicarious liability, but shall allow coverage for SBCTA to the full extent provided by the policy.

21.2.3 Proof of Coverage. Evidence of insurance in a form acceptable to SBCTA, including declarations pages of each policy, certificates of insurance and the required additional

insured endorsements, shall be provided to SBCTA's Procurement Analyst prior to issuance of the NTP or prior to commencing any Work, as SBCTA specifies. Certificate(s) of insurance, as evidence of the required insurance shall: be executed by a duly authorized representative of each insurer; show compliance with the insurance requirements set forth in this Article; set forth deductible amounts applicable to each policy; list all exclusions which are added by endorsement to each policy; and also include the Contract Number and the SBCTA Project Manager's name on the face of the certificate. If requested in writing by SBCTA, CONSULTANT shall submit complete copies of all required insurance policies within ten (10) business days of a written request by SBCTA.

21.2.4 Deductibles and Self-Insured Retention. Regardless of the allowance of exclusions or deductibles by SBCTA, CONSULTANT shall be responsible for any deductible or self-insured retention (SIR) amount and shall warrant that the coverage provided to SBCTA is consistent with the requirements of this Article. CONSULTANT will pay, and shall require its subconsultants to pay, all deductibles, co-pay obligations, premiums and any other sums due under the insurance required in this Article. Any deductibles or self-insured retentions must be declared to and approved in writing by SBCTA. Without SBCTA's expressed written approval no deductibles or SIR will be allowed. At the option of SBCTA, if the deductible or SIR is approved and it is greater than \$10,000 or one (1) percent of the amount of coverage required under this Contract, whichever is less, the CONSULTANT shall guarantee that either: (1) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects to SBCTA, its directors, officials, officers, employees and agents; or, (2) the CONSULTANT shall procure a bond guaranteeing the amount of the deductible or self-insured retention. SBCTA shall have the right to review any and all financial records that SBCTA, at its sole discretion, deems necessary to approve any deductible or SIR. SBCTA will have the right, but not the obligation, to pay any deductible or SIR due under any insurance policy. If SBCTA pays any sums due under any insurance required above, SBCTA may withhold said sums from any amounts due to CONSULTANT. The CONSULTANT's policies will neither obligate nor prohibit SBCTA or any other Additional Insured, from paying any portion of any CONSULTANT's deductible or SIR.

21.2.5 CONSULTANT's and Subconsultants' Insurance will be Primary. All policies required to be maintained by the CONSULTANT or any subconsultant, with the exception of Professional Liability and Worker's Compensation shall be endorsed, with a form at least as broad as ISO Form CG 20 01 04 13, to be primary coverage, and any coverage carried by any of the Additional Insureds shall be excess and non-contributory. Further, none of CONSULTANT's or subconsultants' pollution, automobile, general liability or other liability policies (primary or excess) will contain any cross-liability exclusion barring coverage for claims by an additional insured against a named insured.

21.2.6 Waiver of Subrogation Rights. To the fullest extent permitted by law, CONSULTANT hereby waives all rights of recovery under subrogation against the Additional Insureds named herein, and any other consultant, subconsultant or sub-

subconsultant performing work or rendering services on behalf of SBCTA in connection with the planning, development and construction of the Project. To the fullest extent permitted by law, CONSULTANT shall require similar written express waivers and insurance clauses from each of its subconsultants of every tier. CONSULTANT shall require all of the policies and coverages required in this Article to waive all rights of subrogation against the Additional Insureds (ISO Form CG 24 04 05 09). Such insurance and coverages provided shall not prohibit CONSULTANT from waiving the right of subrogation prior to a loss or claim.

21.2.7 Cancellation. If any insurance company elects to cancel or non-renew coverage for any reason, CONSULTANT will provide SBCTA thirty (30) days' prior written notice of such cancellation or nonrenewal. If the policy is cancelled for nonpayment of premium, CONSULTANT will provide SBCTA ten (10) days' prior written notice. In any event, CONSULTANT will provide SBCTA with a copy of any notice of termination or notice of any other change to any insurance coverage required herein which CONSULTANT receives within one business day after CONSULTANT receives it by submitting it to SBCTA at insurance@gosbcta.com, to the attention of SBCTA's Procurement Analyst, and by depositing a copy of the notice in the U.S. Mail in accordance with the notice provisions of this Contract.

21.2.8 Non-Limitation of Insurance Requirements. The insurance coverages and limits required under this Contract are minimum requirements and are not intended to limit the CONSULTANT's indemnification obligations under the Contract, nor do the indemnity obligations limit the rights of the Indemnified Parties to the coverage afforded by their insured status. To the extent required by law in connection with Work to be performed, the CONSULTANT shall obtain and maintain, or cause to be obtained and maintained, in addition to the insurance coverage expressly required under this Contract, such other insurance policies for such amounts, for such periods of time and subject to such terms, as required by law and any other agreements with which the CONSULTANT is required to comply, including any third-party agreements. Liability insurance coverage will not be limited to the specific location designated as the Site, except that if the CONSULTANT arranges project-specific general liability, excess liability, or workers' compensation coverage, limitations of coverage to the Site will be permitted subject to SBCTA approval and use of the broadest available site-specific endorsements. No liability policy will contain any provision or definition that would serve to eliminate so-called "third-party-over action" claims, including any exclusion for bodily injury to an employee of the insured or of any Subcontractor. The CONSULTANT acknowledges and will at all times comply with the provisions of Labor Code Section 3700 which require every employer in the State to be insured against liability for workers' compensation, or to undertake self-insurance in accordance with the provisions of that code.

21.2.9 Enforcement. SBCTA may take any steps as are necessary to assure CONSULTANT's compliance with its insurance obligations as identified within this Article. Failure to continuously maintain insurance coverage as provided herein is a material breach of contract. In the event the CONSULTANT fails to obtain or maintain any insurance

coverage required, SBCTA may, but is not required to, secure any coverage SBCTA deems necessary to fill the gap caused by the lapse in CONSULTANT's coverage and charge the expense to the CONSULTANT or withhold such expense from amounts owed CONSULTANT, or terminate this Contract. The insurance required or provided shall in no way limit or relieve CONSULTANT of its duties and responsibility under the Contract, including but not limited to obligation to indemnify, defend and hold harmless the Indemnitees named below. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONSULTANT for liability in excess of such coverage, nor shall it preclude SBCTA from taking other actions as available to it under any other provision of the Contract or law. Nothing contained herein shall relieve CONSULTANT, or any subconsultant of any tier of their obligations to exercise due care in the performance of their duties in connection with the Work, and to complete the Work in strict compliance with the Contract.

21.2.10 No Waiver. Failure of SBCTA to enforce in a timely manner any of the provisions of this Article shall not act as a waiver to enforcement of any of these provisions at a later date.

21.2.11 Project Specific Insurance. Intentionally Omitted.

21.2.12 No Representations or Warranties. SBCTA makes no representation or warranty that the coverage, limits of liability, or other terms specified for the insurance policies required under this contract are adequate to protect the CONSULTANT against its undertakings under this Contract or its liability to any third party, nor will they preclude SBCTA from taking any actions as are available to it under this Contract or otherwise at law.

21.2.13 Review of Coverage. SBCTA may at any time review the coverage, form, and amount of insurance required under this contract, and may require the CONSULTANT to make changes in such insurance reasonably sufficient in coverage, form, and amount to provide adequate protection against the kind and extent of risk that exists at that time. SBCTA may change the insurance coverages and limits required under this contract by notice to the CONSULTANT, whereupon the CONSULTANT will, within sixty (60) days of such notice date, procure the additional and/or modified insurance coverages. Upon such change any additional cost (at actual cost) from such change will be paid by SBCTA and any reduction in cost will reduce the Contract Price pursuant to a Contract amendment.

21.2.14 Subconsultant Insurance. Insurance required of the CONSULTANT shall be also provided by subconsultants or by CONSULTANT on behalf of all subconsultants to cover their services performed under this Contract. CONSULTANT may reduce types and the amounts of insurance limits provided by subconsultant(s) to be proportionate to the amount of the subconsultant's contract and the level of liability exposure for the specific type of work performed by the subconsultant. CONSULTANT shall be held responsible for all modifications, deviations, or omissions in these insurance requirements as they apply to subconsultant.

21.2.15 Higher limits. If CONSULTANT maintains higher limits than the minimums shown above, SBCTA shall be entitled to coverage for the higher limits maintained by

CONSULTANT. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to SBCTA.

21.2.16 Special Risks or Circumstances. SBCTA reserves the right to modify any or all of the above insurance requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

ARTICLE 22. INDEMNITY

22.1 Intentionally omitted.

22.2 CONSULTANT agrees to indemnify, defend (with legal counsel reasonably approved by SBCTA) and hold harmless SBCTA, San Bernardino Council of Governments (“SBCOG”), SBCOG’s Entities (see Exhibit C), and their authorized officers, employees, agents and volunteers (“Indemnitees”), from any and all claims, actions, losses, damages and/or liability (Claims) arising out of this Contract from any cause whatsoever, including acts, errors, or omissions of any person and for any costs or expenses incurred by any Indemnatee(s) on account of any claim, except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of Indemnitees. CONSULTANT’s indemnification obligation applies to Indemnitees’ “active” as well as “passive” negligence, but does not apply to the “sole negligence” or “willful misconduct” of any Indemnatee.

ARTICLE 23. ERRORS AND OMISSIONS

CONSULTANT shall be responsible for the professional quality, technical accuracy, and coordination of all Work required under this Contract. CONSULTANT shall be liable for SBCTA’s costs resulting from errors or deficiencies in Work furnished under this Contract, including, but not limited to, any fines, penalties, damages, and costs required because of an error or deficiency in the Work provided by CONSULTANT under this Contract.

ARTICLE 24. OWNERSHIP OF DOCUMENTS

All deliverables, including but not limited to, drawings, reports, worksheets, and other data developed by CONSULTANT under this Contract shall become the sole property of SBCTA when prepared, whether delivered to SBCTA or not.

ARTICLE 25. SUBCONTRACTS

25.1 CONSULTANT shall not subcontract performance of all or any portion of Work under this Contract, except to those subconsultants listed in CONSULTANT’s proposal, without first notifying SBCTA in writing of the intended subcontracting and obtaining SBCTA’s written approval of the subcontracting and the subconsultant. The definition of subconsultant and the requirements for subconsultants hereunder shall include all subcontracts at any tier.

25.2 CONSULTANT agrees that any and all subconsultants of CONSULTANT performing Work under this Contract will comply with the terms and conditions of this Contract applicable to the portion of Work performed by them. CONSULTANT shall incorporate all applicable provisions of this Contract into their subcontracts regardless of the tier. If requested by SBCTA, CONSULTANT shall furnish SBCTA a copy of the proposed subcontract for

SBCTA's approval of the terms and conditions thereof and shall not execute such subcontract until SBCTA has approved such terms and conditions. SBCTA's approval shall not be unreasonably withheld.

- 25.3 Approval by SBCTA of any Work to be subcontracted and the subconsultant to perform said Work will not relieve CONSULTANT of any responsibility or liability in regard to the acceptable and complete performance of said Work. Any substitution of subconsultants must be approved in writing by SBCTA. CONSULTANT shall have sole responsibility for managing all of their subconsultants, including resolution of any disputes between CONSULTANT and its subconsultants.

ARTICLE 26. RECORD INSPECTION AND AUDITING

SBCTA or any of its designees, representatives, or agents shall at all times have access during normal business hours to CONSULTANT's operations and products wherever they are in preparation or progress, and CONSULTANT shall provide sufficient, safe, and proper facilities for such access and inspection thereof. Inspection or lack of inspection by SBCTA shall not be deemed to be a waiver of any of their rights to require CONSULTANT to comply with the Contract or to subsequently reject unsatisfactory Work or products.

ARTICLE 27. INDEPENDENT CONTRACTOR

CONSULTANT is and shall be at all times an independent contractor. Accordingly, all Work provided by CONSULTANT shall be done and performed by CONSULTANT under the sole supervision, direction and control of CONSULTANT. SBCTA shall rely on CONSULTANT for results only and shall have no right at any time to direct or supervise CONSULTANT or CONSULTANT's employees in the performance of Work or as to the manner, means and methods by which Work is performed. All personnel furnished by CONSULTANT pursuant to this Contract, and all representatives of CONSULTANT, shall be and remain the employees or agents of CONSULTANT or of CONSULTANT's subconsultant(s) at all times, and shall not at any time or for any purpose whatsoever be considered employees or agents of SBCTA.

ARTICLE 28. ATTORNEY'S FEES

If any legal action is instituted to enforce or declare any Party's rights under the Contract, each Party, including the prevailing Party, must bear its own costs and attorneys' fees. This Article shall not apply to those costs and attorneys' fees directly arising from any third party legal action against a Party hereto and payable under the "Indemnity" provision of the Contract.

ARTICLE 29. GOVERNING LAW AND VENUE

This Contract shall be subject to the law and jurisdiction of the State of California. The Parties acknowledge and agree that this Contract was entered into and intended to be performed in whole or substantial part in San Bernardino County, California. The Parties agree that the venue for any action or claim brought by any Party to this Contract will be the Superior Court of California, San Bernardino County. Each Party hereby waives any law or rule of court which would allow them to request or demand a change of venue. If any action or claim concerning this Contract is brought by any third party, the Parties hereto agree to use their best efforts to obtain a change of venue to the Superior Court of California, San Bernardino County.

ARTICLE 30. FEDERAL, STATE AND LOCAL LAWS

CONSULTANT warrants that in the performance of this Contract, it shall comply with all applicable federal, State and local laws, ordinances, rules and regulations.

ARTICLE 31. PRECEDENCE

- 31.1 The Contract consists of the following: Contract Articles, Exhibit A "Scope of Work," Exhibit B "Price Proposal," Exhibit C "SBCOG Entities," SBCTA's Request for Proposal, and CONSULTANT's proposal, all of which are incorporated into this Contract by this reference.
- 31.2 The following order of precedence shall apply: first, the Contract Articles; second, Exhibits A, B and C; third, SBCTA's Request for Proposal; and last, CONSULTANT's proposal. In the event of a conflict between the Contract Articles and the Scope of Work, the Contract Articles will prevail.
- 31.3 In the event of an express conflict between the documents listed in this Article, or between any other documents which are a part of the Contract, CONSULTANT shall notify SBCTA in writing within three (3) business days of its discovery of the conflict and shall comply with SBCTA's resolution of the conflict.

ARTICLE 32. COMMUNICATIONS AND NOTICES

Notices sent by mail shall be by United States Mail, postage paid, certified mail (return receipt requested). Any and all notices permitted or required to be given hereunder shall be deemed duly given and received: (a) upon actual delivery, if delivery is personally made or if made by fax or email during regular business hours; (b) the first business day following delivery by fax or email when not made during regular business hours; or (c) on the fourth business day after deposit of such notice into the United States Mail. Each such notice shall be sent to the respective Party at the address indicated below or to any other address as the respective Parties may designate from time to time by a notice given in accordance with this Article. CONSULTANT shall notify SBCTA of any contact information changes within ten (10) business days of the change.

ARTICLE 33. DISPUTES

- 33.1 In the event any dispute, other than an audit, arises between the Parties in connection with this Contract (including but not limited to disputes over payments, reimbursements, costs, expenses, Work to be performed, Scope of Work and/or time of performance), the dispute shall be decided by SBCTA's Procurement Manager within thirty (30) calendar days after notice thereof in writing, which notice shall include a particular statement of the grounds of the dispute. If CONSULTANT does not agree with the decision, then CONSULTANT shall

have ten (10) calendar days after receipt of the decision in which to file a written appeal thereto with SBCTA's Executive Director. If the Executive Director fails to resolve the dispute in a manner acceptable to CONSULTANT, then such dispute may be reviewed by a court of competent jurisdiction.

33.2 During resolution of the dispute, CONSULTANT shall proceed with performance of this Contract with due diligence.

ARTICLE 34. GRATUITIES

CONSULTANT, its employees, agents, or representatives shall not offer or give to any officer, official, agent or employee of SBCTA, any gift, entertainment, payment, loan, or other gratuity.

ARTICLE 35. REVIEW AND ACCEPTANCE

All Work performed by CONSULTANT shall be subject to periodic review and approval by SBCTA at any and all places where such performance may be carried on. Failure of SBCTA to make such review or to discover defective work shall not prejudice the rights of SBCTA at the time of final acceptance. All Work performed by CONSULTANT shall be subject to periodic and final review and acceptance by SBCTA upon completion of all Work.

ARTICLE 36. CONFIDENTIALITY

See Article 17.

ARTICLE 37. EVALUATION OF CONSULTANT

CONSULTANT's performance may be evaluated by SBCTA periodically throughout the Contract performance period, such as at the completion of certain milestones as identified in Scope of Work and/or at the completion of the Contract. A copy of the evaluation will be given to CONSULTANT for their information. The evaluation information shall be retained as part of the Contract file and may be used to evaluate CONSULTANT if they submit a proposal on a future RFP issued by SBCTA.

ARTICLE 38. SAFETY

CONSULTANT shall strictly comply with OSHA regulations and local, municipal, state, and federal safety and health laws, orders and regulations applicable to CONSULTANT's operations in the performance of Work under this Contract. CONSULTANT shall comply with all safety instructions issued by SBCTA or their representatives.

ARTICLE 39. DRUG FREE WORKPLACE

CONSULTANT agrees to comply with the Drug Free Workplace Act of 1990 per Government Code Section 8350 et seq, the Drug-Free Workplace Act of 1988, as amended, 41 U.S.C. § 8103, et seq.; U.S. DOT regulations, "Governmentwide Requirements for Drug-Free Workplace (Financial Assistance)," 49 CFR Part 32; and U.S. OMB regulatory guidance, "Governmentwide Requirements for Drug-Free Workplace (Financial Assistance)," 2 CFR Part 182, particularly where the U.S. OMB regulatory guidance supersedes comparable provisions of 49 CFR Part 32.

ARTICLE 40. ASSIGNMENT

CONSULTANT shall not assign this Contract in whole or in part, voluntarily, by operation of law, or otherwise, without first obtaining the written consent of SBCTA. SBCTA's exercise of consent shall be within its sole discretion. Any purported assignment without SBCTA's prior written consent shall be void and of no effect, and shall constitute a material breach of this Contract. Subject to the foregoing, the provisions of this Contract shall extend to the benefit of and be binding upon the successors and assigns of the Parties.

ARTICLE 41. AMENDMENTS

The Contract may only be changed by a written amendment duly executed by the Parties. Work authorized under an amendment shall not commence until the amendment has been duly executed.

ARTICLE 42. PREVAILING WAGES

42.1 The State of California's General Prevailing Wage Rates are not applicable to this Contract.

ARTICLE 43. CONTINGENT FEE

CONSULTANT warrants by execution of this Contract that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by CONSULTANT for the purpose of securing business. For breach or violation of this warranty, SBCTA has the right to terminate this Contract without liability, pay only for the value of the Work actually performed, or, in its discretion, to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

ARTICLE 44. FORCE MAJEURE

CONSULTANT shall not be in default under this Contract in the event that the Work performed by CONSULTANT is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, acts of terrorism, civil disturbances, insurrection, explosion, pandemics, quarantines, acts of God, acts of government or governmental restraint, and natural disasters such as floods, earthquakes, landslides, and fires, or other catastrophic events which are beyond the reasonable control of CONSULTANT and which CONSULTANT could not reasonably be expected to have prevented or controlled. "Other catastrophic events" does not include the financial inability of CONSULTANT to perform or failure of CONSULTANT to obtain either any necessary permits or licenses from other governmental agencies or the right to use the facilities of any public utility where such failure is due solely to the acts or omissions of CONSULTANT.

ARTICLE 45. WARRANTY

CONSULTANT warrants that all Work performed shall be in accordance with the Contract and all applicable professional standards. In the event of a breach of this provision, CONSULTANT shall take the necessary actions to correct the breach at CONSULTANT's sole expense. If CONSULTANT does not take the necessary action to correct the breach, SBCTA, without waiving any other rights or

remedies it may have, may take the necessary steps to correct the breach, and the CONSULTANT shall promptly reimburse SBCTA for all expenses and costs incurred.

ARTICLE 46. ENTIRE DOCUMENT

- 46.1 This Contract constitutes the sole and only agreement governing the Work and supersedes any prior understandings, written or oral, between the Parties respecting the Project. All previous proposals, offers, and other communications, written or oral, relative to this Contract, are superseded except to the extent that they have been expressly incorporated into this Contract.
- 46.2 No agent, official, employee or representative of SBCTA has any authority to bind SBCTA to any affirmation, representation or warranty outside of, or in conflict with, the stated terms of this Contract, and CONSULTANT hereby stipulates that it has not relied, and will not rely, on same.
- 46.3 Both Parties have been represented or had the full opportunity to be represented by legal counsel of their own choosing in the negotiation and preparation of this Contract. Therefore, the language in all parts of this Contract will be construed, in all cases, according to its fair meaning, and not for or against either Party.

CONSULTANT shall comply with all applicable provisions of the Americans with Disabilities Act in performing Work under this Contract.

ARTICLE 48. EFFECTIVE DATE
