

AGENDA

City/County Manager's Technical Advisory Committee

Thursday, August 6, 2026

10:00 AM

LOCATION:

San Bernardino County Transportation Authority
First Floor Lobby Board Room
1170 W. 3rd Street, San Bernardino, CA 92410

TELECONFERENCE LOCATION:

Needles City Administration & Utility Office
817 3rd Street, Needles, CA 92363

Call to Order

Attendance

Public Comment

Brief comments from the general public on any subject within the Committee's jurisdiction. The general public will have an opportunity to comment on each discussion item listed on the agenda once the item is presented.

INFORMATIONAL ITEMS

Items listed are receive and file items and are expected to be routine and non-controversial. Items listed as Informational Items do not require a vote.

1. San Bernardino County Transportation Authority (SBCTA)/San Bernardino Council of Governments (SBCOG) Grant Opportunities and Forecast Tables – Dulce Spencer, SBCOG

Receive the SBCTA/SBCOG Grant Opportunities and Forecast Tables. Attached is the SBCTA/SBCOG Grants Opportunity and Forecast Tables. Please note that this informational item will be included in every City/County Manager's Technical Advisory Committee meeting with an updated Grant table.

Attachment No. 1: Pg. 7

DISCUSSION ITEMS

Council of Governments

2. Small Business Initiatives Update – Suzanne Peterson, SBCOG

Receive an update on the small business initiatives. SBCOG is advancing several initiatives identified in the SBCOG 5-Year Work Plan, including the Small Business Vendor Fairs, the Regional Small Business Certification Pilot Program, and the Vendor Registration Hub/Dashboard Pilot - collective referred to as the small business initiatives.

Attachment No. 1: Pg. 76

3. San Bernardino Regional Housing Trust Update – Monique Reza-Arellano, SBCOG

Receive an update on the San Bernardino Regional Housing Trust. The first San Bernardino Regional Housing Trust Board meeting took place on May 13, 2026, marking an important milestone in supporting the region's housing needs. One of the immediate next steps is the development of a methodology to ensure the equitable distribution of Trust funding across participating agencies. This work centers on classifying jurisdictions as urban, suburban, or rural—an approach intended to support fair scoring and resource allocation within future Notice of Funding Availability cycles. An update on the process, data considerations, and the status of the methodology's development will be presented.

Transportation/Council of Governments

4. State Budget and Legislative Update – Taylor Libolt Varner, Amplify Communities

Receive an update on the 2026–2027 State Budget and legislation related to housing and homelessness. This includes Assembly Bill 179, a recently enacted housing trailer bill that aims to streamline affordable housing production, reduce costs, and make changes to how the Homeless Housing, Assistance, and Prevention Program is allocated and implemented.

Attachment No. 1: Pg. 77

Transportation

5. Lessons Learned from Prior Audits – Michael Hernandez, SBCTA

Receive a presentation on insights gained from previous audit outcomes.

Attachment No. 1: Pg. 81

ADJOURNMENT

The next meeting of the City/County Manager's Technical Advisory Committee is scheduled for October 1, 2026.

Meeting Procedures and Rules of Conduct

Meeting Procedures - The Ralph M. Brown Act is the state law which guarantees the public's right to attend and participate in meetings of local legislative bodies. These rules have been adopted by the Board of Directors in accordance with the Brown Act, Government Code Sec. 54950 et seq., and shall apply at all meetings of the Board of Directors and Policy Committees.

Accessibility & Language Assistance - The meeting facility is accessible to persons with disabilities. A designated area is reserved with a microphone that is ADA accessible for public speaking. A designated section is available for wheelchairs in the west side of the boardroom gallery. If assistive listening devices, other auxiliary aids or language assistance services are needed in order to participate in the public meeting, requests should be made through the Clerk of the Board at least three (3) business days prior to the Board meeting. The Clerk can be reached by phone at (909) 884-8276 or via email at clerkoftheboard@gosbcta.com and the office is located at 1170 W. 3rd Street, 2nd Floor, San Bernardino, CA.

Service animals are permitted on SBCTA's premises. The ADA defines service animals as dogs or miniature horses that are individually trained to do work or perform tasks for people with disabilities. Under the ADA, service animals must be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work, or the individual's disability prevents using these devices. In that case, the individual must maintain control of the animal through voice, signal, or other effective controls.

Members of the Board of Directors and any Policy Committee with a disability may participate in any meetings of their respective legislative bodies by remote participation as a reasonable accommodation in accordance with Government Code Sec. 54953(c).

Accesibilidad y asistencia en otros idiomas - Las personas con discapacidad pueden acceder a la sala de reuniones. Se reserva una zona designada con un micrófono accesible que cumple con los requisitos de la ADA para hablar en público. Una sección designada está disponible para sillas de ruedas en el lado oeste de la galería de la sala de reuniones. Si se necesitan dispositivos de ayuda auditiva, otras ayudas auxiliares o servicios de asistencia en otros idiomas para participar en la reunión pública, las solicitudes deben presentarse al Secretario de la Junta al menos tres (3) días hábiles antes de la fecha de la reunión de la Junta. Puede comunicarse con el Secretario llamando al (909) 884-8276 o enviando un correo electrónico a clerkoftheboard@gosbcta.com. La oficina se encuentra en 1170 W. 3rd Street, 2nd Floor, San Bernardino, CA.

Los animales de servicio están permitidos en las instalaciones de SBCTA. La ADA define a los animales de servicio como perros o caballos miniatura que son entrenados individualmente para hacer trabajo o realizar tareas para personas con discapacidades. Según la ADA, los animales de servicio deben tener un arnés o ser atados, a menos que estos dispositivos interfieran con el trabajo del animal de servicio, o que la discapacidad de la persona impida el uso de estos dispositivos. En ese caso, la persona debe mantener el control del animal a través de su voz, señales u otros controles efectivos.

Los miembros de la Junta Directiva y de cualquier Comité de Políticas que tengan una discapacidad podrán participar en cualquier reunión de sus respectivos órganos legislativos mediante participación remota como una adaptación razonable de conformidad con el artículo 54953(c) del Código de Gobierno.

Agendas – All agendas are posted at www.gosbcta.com/board/meetings-agendas/ at least 72 hours in advance of the meeting. Staff reports related to agenda items may be reviewed online at that web address. Agendas are also posted at 1170 W. 3rd Street, 1st Floor, San Bernardino at least 72 hours in advance of the meeting.

Agenda Actions – Items listed on both the “Consent Calendar” and “Discussion” contain recommended actions. The Board of Directors will generally consider items in the order listed on the agenda. However, items may be considered in any order. New agenda items can be added and action taken as provided in the Ralph M. Brown Act Government Code Sec. 54954.2(b).

Closed Session Agenda Items – Consideration of closed session items excludes members of the public. These items include issues related to personnel, pending litigation, labor negotiations and real estate negotiations. Prior to each closed session, the President of the Board or Committee Chair (“President”) will announce the subject matter of the closed session. If reportable action is taken in closed session, the President shall report the action to the public at the conclusion of the closed session.

Public Testimony on an Item – Members of the public are afforded an opportunity to speak on any listed item. Individuals in attendance at SBCTA who desire to speak on an item may complete and turn in a "Request to Speak" form, specifying each item an individual wishes to speak on. Individuals may also indicate their desire to speak on an agenda item when the President asks for public comment. When recognized by the President, speakers should be prepared to step forward and announce their name for the record. In the interest of facilitating the business of the Board, speakers are limited to three (3) minutes on each item. Additionally, a twelve (12) minute limitation is established for the total amount of time any one individual may address the Board at any one meeting. The President or a majority of the Board may establish a different time limit as appropriate, and parties to agenda items shall not be subject to the time limitations. Any individual who wishes to share written information with the Board may provide 35 copies to the Clerk of the Board for distribution. If providing written information for distribution to the Board, such information must be emailed to the Clerk of the Board, at clerkoftheboard@gosbcta.com, no later than 2:00 pm the day before the meeting in order to allow sufficient time to distribute the information. Written information received after the 2:00 pm deadline will not be distributed. Information provided as public testimony is not read into the record by the Clerk. Consent Calendar items can be pulled at Board member request and will be brought up individually at the specified time in the agenda. Any consent item that is pulled for discussion shall be treated as a discussion item, allowing further public comment from any members of the public who haven't already commented on the item during the meeting.

Public Comment –An opportunity is also provided for members of the public to speak on any subject within the Board's jurisdiction. Matters raised under “Public Comment” will not be acted upon at that meeting. See “Public Testimony on an Item” and “Agenda Actions”, above.

Disruptive or Prohibited Conduct – If any meeting of the Board is willfully disrupted by a person or by a group of persons so as to render the orderly conduct of the meeting impossible, the President may recess the meeting or order the person, group or groups of person willfully disrupting the meeting to leave the meeting or to be removed from the meeting. Disruptive or prohibited conduct includes without limitation addressing the Board without first being recognized, not addressing the subject before the Board, repetitiously addressing the same subject, failing to relinquish the podium when requested to do so, bringing into the meeting any type of object that could be used as a weapon, including without limitation sticks affixed to signs, or otherwise preventing the Board from conducting its meeting in an orderly manner.

Your cooperation is appreciated!

**General Practices for Conducting Meetings
of
Board of Directors and Policy Committees**

Attendance.

- The President of the Board or Chair of a Policy Committee (Chair) has the option of taking attendance by Roll Call. If attendance is taken by Roll Call, the Clerk of the Board will call out by jurisdiction or supervisorial district. The Member or Alternate will respond by stating his/her name.
- A Member/Alternate who arrives after attendance is taken shall announce his/her name prior to voting on any item.
- A Member/Alternate who wishes to leave the meeting after attendance is taken but before remaining items are voted on shall announce his/her name and that he/she is leaving the meeting.

Basic Agenda Item Discussion.

- The Chair announces the agenda item number and states the subject.
- The Chair calls upon the appropriate staff member or Board Member to report on the item.
- The Chair asks members of the Board/Committee if they have any questions or comments on the item. General discussion ensues.
- The Chair calls for public comment based on "Request to Speak" forms which may be submitted.
- Following public comment, the Chair announces that public comment is closed and asks if there is any further discussion by members of the Board/Committee.
- The Chair calls for a motion from members of the Board/Committee. Upon a motion, the Chair announces the name of the member who makes the motion. Motions require a second by a member of the Board/Committee. Upon a second, the Chair announces the name of the Member who made the second, and the vote is taken.
- The "aye" votes in favor of the motion shall be made collectively. Any Member who wishes to oppose or abstain from voting on the motion shall individually and orally state the Member's "nay" vote or abstention. Members present who do not individually and orally state their "nay" vote or abstention shall be deemed, and reported to the public, to have voted "aye" on the motion.
- Votes at teleconferenced meetings shall be by roll call, pursuant to the Brown Act, or, at any meeting, upon the demand of five official representatives present or at the discretion of the presiding officer.

The Vote as specified in the SBCTA Administrative Code and SANBAG Bylaws.

- Each Member of the Board of Directors shall have one vote. In the absence of the official representative, the Alternate shall be entitled to vote. (Note that Alternates may vote only at meetings of the Board of Directors, Metro Valley Study Session and Mountain/Desert Policy Committee.)

Amendment or Substitute Motion.

- Occasionally a Board Member offers a substitute motion before the vote on a previous motion. In instances where there is a motion and a second, the Chair shall ask the maker of the original motion if he or she would like to amend the motion to include the substitution or withdraw the motion on the floor. If the maker of the original motion does not want to amend or withdraw, the substitute motion is voted upon first, and if it fails, then the original motion is considered.
- Occasionally, a motion dies for lack of a second.

Call for the Question.

- At times, a Member of the Board/Committee may "Call for the Question."
- Upon a "Call for the Question," the Chair may order that the debate stop or may allow for limited further comment to provide clarity on the proceedings.
- Alternatively, and at the Chair's discretion, the Chair may call for a vote of the Board/Committee to determine whether or not debate is stopped.
- The Chair re-states the motion before the Board/Committee and calls for the vote on the item.

The Chair.

- At all times, meetings are conducted in accordance with the Chair's direction.
- These general practices provide guidelines for orderly conduct.
- From time to time, circumstances may require deviation from general practice (but not from the Brown Act or agency policy).
- Deviation from general practice is at the discretion of the Chair.

Courtesy and Decorum.

- These general practices provide for business of the Board/Committee to be conducted efficiently, fairly and with full participation.
- It is the responsibility of the Chair and Members to maintain common courtesy and decorum.

*Adopted By SANBAG Board of Directors January 2008
Revised March 2014
Revised May 4, 2016
Revised June 7, 2023*

San Bernardino Council of Governments
Grant Opportunities and Forecast
July 15, 2026

*(**NEW!** is noted for grants added in the past 14 days)*

Grant opportunities that may be of interest to SBCOG begin on the next page.

Table 1 includes a list of new grant opportunities since the last grant table.

Table 2 includes open grant opportunities. The “Success Rate” for each opportunity (if known) is indicated in **blue** in the “Notes” column. This is based on the number of applications awarded in relation to the number of applications submitted. The table also includes a link to past grant awards, if available. Additionally, we have included the anticipated level of difficulty to develop each grant proposal. A key is provided below for reference:

Key: Level of Difficulty (LOD)	
Simple	A simple level of difficulty indicates an application that may take 8 hours or less to develop and can likely be accomplished “in-house” with minimal effort/allocation of internal resources.
Medium	A medium level of difficulty indicates an application process that will take a more substantial allocation of internal resources to accomplish and might possibly require outside assistance (20-70 hours to develop application).
Complex	A complex level of difficulty indicates a VERY competitive opportunity, with a small success rate and intensive grant-development and positioning.

TABLE 1 New Grant Opportunities			
Deadline	Name of Grant	Grant Number*	Page Number
07/20/26	Hydrogen Infrastructure Project Opportunity (HIPO)	4	6
07/21/26 Pre-Application Window 1	Extreme Heat and Community Resilience Program Round 2 - Advanced Infrastructure Projects	6	9
07/21/26 Pre-Application Window 2	Extreme Heat and Community Resilience Program Round 2 – Early Infrastructure Projects	7	10
07/27/26	Advanced Transportation Technology and Innovation (ATTAIN) Competitive Grant Program	10	14
07/31/26	Community Planning Assistance for Wildfire (CPAW)	15	22
08/07/26	Wildfire Resilience Block Grants	19	26
08/11/26	Beverage Container Recycling Grant	22	31
08/15/26	Jeremiah Lucey Grant Program	23	33
09/09/26	WaterSMART: Enhancing Water Resources Projects	26	36
11/02/26	Local Highway Safety Improvement Program (HSIP)	30	42

*By selecting the Grant Number in Table 1, you will be navigated directly to that grant opportunity in Table 2.

1	07/15/26 Infrastructure	Nationally Significant Multimodal Freight and Highways Projects (INFRA) - Track 2. To directly address the national shortage of commercial motor vehicle parking. By funding projects that expand safe, accessible public parking for commercial drivers, the Department aims to reduce fatigue-related accidents, alleviate the need for trucks to park in unsafe locations, improve supply chain fluidity, and provide essential infrastructure along the Nation's most critical freight corridors. Eligible Project Types: Projects to provide public parking for commercial motor vehicles that are within reasonable access to or in the right-of-way of an Interstate highway, the National Highway System, or the National Highway Freight Network.	U.S. Department of Transportation (DOT)	Federal	Not stated Minimum: \$25 million for large projects \$5 million for small projects	40%: Large projects 20%: Small projects	Website Link to Prior Awards: Not Available Success Rate: Not Available LOD: Complex

2	07/16/26 Public Health & Human Services	FY2026 Grants to Support Families in the Justice System (Justice for Families) Program. To improve the response of the civil and criminal justice system to families with a history of domestic/dating violence, sexual assault, and stalking, or in cases involving child sexual abuse. Activities should improve the capacity of courts and communities to respond to families through court-based and court-related programs; supervised visitation and safe exchange of children and youth by and between parents; training for people who work with families in the court system; and civil legal assistance and advocacy services to victims and non-offending parents.	U.S. Department of Justice (DOJ)	Federal	\$600,000 \$800,000 for new supervised visitation projects	Not required	Website Link to Prior Awards: Not Available Success Rate: Not Available LOD: Medium

3	07/16/26 Solid Waste & Recycling	Tire-Derived Aggregate Grant Program. To promote the use of tire-derived aggregate (TDA) to increase recycling of California-generated waste tires. The Program provides solutions for a variety of engineering challenges. TDA is produced from shredded tires, is lightweight, free-draining, and a less expensive alternative to conventional lightweight aggregates. Eligible project categories: • Category 1: Mechanically Stabilized TDA (retaining walls). • Category 2: Low Impact Development (storm water mitigation, including storm water infiltration galleries). • Category 3: Lightweight fill (slope stabilization, embankment fill, landslide repair, and retaining walls). • Category 4: Vibration mitigation (under rail lines). • Category 5: Landfill application projects (aggregate replacement projects such as leachate and gas collection systems, drainage layers, leachate injection).	California Department of Resources Recycling and Recovery (CalRecycle)	State	\$375,000	Not required	Website Link to Prior Awards: Not Available Success Rate: Not Available LOD: Medium

4	07/20/26 Hydrogen Infrastructure	NEW: Hydrogen Infrastructure Project Opportunity (HIPO). To fund the deployment of hydrogen refueling infrastructure for light-, medium-, and/or heavy-duty on-road fuel cell electric vehicles (FCEVs). Eligible Project Types: • Installation of new hydrogen refueling infrastructure for light-duty (LD) vehicles, with an emphasis on stations located in Santa Monica/West Los Angeles, San Francisco, Sacramento, and San Diego to alleviate market stress due to station demand, as well as medium-duty (MD) vehicles, or for heavy-duty (HD) uses including drayage, transit, and port operations. New hydrogen refueling infrastructure can also be a combination of the infrastructure types (mixed-use). • Re-opening temporarily non-operational (TNO) stations that would otherwise not return to open-retail status. A TNO station is a hydrogen refueling station that has been offline for a period of 30 days or more due to mechanical or supply issues. • Additional funding for hydrogen refueling stations awarded under GFO-19-602.	California Energy Commission (CEC)	State	\$15 million Minimum: \$2 million \$500,000 O&M	25%	Website Link to Prior Awards: Not Available Success Rate: Not Available LOD: Complex

5	07/21/26 Grants.gov Arts, Culture, & Historic Preservation	FY2025 & FY2026 Historic Preservation Fund - History of Equal Rights - Preservation Grants. To preserve sites related to the struggle of all Americans to achieve equal rights. Eligible Activities: Projects must preserve sites related to the struggle of all Americans to gain equal rights. History of Equal Rights (HER) grants will fund a broad range of preservation projects for historic sites including architectural services, historic structure reports, preservation plans, and physical preservation of structures. - Grants fund physical preservation of historic sites to include historic districts, buildings, sites, structures, and objects. Projects must comply with applicable laws, such as Section 106, 110, and NEPA, and execute a preservation covenant/easement. - Eligible costs include pre-preservation studies, architectural plans and specifications, historic structure reports, preservation plans, and the repair and rehabilitation of historic properties according to the Secretary of the Interior's Standards and Guidelines for Archeology and Historic Preservation.	National Park Service (NPS)	Federal	Available Funding: \$10 million Maximum: \$750,000 Minimum: \$15,000	Not required	Website Link to Prior Awards: Link Success Rate: Not Available LOD: Complex

6	07/21/26 Pre-Application Window 1 08/11/26 Pre-Application Window 2 10/13/26 Full Application Resilience	NEW: Extreme Heat and Community Resilience Program Round 2 - Advanced Infrastructure Projects. To protect California communities most vulnerable to the impacts of extreme heat. Advanced Infrastructure Projects fund the implementation of heat-related infrastructure that has been identified through prior planning efforts and determined to be feasible. Eligible Project Types: • Built environment solutions: cool pavements, shading, passive and mechanical cooling, building upgrades, hydration stations, transit shelters, etc. • Nature-based solutions: urban forestry, green spaces, green stormwater infrastructure, etc. All projects must produce two deliverables: (1) a Completed Infrastructure Project, and (2) a Future Implementation Playbook. 		for connected vehicle systems; or advanced transportation technologies, in accordance with the research areas described in section 6503 of Title 49.					
11	07/28/26 Water	Drought Response Program. To improve drought resilience by developing effective water management strategies and drought contingency plans. To support a range of initiatives, including infrastructure improvements for increased water storage and distribution capabilities, water source diversification, decision-making tools for water management, and comprehensive planning to prepare for and respond to drought conditions. Project areas: • Task A: Infrastructure Projects to increase flexibility of water conveyance and deliveries, facilitating access to water supplies in times of drought. Projects include: ○ System Modifications or improvements; ○ Storing water and/or recharging groundwater supplies ○ Developing alternative water supply sources; and ○ Groundwater recovery and treatment projects.	U.S. Bureau of Reclamation	Federal	Minimum: \$25,000 Funding Group I: Up to \$500,000, not to exceed 50% of project costs Funding Group II: Up to \$1,500,000, not to exceed 50% of project costs	50%	Website Link to Prior Awards: Not available Success Rate: Not available LOD: Medium

		• Task B: Water Management and Planning Projects to better manage water supplies through decision support tools, modeling, the identification of potential strategies to address drought, and comprehensive drought planning. Projects include: ○ Developing water management, marketing, and modeling tools to evaluate options and implement strategies to address drought; and ○ Developing or updating Drought Contingency Plans. To be eligible under this NOFO for a Drought Contingency Plan, applicants must participate in a technical consultation with the Reclamation Drought Coordinator before submitting an application.

13	07/31/26 Parks and Recreation	2027 Route to Parks Grant Program. To support local organizations in overcoming transportation challenges, ensuring historically marginalized communities can visit and enjoy California State Parks. Eligible Project Types and Activities: • Remove access barriers, including transportation, to California State Parks. • Reach underserved communities that may face challenges getting to or enjoying parks, and/or lack opportunities to create meaningful connections to nature. • Offer valuable recreational, environmental, cultural, or historical learning experiences, a majority of which take place at California State Parks. • Strengthen collaboration and partnership between applicants and California State Parks. More than 50% of park experiences must take place in California State Parks (as opposed to National, regional, or city parks).	Parks California	Private and State	Not stated Awards are expected to range between \$25,000 and \$30,000	Not required	Website Link to Prior Awards: Not available Success Rate: Not available LOD: Medium

San Bernardino Council of Governments (SBCOG) & California State University, San Bernardino (CSUSB) Small Business Partnership

BUILDING A STRONGER, MORE ACCESSIBLE LOCAL VENDOR PIPELINE

Why This Partnership

Jurisdictions need better access to qualified local vendors, while small businesses often lack a clear, consistent path into public contracting. This partnership connects business readiness with real procurement practices to create a more efficient, connected system for both.

How the Partnership Works

CSUSB, through the Randall W. Lewis Center for Entrepreneurship (RLCE): Prepares businesses through recruitment, training, and advising so they are ready to compete.

SBCOG: Works with jurisdictions to align programs with real procurement needs and coordinate agency participation.

Why it works: Each partner focuses on its strengths, resulting in better-prepared vendors and more efficient engagement for jurisdictions.

Program Components

1. Subregional Vendor and Procurement Events

Connect jurisdictions directly with local businesses.

- Share processes, expectations, and opportunities
- Build relationships with vendors in your area
- Expand outreach across subregions

2. Small Business Academy Pilot

Develop a pipeline of contract-ready businesses.

- Jurisdictions help define what ready means
- Businesses receive practical, procurement-aligned training
- Creates a vetted pool of prepared vendors

3. Vendor Registration Dashboard Pilot

Simplify how businesses get started.

- Reduce duplication in vendor onboarding
- Improve visibility into vendor information
- Create a clearer, more consistent entry point

Key Benefits

For Jurisdictions:

- Stronger pipeline of contract-ready vendors
- Less time onboarding and guiding new businesses
- Better visibility into local vendors
- More efficient, consistent engagement

For Small Businesses:

- Clear path into public contracting
- Direct access to agencies
- Practical preparation aligned with real requirements

2026 CALIFORNIA HOUSING LEGISLATIVE UPDATE BUDGET, AB 179, & THE NOVEMBER BALLOT

SBCTA/SBCOG CCMTAC Meeting
August 6, 2026

1

Final 2026-2027 State Budget

Final Budget Bill ([AB 109 Budget Act of 2026](#))
was signed on June 29 and took effect on July
1, 2026.

**The final \$351.7 billion budget funded the
following housing programs:**

- Additional \$400 million for Homeless Housing, Assistance and Prevention (HHAP) Program, bringing total to **\$900 million**
- **\$200** million in Multifamily Housing Program (MHP)
- **\$500** million state Low Income Housing Tax Credits

2

AB 179 – Housing Budget Trailer Bill

AB 179 is the housing budget trailer bill that begins implementing the state's broader [affordable housing finance reorganization plan](#) and updates several major housing programs. It took effect immediately upon enactment on July 13.

- **HHAP:** Outlines expenditure deadlines and updates reporting and program administration
- **MHP:** Designates the Multifamily Housing Program as the state's primary affordable housing subsidy program
- **AHSC:** Updates program, program future unclear due to lack of anticipated funding
- **HDFC:** New finance committee established and assigned program administration responsibilities

3

AB 179 – IMPACTS TO LOCAL GOVERNMENTS

What local governments should know

- **HHAP recipients** should review revised expenditure timelines and reporting requirements
- Affordable housing projects with **local fee waivers** or **reductions** will be even more competitive in future state funding competitions
- Agencies should expect updated **MHP** and other **housing funding guidelines** ahead of 2027 funding rounds
- **No changes to local land use or impact fee authority!** The bill primarily affects housing finance and program administration

4

2026 NOVEMBER BALLOT

Multiple Measures Seeking Voter Approval in November 2026

The November 3 Ballot was certified in June and includes 14 ballot measures for voter consideration.

- **Proposition 1: The Veterans and Affordable Housing Bond Act of 2026** – Would authorize a \$11.25 billion bond for rental and homeownership programs
- **Proposition 45: Building an Affordable California Act** – Would create an expedited environmental review for “Essential Projects”, including roads, hospitals, affordable housing, schools, public safety, and other infrastructure projects)

Other Noteworthy Propositions

- Proposition 2: CA rainy day fund
- Proposition 4: Public campaign financing
- Proposition 37: \$25 billion homebuying loan
- Proposition 40: Billionaire tax

5

Key Upcoming Dates

Wrapping up the 2025-2026 Legislative Session

- **August 31:** Last day for bills to pass legislature
- **September 30:** Last day for governor to sign bills
- **November 3:** General Election Day
- **January 1, 2027:** Effective date for most new laws

Upcoming 7th Cycle Housing Update Dates

- **August 15:** Deadline for HCD to consult with SCAG over RHNA methodology
- **October 15:** HCD's Regional Needs Determination to SCAG due

Lessons Learned from Prior Audits

Measure I & Transportation Development Act (TDA)

Michael Hernandez, CPA

1

Background

- Audit required each fiscal year for all jurisdictions receiving MSI and TDA funds
- Expenditure Analysis
- Compliance

1

2

Common Audit Findings

- Expenses as of June 30 not accrued
- Internal Control
 - Segregation of duties
- Revenue Recognition
- Beginning fund balance discrepancies

2

3

Common Audit Findings

- Bank reconciliations
 - Not done timely
 - Staffing issues
- 5-year Capital Improvement Plan
 - New small projects
 - Timing of expenses

3

4

Recommendations

- Management should establish and maintain a thorough system of internal controls
 - Maintain segregation of duties
 - Management review
- Stay updated on Capital Improvement Plan
 - Complete a periodic review against expenditures

5

5

Recommendations

- Document and review the receipt date of revenues
 - 60 days? 90 days?
- Prioritize bank reconciliations during staffing challenges
- Elevate understanding of the accrual process
 - Look at dates
- Review subsequent transactions

6

6

Indirect Costs (Overhead)

- Definition: Costs incurred for eligible street or road purposes that cannot be readily identified to a particular project
 - Some payroll related to overall supervision
 - Accounting/finance/procurement costs
 - Legal costs
 - Small tools and supplies
- Measure I funds can be used to reimburse indirect costs
 - Approved cost allocation plan

7

7

Questions/ Comments
